Taylor G. Petrey's trenchant history takes a landmark step forward in documenting and theorizing about Latter-day Saints (LDS) teachings on gender, sexual difference, and marriage. Drawing on deep archival research, Petrey situates LDS doctrines in gender theory and American religious history since World War II. His challenging conclusion is that Mormonism is conflicted between ontologies of gender essentialism and gender fluidity, illustrating a broader tension in the history of sexuality in modernity itself. As Petrey details, LDS leaders have embraced the idea of fixed identities representing a natural and divine order, but their teachings also acknowledge that sexual difference is persistently contingent and unstable. While queer theorists have built an ethics and politics based on celebrating such sexual fluidity, LDS leaders view it as a source of anxiety and a tool for the shaping of a heterosexual social order. Through public preaching and teaching, the deployment of psychological approaches to "cure" homosexuality, and political activism against equal rights for women and same-sex marriage, Mormon leaders hoped to manage sexuality and faith for those who have strayed from heteronormativity.

For readers of the Book of Mormon, King Benjamin's speech is a treasure trove of inspiration, wisdom, eloquence, and spiritual insight. King Benjamin's Speech: "That Ye May Learn Wisdom" is the most substantial collection of studies ever to focus exclusively on this landmark address. The contributors examine this speech in the multifaceted contexts in which it was delivered: as a classic speech of a departing leader near the time of his death, as the focus of an annual festival season mandated anciently under the law of Moses, as part of a covenant renewal ceremony delivered within the sacred precinct of the Nephite temple in Zarahemla, and as preparation for the coronation of a new king. Historical and linguistic tools and information are employed in these essays to help the reader to better grasp the speech's historical setting, its doctrinal implications, its literary qualities, its influence then and now, and its overall brilliance.

By the Hand of Mormon Book of Mormon Family Heritage Edition

Introducing a major new doctrinal work written by Elder Jeffrey R. Holland who shares his apostolic witness of the central figure of the Book of Mormon—the Lord Jesus Christ. For most of a decade, Elder Holland has read the Book of Mormon repeatedly and thoroughly, focusing on all references to the Savior and his teachings. The result is an intelligent observation and thorough study of the Book of Mormon's contribution to our understanding of Christ. On the illustrated edition: Elder Holland's classic examination of Jesus Christ as the "principal and commanding figure" in the Book of Mormon is now available as an illustrated keepsake. This landmark book explores what the Book of Mormon reveals about the character, attributes, and mission of our Savior. In his warm and thoughtful style, Elder Holland explains why, more than any other book, the Book of Mormon "has taught me to love the Lord Jesus Christ and to consider the full wonder and grandeur, the eternally resonating power of the atoning sacrifice he made for us." Stunning full-color illustrations by Walter Rane, Robert Barrett, Simon Dewey, Joseph Brickey, and others bring vibrant new life to this beloved volume.

Along with the complete text of the Book of Mormon, this valuable study guide includes in-verse notes and additional insights and commentary. A perfect study companion!

Tabernacles of Clay Cedar Fort

When Joseph Smith presented the Book of Mormon for sale in early 1830, questions surfaced immediately regarding its claim to be an ancient history of America. In this ten-essay compilation, scholars outline the broad contours of contemporary research bearing on this question. Drawing from a variety of disciplines, contributors discuss historicity from the standpoint of physical and cultural anthropology, geography, linguistics, demographics, literary forms, liturgical context, theology, and evolution of the original manuscript to published work. The message of the Book of Mormon is one of socio-economic equality and divine intervention. That message can be obscured by people who revere it as an icon and proof-text rather than read it for understanding. Furthermore, attempts to make the book safe for Sunday school audiences can gloss over context. Returning to a nineteenth-century understanding

restores the book's spiritual rather than symbolic importance. By asking hard questions, contributors modify, even transform, previous theories regarding the nature of LDS scripture. Still, through painstaking research, they share a wealth of fresh perspectives and offer an array of new directions for future investigation.

Mark Twain once derided the Book of Mormon as "chloroform in print." Long and complicated, written in the language of the King James version of the Bible, it boggles the minds of many. Yet it is unquestionably one of the most influential books ever written. With over 140 million copies in print, it is a central text of one of the largest and fastest-growing faiths in the world. And, Grant Hardy shows, it's far from the coma-inducing doorstep caricature by Twain. In *Understanding the Book of Mormon*, Hardy offers the first comprehensive analysis of the work's narrative structure in its 180-year history. Unlike virtually all other recent world scriptures, the Book of Mormon presents itself as an integrated narrative rather than a series of doctrinal expositions, moral injunctions, or devotional hymns. Hardy takes readers through its characters, events, and ideas, as he explores the story and its messages. He identifies the book's literary techniques, such as characterization, embedded documents, allusions, and parallel narratives. Whether Joseph Smith is regarded as author or translator, it's noteworthy that he never speaks in his own voice; rather, he mediates nearly everything through the narrators Nephi, Mormon, and Moroni. Hardy shows how each has a distinctive voice, and all are woven into an integral whole. As with any scripture, the contending views of the Book of Mormon can seem irreconcilable. For believers, it is an actual historical document, transmitted from ancient America. For nonbelievers, it is the work of a nineteenth-century farmer from upstate New York. Hardy transcends this intractable conflict by offering a literary approach, one appropriate to both history and fiction. Regardless of whether readers are interested in American history, literature, comparative religion, or even salvation, he writes, the book can best be read if we examine the text on its own terms.

#1 New York Times Bestseller Winner of the 2014 Living Now Book Award for Inspirational Memoir "An enormously smart, clear-eyed, brave-hearted, and quite personal look at the benefits of meditation." —Elizabeth Gilbert Nightline anchor Dan Harris embarks on an unexpected, hilarious, and deeply skeptical odyssey through the

strange worlds of spirituality and self-help, and discovers a way to get happier that is truly achievable. After having a nationally televised panic attack, Dan Harris knew he had to make some changes. A lifelong nonbeliever, he found himself on a bizarre adventure involving a disgraced pastor, a mysterious self-help guru, and a gaggle of brain scientists. Eventually, Harris realized that the source of his problems was the very thing he always thought was his greatest asset: the incessant, insatiable voice in his head, which had propelled him through the ranks of a hypercompetitive business, but had also led him to make the profoundly stupid decisions that provoked his on-air freak-out. Finally, Harris stumbled upon an effective way to rein in that voice, something he always assumed to be either impossible or useless: meditation, a tool that research suggests can do everything from lower your blood pressure to essentially rewire your brain. 10% Happier takes readers on a ride from the outer reaches of neuroscience to the inner sanctum of network news to the bizarre fringes of America's spiritual scene, and leaves them with a takeaway that could actually change their lives. *Golden Answers* ReadHowYouWant.com

The First Presidency and the Quorum of the Twelve Apostles have established the Teachings of Presidents of the Church series to help you deepen your understanding of the restored gospel and draw closer to the Lord through the teachings of latter-day prophets. As the Church adds volumes to this series, you will build a collection of gospel reference books for your home. This book features the teachings of President Spencer W. Kimball, who served as President of The Church of Jesus Christ of Latter-day Saints from December 30, 1973, to November 5, 1985.

& The World of the Jaredites Millennial PressInc

The Purpose of this two volume series is to make easily available selections from lectures transcribed and published in four volumes as Teachings of the Book of Mormon by Hugh W. Nibley, Professor at Brigham Young University. The Editor text scanned all four volumes of the series to about half the original by eliminating those portions the Editor felt not necessary to the verses under discussion. No other changes were made to the original Nibley four volumes. Readers of the Book of Mormon will benefit from Hugh Nibley's extensive historical and linguistic background from a lifetime of study of ancient documents. The Editor has made an effort to provide full scripture references at the beginning of each paragraph which were not available in the original editions by Hugh Nibley. These references will be helpful to students and teachers of the Book of Mormon. The numbers at the beginning of each paragraph refer to the page number of the First Edition of each of the four volumes and will alert the reader to where omissions may be found in the original four volumes. The Editor has expanded most chapter topic summaries as shown in brackets. Proceeds from this book will be donated to Project Sprouts (www.project-sprouts.com) which is operated by Mondoro Company Ltd which designs and manufactures furniture and accessories in Asia

Book of Mormon Study Guide, Pt. 1 Covenant Communications

If you have a hard time organizing your notes during scripture study, this journal will certainly help. Each page of this journal/notebook represents a chapter in the Book of Mormon. Whether you want to take notes at church during Gospel Doctrine Class or at home while you study Come Follow Me, you will be able to add notes to this journal specific to the chapter and verse you are studying. Use this journal to refer to previous notes, time after time, as you continually study the Book of Mormon. In order to keep the journal relatively small in size, we have split the Book of Mormon into two volumes. The first book covers 1 Nephi through Mosiah while the section book covers Alma through Moroni. We have created this journal in a full notebook size (8.5 by 11.0 inches) because we want to provide you plenty of room to take notes. Any size smaller and we worry you might run out of space on some chapters. Book Details: 57 pages front and back Each page is for a different chapter in the Book of Mormon Each page is split to allow you to reference the verse on the left side of the page and make your notes and comments on the right side of the page Designed on strong sturdy paper to prevent bleed through when writing with pen Dimensions: 8.5 by 11.0 inches Additional blank pages in the back of the book for additional notes if necessary Be sure to order both editions of the Book of Mormon Study Journal as you study the Book of Mormon in your scripture study this year. Having all your study notes in one place has never been easier. If you are studying Church History and the Doctrine and Covenants sometime soon, be sure to find our Doctrine & Covenants Study Journal on Amazon. We have one volume covering church history that takes you through all 138 sections of the Doctrine and Covenants and the Pearl of Great Price. Pick up the Doctrine & Covenants Study Journals the next time you are studying the History of the Church.

Start to Finish, Revised Edition Oxford University Press

This 1840 Book of Mormon was carefully revised by Joseph Smith Jr., and is the last edition he worked on. It is the Third Edition and was published in Nauvoo, Illinois. It was published without an Index or Preface, but does contain the testimony of the Three and Eight Witnesses.

Abiding by Its Precepts Deseret Book

The Book of Mormon for Young Readers presents key scripture stories in a creative and engaging format, designed just for children, to make it easy for them to understand and love the scriptures! Young readers (ages 7-12) can enjoy the scriptures on their own and establish the habit of personal scripture study, which will strengthen their faith and their resolve to live the gospel. Fifty-two exciting chapters are full of features that help make it clear that Jesus is our Savior and that happiness comes from obedience to His teachings.
