This book contains William Thackeray's 1838 novel, "The Yellowplush Papers". Written in what was supposed to be a footman's version of English, this book tells the story of Charles J. Yellowplush's different masters: one of whom sweeps a street crossing - and the other is an astute nobleman who gets ensnared in a very clever matrimonial trap set by his own father. A fantastic novel characteristic of Thackeray's masterful writing ability, "The Yellowplush Papers" is highly recommended for fans and collectors of his work, and would make for a worthy addition to any bookshelf. William Makepeace Thackeray (1811 - 1863), was an esteemed English novelist during the nineteenth century. He became famous for his satirical novels, the most important and influential of which was "Vanity Fair". Many vintage texts such as this are increasingly hard to come by and expensive, and it is with this in mind that we are republishing this volume now in an affordable, modern, high-quality edition. It comes complete with a specially commissioned new biography of the author.

When you hear Charles Dickens you most likely think 'please sir, can I have some more?' or imagine Mr Scrooge (or Scrooge McDuck if you're feeling 90's nostalgic) snapping at Tiny Tim. That was not always the case, in "The Pickwick Papers", Charles Dickens' first novel, cottage core meets comedy. That's right, he was funny too. Mr Pickwick and his faithful sidekick Sam Weller travel through the English countryside on humorous adventures and escapades, collecting stories to relay to their club members in London. This is a novel full of contrast. Extensive travel, parties,

food, booze and romance juxtaposed with prison, misunderstandings, corruption and fights. With nods to Don-Quixote, this novel is one of the most popular stories of all time. A panoramic view of life in England in the 1830's, whose background may have changed substantially, but whose humane stories remain as interesting as ever. Charles Dickens (1812-1870) was an English author, social critic, and philanthropist. Much of his writing first appeared in small instalments in magazines and was widely popular. Among his most famous novels are Oliver Twist (1839), David Copperfield (1850), and Great Expectations (1861).

**Booker T. Washington Papers Volume 12** EduGorilla Community Pvt. Ltd.

Teaching American women's literature at New England's prestigious Enfield College has shown Karen Pelletier just how cutthroat the world of academe can be. But nothing in her tenure has prepared her for the perils to come, as this bastion of higher learning throws open its doors to a cleverly calculating killer. A battered copy of Charlotte Brontë's Jane Eyre leads Professor Karen Pelletier to the long-forgotten novels of an obscure writer named Serena Northbury. When she decides to pen the author's biography, she sets off a raging controversy. Everyone, from her esteemed colleagues to her tyrannical department head, regards Northbury's nineteenth-century writings as trash. But when the intrepid researcher stumbles upon a treasure trove of Northbury's papers--including what looks very much like an unpublished novel--Karen knows she cannot quit, for what could be more thrilling? Unfortunately, someone takes exception to Karen's penchant for digging up the past. Before long, she is the unlikely suspect in a homicide--and the target of an erudite killer who is poised to kill again. From the Paperback edition.

The Tata Institute of Social Sciences, abbreviated as TISS is the first university of social work in India, deemed by the University Grants Commission (UGC). It was established in 1936 and until 1944, TISS was known as Sir Dorabji Tata Graduate School of Social Work. The institute offers as many as 53 postgraduate study programs at its four campuses situated at Mumbai, Guwahati, Hyderabad, and Tuljapur. TISS conducts a National Entrance Test known as TISSNET to induct eligible candidates for these study programs. TISSNET is a computer-based test with an overall test duration of 100 minutes. The paper comprises Multiple Choice Questions (MCQs) on three sections namely General Awareness, Mathematical & Logical Reasoning, and English. There are no sectional cutoffs in TISSNET, students are selected based on overall cutoffs. To help the students prepare efficiently for the exam, EduGorilla offers an exhaustive collection of TISSNET mock tests and TISSNET online test series. These TISSNET mock tests and TISSNET online test series cater to TISSNET aspirants and help them improve upon their performance.
