A Glimpse Into India's Culture
Penguin Random House India
Private Limited

The timeless bestseller on the noble art of leaving things undone. The Importance of Living is a wry, witty antidote to the dizzying pace of the modern world. Lin Yutang's prescription is a classic Chinese philosophy of life: Revere inaction as much as action, invoke humor to maintain a healthy attitude, and never forget that there will always be plenty of fools around who are willing - indeed, eager - to be busy, to make themselves useful, and to exercise power

while you bask in the simple joy of existence. At a time when we're overwhelmed with wake-up calls, here is a refreshing, playful reminder to savor life's simple pleasures. AUTHOR: Lin Yutang was born in 1895 to a mission family and became one of the best-known Chinese scholars and writers. SELLING POINTS: * A timeless classic, that has changed the lives of millions * Brand new design, as part of Prelude Psychology Classics series
Transforming Capitalism Jaico Publishing House
Here's the smartest of them all Summer

vacations are over. As a new academic year begins at Vani Vidyalaya, Arjun's search for a close friend and bench partner goes on, Lakshmi hopes to display her leadership skills, and all the teachers and students seem to be getting fed up of Himalaya's bullying and hurtful pranks. In walks Chanakya, pale and thin, a choti shooting out of his big head, and soon it's clear that Vani Vidyalaya will never be the same

again. Chanakya is witty. Chanakya is smart. He always has a trick up his sleeve. Get ready to join Chanakya, Arjun and the gang on the first of many adventures. Get ready for Chatur Chanakya.

Winning the Chanakya Way

Can you ever forget your true love? Aditya and Riya could never imagine life without each other. Since their accidental meeting two years ago, they have been inseparable until an unexpected tragedy changes the course of their lives forever. Will their love stand the test of time?

From the intoxicating rush of Mumbai and Delhi to the scenic beauty of Manali, Sudeep Nagarkar will take you on an unforgettable journey through life and love.

Thus Spoke Chanakya

Harper Collins

Each and every one of us wants to become successful. We aim to fight and win in businesses, careers, relationships and, ultimately, in life.

However, most of us fail to reach our full potential because of various speed breakers. Chanakya and

the Art of War draws upon lessons from the great teacher, philosopher and strategist Chanakya's masterpiece, Arthashastra, which can help us overcome those speed breakers to become innovative and influential and realize our true potential. Author of the bestselling Inside Chanakya's Mind, Radhakrishnan Pillai decodes the war secrets of Chanakya as relevant to our personal and professional lives. Be it an

army fighting enemy soldiers across the border, the police encountering internal challenges, a politician who wants to win an election, or the common man fighting for survival, Chanakya has a plan for every situation. In the game of life, Chanakya teaches you the winning strategies by putting into practice the Art of War.

EFFECTIVE PUBLIC RELATIONS AND MEDIA STRATEGY, THIRD EDITION Cambridge University Press

An extraordinary detailed manual on statecraft and the science of living by one of classical India's greatest minds; Kautilya; also known as Chanakya and Vishnugupta; wrote the Arthashastra not later than 150 AD though the date has not been conclusively established. Legend has it that he was either a Brahmin from Kerala or from north India; however; it is certain that Kautilya was the man who destroyed the Nanda dynasty and installed

Chandragupta Maurya as the King of Magadha. A master strategist who was well-versed in the Vedas and adept at creating intrigues and devising political stratagems; Kautilya's genius is reflected in his Arthashastra which is the most comprehensive treatise of statecraft of classical times. The text contains fifteen books which cover numerous topics viz.; the King; a complete code of law; foreign policy; secret and

<p>occult practices and so on. The Arthashastra is written mainly in prose but also incorporates 380 shlokas. Artha; literally wealth; is one of four supreme aims prescribed by Hindu tradition. However; it has a much wider significance and the material well-being of individuals is just a part of it. In accordance with this; Kautilya's Arthashastra maintains that the state or government of a country has a vital role to play in maintaining the material</p>	<p>status of both the nation and its people. Therefore; a significant part of the Arthashastra has to do with the science of economics. When it deals with the science of politics; the Arthashastra describes in detail the art of government in its widest sense—the maintenance of law and order as also of an efficient administrative machinery.</p> <p>Katha Chanakya V&S Publishers First day at work: Greenhorn B-school</p>	<p>graduate enters corporate maze. Office Shocks is the quirky and humorous chronicle of a fresh and opinionated recruit trying to fathom his way through the baffling arena of the working world. Along the way he encounters a fickle-minded boss, flirtatious colleagues, an erudite family man with a secret life, all of whom unwittingly set the stage for a very bizarre first day at work.</p> <p>Go Kiss the World Harper Collins ??????? ??????? ??? ? ?????</p>

Experience the Magic of each state and Celebrate the Culture of India with our author, trainer, coach and consultant Ms. Niraalee Shah.

The Three-Box Solution

Random House

When Raghuram G. Rajan took charge as Governor of the Reserve Bank of India in September 2013, the rupee was in free fall, inflation was high, India had a large current account deficit and India's exchange reserves were falling. As measure after measure failed to stabilize markets, speculators sensed a full-blown crisis and labelled India one of the Fragile Five economies. Rajan's response was to go all out, not just to tackle the crisis of

confidence, but also to send a strong message about the strength of India's institutions and the country's ongoing programme of reform. He outlined a vision that went beyond the immediate crisis to focus on long-term growth and stability, thus restoring investor confidence.

Boldness and farsightedness would be characteristic of the decisions he took in the ensuing three years. Rajan's commentary and speeches in *I Do What I Do* convey what it was like to be at the helm of the central bank in those turbulent but exciting

times. Whether on dosanomics or on debt relief, Rajan explains economic concepts in a readily accessible way. Equally, he addresses key issues that are not in any banking manual but essential to growth: the need for tolerance and respect to assure India's economic progress, for instance, or the connection between political freedom and prosperity. *I Do What I Do* offers a front-row view into the thinking of one of the world's most respected economists, one whose commitment to India's

progress shines through in the essays and speeches here. It also brings home what every RBI Governor discovers for himself when he sits down at his desk on the 18th floor: the rupee stops here. Right here! *Chanakya's 7 Secrets of Leadership* Diamond Pocket Books Pvt Ltd

Foreign policy of India is as deeply informed by its civilizational heritage as it is by modern ideas about national interest. The two concepts that come and go most frequently in Indian engagement with the world - from Chanakya in the third century bce to Prime

Minister Narendra Modi in 2017 - are autonomy and independence in decision making. Aparna Pande's *From Chanakya to Modi* explores the deeper civilizational roots of Indian foreign policy in a manner reminiscent of Walter Russel Mead's seminal *Special Providence* (2001). It identifies the neural roots of India's engagement with the world outside.

Chanakya on Management PHI Learning Pvt. Ltd.

The incredible story of the man behind TOMS Shoes and One for One, the revolutionary business model that marries fun,

profit, and social good “A creative and open-hearted business model for our times.”—The Wall Street Journal

Why this book is for you:

- You're ready to make a difference in the world—through your own start-up business, a nonprofit organization, or a new project that you create within your current job.
- You want to love your work, work for what you love, and have a positive impact on the world—all at the same time.
- You're inspired by charity: water, method, and FEED Projects and want to learn

how these organizations got their start. • You're curious about how someone who never made a pair of shoes, attended fashion school, or worked in retail created one of the fastest-growing footwear companies in the world by giving shoes away. • You're looking for a new model of success to share with your children, students, co-workers, and members of your community. You're ready to start something that matters. With every book you purchase, a new book will be provided to a child in need. One for One.™

Chanakya in You Pack (4 Volumes) Puffin Books
Why should we be good?
How should we be good?
And how might we more deeply understand the moral and ethical failings--splashed across today's headlines--that have not only destroyed individual lives but caused widespread calamity as well, bringing communities, nations, and indeed the global economy to the brink of collapse? In *The Difficulty of Being Good*, Gurcharan

Das seeks answers to these questions in an unlikely source: the 2,000 year-old Sanskrit epic, *Mahabharata*. A sprawling, witty, ironic, and delightful poem, the *Mahabharata* is obsessed with the elusive notion of dharma--in essence, doing the right thing. When a hero does something wrong in a Greek epic, he wastes little time on self-reflection; when a hero falters in the *Mahabharata*, the action stops and everyone weighs in with a different

and often contradictory take on dharma. Each major character in the epic embodies a significant moral failing or virtue, and their struggles mirror with uncanny precision our own familiar emotions of anxiety, courage, despair, remorse, envy, compassion, vengefulness, and duty. Das explores the Mahabharata from many perspectives and compares the successes and failures of the poem's characters to those of

contemporary individuals, many of them highly visible players in the world of economics, business, and politics. In every case, he finds striking parallels that carry lessons for everyone faced with ethical and moral dilemmas in today's complex world. Written with the flair and seemingly effortless erudition that have made Gurcharan Das a bestselling author around the world--and enlivened by Das's forthright

discussion of his own personal search for a more meaningful life--The Difficulty of Being Good shines the light of an ancient poem on the most challenging moral ambiguities of modern life. Narendra Modi Jaico Publishing House Canakya's Arthasastra deals with the different aspects of managing a kingdom, including management of men. The principles contained in Canakya's work have the unique distinction of being used successfully in

practice to achieve good results on a sustainable basis. The management principles used in the USA or in Japan are derived from their own cultural background. There exists enough evidence to show that these systems, even when meticulously and earnestly adopted in India, rarely take roots or produce the desired results. We need to look for those principles that make sense in our own social and work culture and which would hopefully deliver better results for all concerned - the customers,

the investors, the employees and the society. This book on the management philosophy and practice of Chanakya is the author's earnest attempt to help Indian readership to become familiar with the great work of the First Total Management Guru of the world.

Chanakya and the Art of War
Rupa Publications

Life is unpredictable and full of challenges. One wrong step and everything can come crashing down. In such a scenario, one often wishes for a roadmap of life, but how is that possible? Bestselling

author Radhakrishnan Pillai's much-anticipated book, *Chanakya in Daily Life*, will help you navigate the rough seas of life and stay on course. Covering all aspects of life from the personal to the professional, it will tell you everything from how to begin your day to how to end it, how to choose the right job, stay financially secure, have a happy married life, raise your children the right way, achieve the perfect work-life balance and much more. Like always, Pillai decodes and simplifies the visionary king-maker Chanakya's teachings from the *Arthashastra* and *Chanakya Niti* to provide solutions for any

problem that might crop up in any aspect of your life. Thus, Chanakya in Daily Life is the perfect guru who expects only one thing from the shishya-a willingness to learn.

Chanakya in You Jaico Publishing House

The 21st century dawned with capitalism on the ascendant across the world and communism and socialism fading out.

Simultaneously, there was a realization that chronic problems of environmental degradation, persistent poverty, and inequity between those who have the means to have more

and those who have not, must be addressed much more effectively. Capitalism must now transform itself to provide the solutions.

Business corporations are the growth engines and beneficiaries of capitalism.

Therefore, it is up to business leaders to engage civil society and co-create the new models that will enable capitalism and corporations to improve the world for everyone.

Transforming Capitalism provides a collection of thought-pieces and stories to facilitate the dialogue

between business managers and civil society that has become imperative. It is a field-book to assist business managers on their journey to discover their new role and develop the new management concepts they need.

Harvard Business Review Press

Chanakya was both a destructive and creative thinker able to annihilate an established empire and erect and establish another larger, richer and greater on the debris, without money, material and man. So, he is the only qualified person in

human history to be Guru; Acharya; Teacher; Guide and Mentor in the field of Management. With his super mind and supreme determination he succeeded in everything and everywhere; and wrote down everything without inhibitions or secrecy for the posterity in his three monumental works: Chanakya Niti; Chanakya Sutra and Kautilya Arthashastra. read this book Chanakya: Rules of Governance by the Guru of Governance for all the details of his life; legendary books, and secrets of success in any or every field of Management. Importance of Living Jaico Publishing House

Strategies for Success “An action contemplated shouldn’t ever be advertised; But kept a secret like a mantra, and revealed in time.” We all feel stuck at times. There could be many reasons for this—issues at work, unhappy family life, financial troubles or embarrassing social situations. Most of us could use a little advice in these circumstances. Chanakya Neeti provides precisely that guidance to face life’s many daunting

challenges. Chanakya, the great thinker and teacher, is wellknown for his insights into the needs of both the privileged and the masses. The original Chanakya Neeti was written over two thousand years ago, but its brilliant verses are still applicable today because the basic quests of man remain the same—peace, prosperity and happiness. In this volume, Radhakrishnan Pillai offers a modern interpretation of Chanakya’s crisp and

practical maxims in his characteristic easytofollow and elegant prose. Imbibe Chanakya's wisdom to break loose from the web of troubles and create the life you desire on your terms. Radhakrishnan Pillai is the bestselling author of Corporate Chanakya, Chanakya's 7 Secrets of Leadership, Chanakya in You, Katha Chanakya and Thus Spoke Chanakya. He has a Master's degree in Sanskrit and has done his PhD in Kautilya's

Arthashastra. A renowned management consultant and speaker, he is the Deputy Director of the Chanakya International Institute of Leadership Studies (CIILS) at the University of Mumbai. He tweets using the handle @rchanakyapillai and is also active on other major social media platforms. **Chatur Chanakya and the Himalayan Problem** Random House India Chanakya's Arthashastra is an unrivalled political treatise that has been

used by scholars, academics and leaders across the world. In Chanakya and the Art of Getting Rich, Radhakrishnan Pillai brings out the inherent lessons from Arthashastra to present a strategic and practical way of wealth creation. This is a holistic study, written for anyone and everyone.
