According to the American Institute of Professional Bookkeepers AIPB, the Certified Bookkeeper designation establishes the level of knowledge and skill needed to carry out all key book keeping functions. The certification process requires passing an examination, proving 2 years' experience in bookkeeping, signing a code of ethics, plus meeting ongoing continuing education requirements. To assure exam success, you are advised to study beyond the level of a bookkeeper (keep in mind, many of those who sit in the certification board are CPAs).

Instead of relying on just the standard workbook material, you need to read and learn more to guarantee a pass. That's why we come up with this ExamFOCUS topic review notes - we give you advanced knowledge material to enhance your exam readiness - we help answer those tough questions that cover advanced knowledge and concepts not found in the standard material.
