Here it is - the first new Catechism of the Catholic Church in more than 400 years, a complete summary of what Catholics around the world commonly believe. The Catechism draws on the Bible, the Mass, the Sacraments, Church tradition and teaching, and the lives of saints. It comes with a complete index, footnotes and cross-references for a fuller understanding of every subject. The word catechism means "instruction" - this book will serve as the standard for all future catechisms. Using the tradition of explaining what the Church believes (the Creed), what she celebrates (the Sacraments), what she lives (the Commandments), and what she prays (the Lord's Prayer), the Catechism of the Catholic Church offers challenges for believers and answers for all those interested in learning about the mystery of the Catholic faith. The Catechism of the Catholic Church is a positive, coherent and contemporary map for our spiritual journey toward transformation.

In the Lord's recovery during the past five hundred years the church's knowledge of the Lord and His truth has been continually progressing. This monumental and classical work by Brother Witness Lee builds upon and is a further development of all that the Lord has revealed to His church in the past centuries. It is filled with the revelation concerning the processed Triune God, the living Christ, the life-giving Spirit, the experience of life, and the definition and practice of the church. In this set Brother Lee has kept three basic principles that should rule and govern every believer in their interpretation, development,

and expounding of the truths contained in the Scriptures. The first principle is that of the Triune God dispensing Himself into His chosen and redeemed people; the second principle is that we should interpret, develop, and expound the truths contained in the Bible with Christ for the church; and the third governing principle is Christ, the Spirit, life, and the church. No other study or exposition of the New Testament conveys the life nourishment or ushers the reader into the divine revelation of God's holy Word according to His New Testament economy as this one does.

The end of the world is coming. From roadside signs to science fiction films, this slogan underscores our society's nervous fascination with the future. Whether it's a giant asteroid, a worldwide plague, or some other global catastrophe, the end of the world is a terrifying prospect—at least for those who have no idea what it will be like. For Christians, however, the end of the world should be anything but dreadful. In fact, it should be something we actually look forward to. Why? Because God has told us how the world will end. And He has assured us that the end of this age will mark the beginning of a new, glorious one in which we will serve and worship Him in sinless perfection. Our eternal hope, as believers, is intimately tied to the end of this world. All of this is laid out in the book of Revelation. Not only is Revelation the inspired Word of God, it is also the only New Testament book that includes a promised spiritual blessing for those who study and apply its message. As such, it is an essential part of every Christian's devotional life. Those who ignore Revelation deprive themselves of a rich treasure of divine truth, and the promised blessings that come from understanding that truth. Join John MacArthur as he explains the book of Revelation in a way that is both doctrinally precise and intensely practical.

Jon Courson's Application Commentary Image

This commentary and study is a scholarly, careful, and very well-researched commentary on Revelation -- without hype or speculation about end-time events. But it's also written from a pastor's heart, seeking to draw the reader into a greater heart after God. Thus, it is also heavy on application, and it contains prayers with and for the reader, throughout -- for his or her growth in Christ. It's designed for the person who desires to understand Revelation, but may feel reluctant, lacking confidence, or fearful to study it. Finally, as the title intends to reveal, the author will demonstrate that the book of Revelation is not merely a book of judgment; it's also a book of grace.
