The Assassination of Margaret Thatcher HarperCollins UK

Winner of the 2012 Man Booker Prize Winner of the 2012 Costa Book of the Year Award The sequel to Hilary Mantel's 2009 Man Booker Prize winner and New York Times bestseller, Wolf Hall delves into the heart of Tudor history with the downfall of Anne Boleyn Though he battled for seven years to marry her, Henry is disenchanted with Anne Boleyn. She has failed to give him a son and her sharp intelligence and audacious will alienate his old friends and the noble families of England. When the discarded Katherine dies in exile from the court, Anne stands starkly exposed, the focus of gossip and malice. At a word from Henry, Thomas Cromwell is ready to

bring her down. Over three terrifying weeks, Anne is ensnared in a web of conspiracy, while the demure Jane Seymour stands waiting her turn for the poisoned wedding ring. But Anne and her powerful family will not yield without a ferocious struggle. Hilary Mantel's Bring Up the Bodies follows the dramatic trial of the queen and her suitors for adultery and treason. To defeat the Boleyns, Cromwell must ally with his natural enemies, the papist aristocracy. What price will he pay for Anne's head? Bring Up the Bodies is one of The New York Times' 10 Best Books of 2012, one of Publishers Weekly's Top 10 Best Books of 2012 and one of The Washington Post's 10 Best Books of 2012

How Much of These Hills Is Gold

Bloomsbury Publishing
New York Times
bestselling author

Hilary Mantel, two-time winner of the Man Booker Prize, is one of the world ’ s most accomplished and acclaimed fiction writers. Giving Up the Ghost, is her dazzling memoir of a career blighted by physical pain in which her singular imagination supplied compensation for the life her body was denied. Selected by the New York Times as one of the 50 Best Memoirs of the Past 50 Years “ The story of my own childhood is a complicated sentence that I am always trying to finish, to finish and put behind me. ” In postwar rural England, Hilary Mantel grew up convinced that the most extraordinary feats

were within her grasp. But at nineteen, she became ill. Through years of misdiagnosis, she suffered patronizing psychiatric treatment and destructive surgery that left her without hope of children. Beset by pain and sadness, she decided to “write herself into being” — one novel after another. This wry and visceral memoir will certainly bring new converts to Mantel’s dark genius. “Mesmerizing.” —The New York Times

Learning to Talk: Short stories Picador

A taut and terrifying trip into a distorting mirror--a novel as tense, immediate, and chilling as the world it depicts. "A Middle

Eastern Turn of the Screw with an insidious power to grip."-Time Out

Giving Up the Ghost Picador

England, the 1520s. Henry VIII is on the throne, but has no heir. Cardinal Wolsey is his chief advisor, charged with securing the divorce the pope refuses to grant. Into this atmosphere of distrust and need comes Thomas Cromwell, first as Wolsey's clerk, and later his successor. Cromwell is a wholly original man: the son of a brutal blacksmith, a political genius, a briber, a charmer, a bully, a man with a delicate and deadly expertise in

manipulating people and events. Ruthless in pursuit of his own interests, he is as ambitious in his wider politics as he is for himself. His reforming agenda is carried out in the grip of a self-interested parliament and a king who fluctuates between romantic passions and murderous rages. From one of our finest living writers, WOLF HALL that very rare thing: a truly great English novel, one that explores the intersection of individual psychology and wider politics. With a vast array of characters, and richly overflowing with incident, it peels back history to show us

Tudor England as a half-made society, moulding itself with great passion and suffering and courage.

Trivia-on-Book: Wolf Hall by Hilary Mantel
Take the challenge yourself and share it with friends and family for a time of fun!

Thomas Cromwell was born to Walter Cromwell, a blacksmith from Putney. At the age of fifteen, Cromwell decided to leave the abusive hold of his father and free himself from tyranny by journeying to Europe. When he returned to England, he became a lawyer, then assistant to the Lord Chancellor at the time, Cardinal Wolsey. Once Wolsey fell from grace and died, Cromwell

gradually rose through the ranks to become the chief minister of King Henry VIII. Wolf Hall explores the Tudor court from Cromwell's point of view, keeping as close to history as possible in this work of fiction. Wolf Hall was very well received and won a number of awards, including the prestigious Man Booker Award in 2009 and the National Book Critics Circle Award. You may have read the book, but not have liked it. You may have liked the book, but not be a fan. You may call yourself a fan, but few truly are. Are you a fan? Angel Macmillan
Perhaps every novelist harbors a monster at heart, an irrepressible and utterly irresponsible fantasist,

not to mention a born and ingenious liar, without which all her art would go for naught. Angel, at any rate, is the story of such a monster. Angelica Deverell lives above her diligent, drab mother's grocery shop in a dreary turn-of-the-century English neighborhood, but spends her days dreaming of handsome Paradise House, where her aunt is enthroned as a maid. But in Angel's imagination, she is the mistress of the house, a realm of lavish opulence, of evening gowns and peacocks. Then she begins to write popular novels, and this fantasy becomes her life. And now that she has tasted

success, Angel has no intention of letting anyone stand in her way—except, perhaps, herself.

Holt Paperbacks
Hailed as a "writer of subtlety and depth," Hilary Mantel turns her dark genius on the world of psychics in this smart, unsettling novel (Joyce Carol Oates) A paragon of efficiency, Colette took the next natural step after finishing secretarial school by marrying a man who would do just fine. After a sobering, do-it-yourself divorce, Colette is at a loss for what to do next. Convinced that she is due an out-of-hand, life-affirming revelation, she strays into the

realm of psychics and clairvoyants, hungry for a whisper to set her off in the right direction. At a psychic fair in Windsor she meets the charismatic Alison. Alison, the daughter of a prostitute, beleaguered during her childhood by the pressures of her connection to the spiritual world, lives in a different kind of solitude. She cannot escape the dead who speak to her, least of all the constant presence of Morris, her low-life spiritual guide. An expansive presence onstage, Alison at once feels her bond with Colette, inviting her to join her on the road as her personal assistant and companion.

Troubles spiral out of control when the pair moves to a suburban wasteland in what was once the English countryside and take up with a spirit guide and his drowned therapist. It is not long before Alison's connection to the place beyond black threatens to uproot their lives forever. This is Hilary Mantel at her finest- insightful, darkly comic, unorthodox, and thrilling to read. *Bring Up the Bodies* Holt Paperbacks The long-awaited biography of the genius who masterminded Henry VIII's bloody revolution in the English government, which reveals at last Cromwell's role in the downfall of Anne

Boleyn "This a book that - and it's not often you can say this - we have been awaiting for four hundred years." --Hilary Mantel, author of *Wolf Hall* Since the sixteenth century we have been fascinated by Henry VIII and the man who stood beside him, guiding him, enriching him, and enduring the king's insatiable appetites and violent outbursts until Henry ordered his beheading in July 1540. After a decade of sleuthing in the royal archives, Diarmaid MacCulloch has emerged with a tantalizing new understanding of Henry's mercurial chief minister, the inscrutable and utterly

compelling Thomas Cromwell. History has not been kind to the son of a Putney brewer who became the architect of England's split with Rome. Where past biographies portrayed him as a scheming operator with blood on his hands, Hilary Mantel reimagined him as a far more sympathetic figure buffered by the whims of his master. So which was he--the villain of history or the victim of her creation? MacCulloch sifted through letters and court records for answers and found Cromwell's fingerprints on some of the most transformative decisions of Henry's turbulent reign. But he

also found Cromwell the man, an administrative genius, rescuing him from myth and slander. The real Cromwell was a deeply loving father who took his biggest risks to secure the future of his son, Gregory. He was also a man of faith and a quiet revolutionary. In the end, he could not appease or control the man whose humors were so violent and unpredictable. But he made his mark on England, setting her on the path to religious awakening and indelibly transforming the system of government of the English-speaking world.

Booker Prize and hugely successful stage plays in London's West End and on Broadway, *Wolf Hall* and *Bring Up the Bodies* bring history to life for a whole new audience having now been adapted into a six-part television series by the BBC and PBS Masterpiece.

England in the 1520s is a heartbeat from disaster. If the king dies without a male heir, the country could be destroyed by civil war. Henry VIII wants to annul his marriage of twenty years and marry Anne Boleyn. The pope and most of Europe oppose him. Into this impasse steps Thomas Cromwell: a wholly original man, a charmer and a bully, both idealist and opportunist, master of deadly intrigue, and implacable in his ambition.

Wolf Hall Wolf Hall
"Hilary Mantel's novels are the most formidable literary achievements of recent times, both recipients of the Man Booker Prize. Adapted by Mike Poulton, the plays were premiered by the Royal Shakespeare Company at the Swan Theatre, Stratford-upon-Avon, in December 2013, directed by Jeremy Herrin. - This edition contains a substantial set of notes by Hilary Mantel on each of the principal characters, offering a unique insight into the plays and an invaluable resource to any reader looking for an even deeper understanding of Mantel's historical creations - A North

American production is expected in 2015. - Taken together Wolf Hall and Bring Up the Bodies have sold more than 3 million copies and have been translated into 36 languages"--
Fludd Macmillan
The brilliant #1 New York Times bestseller Named a best book of 2020 by The New York Times, The Washington Post, TIME, The Guardian, and many more With The Mirror & the Light, Hilary Mantel brings to a triumphant close the trilogy she began with her peerless, Booker Prize-winning novels, Wolf Hall and Bring Up the Bodies. She traces the final years of Thomas

Cromwell, the boy from nowhere who climbs to the heights of power, offering a defining portrait of predator and prey, of a ferocious contest between present and past, between royal will and a common man's vision: of a modern nation making itself through conflict, passion and courage. The story begins in May 1536: Anne Boleyn is dead, decapitated in the space of a heartbeat by a hired French executioner. As her remains are bundled into oblivion, Cromwell breakfasts with the victors. The blacksmith's son from Putney emerges from the spring's bloodbath to continue his climb to power and wealth, while his formidable master, Henry VIII, settles to short-lived happiness with his third queen, Jane Seymour. Cromwell, a man with only his wits to rely on, has no great family to back him, no private army. Despite rebellion at home, traitors plotting abroad and the threat of invasion testing Henry's regime to the breaking point, Cromwell's robust imagination sees a new country in the mirror of the future. All of England lies at his feet, ripe for innovation and religious reform. But as fortune's wheel turns, Cromwell's enemies are gathering in the shadows. The

inevitable question remains: how long can anyone survive under Henry ' s cruel and capricious gaze? Eagerly awaited and eight years in the making, *The Mirror & the Light* completes Cromwell ' s journey from self-made man to one of the most feared, influential figures of his time. Portrayed by Mantel with pathos and terrific energy, Cromwell is as complex as he is unforgettable: a politician and a fixer, a husband and a father, a man who both defied and defined his age. *The Mirror and the Light* Penguin Our greatest living writer. Six of her best novels. Wolf hall Anchor Canada

In the ruthless arena of King Henry VIII's court, only one man dares to gamble his life to win the king's favor and ascend to the heights of political power England in the 1520s is a heartbeat from disaster. If the king dies without a male heir, the country could be destroyed by civil war. Henry VIII wants to annul his marriage of twenty years, and marry Anne Boleyn. The pope and most of Europe opposes him. The quest for the king's freedom destroys his adviser, the brilliant Cardinal Wolsey, and leaves a power vacuum. Into this impasse steps Thomas Cromwell. Cromwell is a wholly original man, a charmer and a bully, both idealist and opportunist, astute in reading people and a demon of energy:

he is also a consummate politician, hardened by his personal losses, implacable in his ambition. But Henry is volatile: one day tender, one day murderous. Cromwell helps him break the opposition, but what will be the price of his triumph? In inimitable style, Hilary Mantel presents a picture of a half-made society on the cusp of change, where individuals fight or embrace their fate with passion and courage. With a vast array of characters, overflowing with incident, the novel re-creates an era when the personal and political are separated by a hairbreadth, where success brings unlimited power but a single failure means death.

[Bring Up the Bodies: The Conclusion to PBS](#)

Masterpiece's Wolf Hall

Henry Holt and Company From the two-time Man Booker winner, the story of the 18th Century Irish giant, Charles O'Brien. Charles O'Brien, bard and giant. The cynical are moved by his flights of romance; the craven stirred by his tales of epic deeds. But what of his own story as he is led from Ireland to seek his fortune beyond the seas in England? The Surprising Irish Giant may be the sensation of the season but only his compatriots seem to attend to his mythic powers of invention. John Hunter, celebrated surgeon and anatomist, buys dead men from the gallows and babies' corpses by the inch. Where is a man as unique as The Giant to hide his bones when he is yet alive? The Giant, O' Brien is an unforgettable novel; lyrical, shocking and spliced with black comedy.

[Wolf Hall & Bring Up the Bodies: The Stage Adaptation](#) Macmillan
A New York Times Book Review Notable Book of the Year It

was the year after Chappaquiddick, and all spring Carmel McBain had watery dreams about the disaster. Now she, Karina, and Julianne were escaping the dreary English countryside for a London University hall of residence.

Interspersing accounts of her current position as a university student with recollections of her childhood and an ever difficult relationship with her longtime schoolmate Karina, Carmel reflects on a generation of girls desiring the power of men, but fearful of abandoning what is expected and proper. When these bright but confused young women land in late 1960s

London, they are confronted with a slew of new preoccupations--sex, politics, food, and fertility--and a pointless grotesque tragedy of their own. Hilary Mantel's magnificent novel examines the pressures on women during the early days of contemporary feminism to excel--but not be too successful--in England's complex hierarchy of class and status.
