*Boot-Camp* Scholastic Inc.  
IT'S A PUSS IN UTES!A tale about a very large tomcat named Pepper Parker and his unexpected adventure into the Marine Corps' way of life. Early one fateful morning he was at the wrong place at the wrong time--Recruit Receiving at Parris Island, SC. Pepper had gone to meet his cousin Danny on the incoming bus. When Danny failed to appear, the Marine drill instructors thought Pepper was the expected recruit and tried to put him through training. The poor cat insisted that he was an "accidental recruit," but the Marines didn't believe him. The recruiters had sent them some peculiar recruits before, but this one took the cake. It was up to the drill instructors to do whatever was necessary to make him into the best Marine possible. Failure to do the impossible was not in their genes. Pepper's mistress, Jessie Lee, his brother, Bubba Billy and an assortment of animal characters calling themselves The Pet Pals, keep the action moving at a high pitch during the tomcat's incarceration at Parris Island. A great story to share with the kids so they can see what Mom, Dad or a sibling went through in Marine boot camp.

adventure into the Marine Corps' way of life.  
Wish You Were Dead MP Publishing  
When Nick and Kia are invited to former Toronto Raptor Jerome "Junk Yard Dog" Williams' basketball camp in Washington, DC, they quickly discover that this is no ordinary summer hoop camp. This is a basketball boot camp that focuses on discipline and hard work. Jerome and Johnnie's father, "Sergeant Push-up" to the campers, is the no-nonsense camp director. When scrimmages begin, Nick and Kia fall victim to the antics of their teammate Jamal, a talented but troubled player who tries to win games on his own. Only after some hard lessons-and some tough losses-do the three youngsters learn that it takes everyone on the team to accomplish real success.

In a gripping novel with a plot pulled from the headlines, Todd Strasser turns his attention to gang life in the inner-city projects. DeShawn is a teenager growing up in the projects. Most of his friends only see one choice: join up to a gang. DeShawn is smart enough to want to stay in school and make something more of himself, but when his family is starving while his friends have fancy bling and new sneakers, DeShawn is forced to decide--is his integrity more important than feeding his family?  
**The Anatomy of Fascism** Simon & Schuster Books for Young Readers

Here we go again! This time Jake Sherman is trapped in the first day of sleepaway camp. And he better figure out how to get untrapped fast because if he has to eat another meal of American Chop Suey he's gonna barf!  
**Boot Camp** Simon and Schuster  
A sharp, dark, humorous debut about a teenage commando wannabe who runs amok in a boot camp for juvenile delinquents. Fourteen-year-old Loren is obsessed with all things military: Special Forces, secret missions, rules, and regulations — it's all so finite and orderly. Especially compared to other parts of Loren's life. His mom, for example, keeps introducing him to a string of loser boyfriends, and the latest one, the golf pro, is so irritating that Loren decides to stage a night raid and vandalize his beloved golf course. When the mission goes embarrassingly awry, Loren's mom sends him to 'Camp Ascend!', where a dedicated staff of specialists are trained to whip 'mixed-up' teens back into shape. Or so it seems. What Loren's mom doesn't know — and what Loren soon discovers — is that 'Camp Ascend!' is actually a scam run by an ex-con nicknamed 'the Colonel', his ditzy, overly tanned wife, and her manic, kid-hating brother. And so Loren finally has a real-life mission: to free himself and his new posse of delinquent friends from 'Camp Ascend!' and to take the place down.  
**GRIZZLY ATTACK: AGAINST THE ODDS** Simon and Schuster  
From award-winning author Todd Strasser comes a gripping new novel that explores the struggles of war, the price paid by those who fight in them, and what it really means to be a hero. Jake Liddell is a hero. At least, that's what everyone says he is. The military is even awarding him a Silver Star for his heroic achievements—a huge honor for the son of a military family. Now he's home, recovering from an injury, but it seems the war has followed him back. He needs pills to get any sleep, a young woman is trying to persuade him into speaking out against military recruitment tactics, and his grandfather is already urging him back onto the battlefield. He doesn't know what to do; nothing makes sense anymore. There is only one thing that Jake knows for certain: he is no hero.  
**A Wild Marine's Boot Camp Tale**

iUniverse

When Leyton and Wade Tardy agree to help their friend Daisy hide a dog at school, they have no idea what they're getting themselves into.

**Cut Back** Simon and Schuster

In this convincing, crisply written novel, Strasser tackles head-on a very real middle-school predicament--the price one can be tempted to pay for popularity. Referring to herself throughout in the second person, narrator Lauren immediately draws readers into her life as she explains that she and her best friend Tara are eating lunch in that part of the cafeteria she dubs "the realm of the socially inferior," while the popular girls sit at the "Don't-You-Wish-You-Were-Me table." Though she longs to be part of the in-crowd, Lauren lacks the confidence to even attempt to belong; she refuses to wear makeup, for example, because she fears that her classmates would "snigger and say you were trying to be an A-list girl. It's safer not to try." The author carefully tracks the girl's growing self-confidence after Celeste, an outgoing new girl who instantly becomes a member of the elite group, befriends Lauren and convinces her to run with her for co-treasurer in their class elections. Unlike Lauren, basking in the glow of her new popularity, readers will pick up on the numerous clues that the manipulative, plotting Celeste is hardly trustworthy. Strasser caps his story with a believable denouement, in which Lauren learns a painful lesson about the value of genuine friendship and of confidence that comes from within.

**Free Willy** Simon and Schuster

Impact Zone: The most dangerous part of the wave You gotta beat it...or you'll eat it. Ever since he went up against the locals and broke into the lineup, Kai has had his own crew. Spazzy is a summer kid with a lot of fancy gear. He looks like a total shubee. But on the board he's good, really good -- despite everything going against him. The Spazz wants to be in the local competition, but he can't do it without Kai. Kai knows there's no way Spazzy can win against Lucas, the local hero. But Kai would never let a brah down....

**The Story of Life** Scholastic

What is fascism? By focusing on the concrete: what the fascists did, rather than what they said, the esteemed historian Robert O. Paxton answers this question. From the first violent uniformed bands beating up "enemies of the

state," through Mussolini's rise to power, to Germany's fascist radicalization in World War II, Paxton shows clearly why fascists came to power in some countries and not others, and explores whether fascism could exist outside the early-twentieth-century European setting in which it emerged. "A deeply intelligent and very readable book. . . . Historical analysis at its best." --The Economist The Anatomy of Fascism will have a lasting impact on our understanding of modern European history, just as Paxton's classic Vichy France redefined our vision of World War II. Based on a lifetime of research, this compelling and important book transforms our knowledge of fascism--"the major political innovation of the twentieth century, and the source of much of its pain."

**The Wave** Scholastic Paperbacks

"[H]aunting and harrowing." --Booklist (starred review) "Vivid, distressing, and all too real." --Kirkus Reviews In this 20th anniversary edition of Todd Strasser's gut-wrenching and critically acclaimed Give a Boy a Gun, two boys bring guns to school in search of revenge against their classmates. For as long as they can remember, Brendan and Gary have been mercilessly teased and harassed by the jocks who rule Middletown High. But not anymore. Stealing a small arsenal of guns from a neighbor, they take their classmates hostage at a school dance. In the panic of this desperate situation, it soon becomes clear that only one thing matters to Brendan and Gary: revenge. This special 20th anniversary edition includes updated backmatter and statistics on school shootings--a topic that is now more relevant than ever.

**Boot Camp** Flamingo Fiction 9-13s

The cops cracked down on illegal races, and now the only street racing around is at the hottest casino on the strip. The casino owner is starting his own high-stakes, high-payoff drift team -- and there's little he wouldn't do to have Sin City's best drifter. Kennin's under pressure to quit the scene and get his life back on track. But when he's offered five grand to fix his ride -- and the promise of enough cash to take care of his problems -- Kennin knows exactly what he has to do. No matter what the catch.

**Boot Camp** Carolrhoda Books

Whitney isn't fat. But unfortunately for her, she doesn't belong on the cover of a fitness magazine either. Always the last person picked in gym class when she was in high school and the first person to complain about running just one mile, Whitney finally decides enough is enough. Risking her unathletic being - and maybe even her sanity - she signs up for a strict fitness boot camp consisting of more exercise than she's ever seen in her eighteen years of living. Little does she know, this camp will be full of surprises, especially one by the name of Axel Chandler...
