The Story of the Norwich Boot and Shoe Trade John Hunt Publishing

New York Times bestselling author Catherine Anderson presents an emotionally compelling story about the hard as nails, fiercely loyal Harrigan family. Faking her own death to escape her murderous husband, Rainie Hall takes refuge in the rural community of Crystal Falls, Oregon, where she starts work as a bookkeeper on a horse ranch run by rugged, dangerously good-looking Parker Harrigan. Parker's word is his honor, and he can't tolerate liars. When he realizes that Rainie hasn't been truthful with him, he's furious, then concerned. Clearly she's a woman in trouble and if she'll trust him, he'll do right by her. But as their attraction blossoms into a deep and thrilling passion, Rainie fears that her mere presence could jeopardize everything the Harrigan family holds dear....

Shoe and Leather Reporter BRILL

A three-level series of grammar reference and practice books for teenage and young adult learners. Active Grammar Level 1 covers all the grammar taught at A1-A2 (CEF) level. The book presents grammar points in meaningful context through engaging and informative texts, followed by clear explanations and useful tips that highlight common mistakes usually made by low-level learners. Exam-style exercises provide plenty of challenging practice and encourage students to apply their own ideas creatively to grammar learning. A large number of contrastive revision exercises in the book and on the CD-ROM allow students to assess and monitor their progress at regular intervals. This version without answers and CD-ROM is suitable for classroom use and self-study.

I Am Woman, Hear Me Snore Penguin

New York Times bestselling author Jaci Burton celebrates the gift of love and the holiday season with a snowy Christmas wedding at the Bellini family vineyard. Stranded at the Red Moss Vineyard a week before her best friend's wedding, LA native and professional matchmaker Alice Weatherford is not pleased with her first trip to Oklahoma, or the epic snowstorm forcing her to stay. So much for Christmas cheer. What she needs is a project, something to distract her...and, oh, has she found one in neighboring rancher Clay Henry. Gorgeous, charming, and unlike any other man she's ever met, finding the right woman for Clay should be easy... Having grown up with the Bellini sisters, it's no hardship for Clay to ride out the storm at their cozy family vineyard, especially since that means spending time with their savvy and smart houseguest. But despite Alice's best efforts, he's not the least bit interested in her matchmaking... Alice is the only woman Clay wants. Now he just has to convince the matchmaker herself to give love a chance.

In response to the irregular warfare challenges facing the U.S. in Iraq and Afghanistan in 2005, General James Mattis—then commander of Marine Corps Combat Development Command—established a new Marine Corps cultural initiative. The goal was simple: teach Marines to interact successfully with the local population in areas of conflict. The implications, however, were anything but simple: transform an elite military culture founded on the principles of "locate, close with, and destroy the enemy" into a "culturally savvy" Marine Corps. Culture in Conflict: Irregular Warfare, Culture Policy, and the Marine Corps examines the conflicted trajectory of the Marine Corps' efforts to institute a radical culture policy into a military organization that is structured and trained to fight conventional wars. More importantly, however, it is a compelling book about America's shifting military identity in a new world of unconventional warfare.

If you know Reading, Berkshire, then read on, and even if you don't read on anyway. This novel encapsulates a special bond between two sisters living in Caversham on the outskirts of Reading. Eventually, the elder sibling comes to see her life as one without the rewards she believes she so richly deserves; maybe her experience of different traumas will now result in something else, possibly something worse. Elsa, the youngest of these sisters, has diabetes. Could her diabetes provide the solution to another problem?

English Language Teaching Matters How2Become Ltd

Unique and exciting, this ethnographic study is the first to address a little-known subculture, which holds a fascination for many. The first decade of the twenty-first century has displayed an ever increasing fixation with vampires, from the recent spate of phenomenally successful books, films, and television programmes, to the return of vampire-like style on the catwalk. Amidst this hype, there exists a small, dedicated community that has been celebrating their interest in the vampire since the early 1990s. The London vampire subculture is an alternative lifestyle community of people from all walks of life and all ages, from train drivers to university lecturers, who organise events such as fang fittings, gothic belly dancing, late night graveyard walks, and 'carve your own tombstone'. Mellins presents an extraordinary account of this fascinating subculture, which is largely unknown to most people. Through case study analysis of the female participants, Vampire Culture investigates women's longstanding love affair with the undead, and asks how this fascination impacts on their lives, from fiction to fashion. Vampire Culture includes photography from community member and professional photographer SoulStealer, and is an essential read for students and scholars of gender, film, television, media, fashion, culture, sociology and research methods, as well as anyone with an interest in vampires, style subcultures, and the gothic.

History knows no shortest, most horrible and intense schlock than the Kursk Battle - all bloodbaths' little-known schlepp mother that saved Yanks and Britons in Italy. 1941. Fuhrer teaches geography to Roma, three. His dad, the Red Army's lieutenant, saves him from Kiev's noted 36-hour slaughter orgy of Jews. The boy grows up in Dad's Rearguard advancing from Kursk to Germany. His emotional awakening, family escapades, derisive living truth, eccentricity and idioms trigger bittersweet tears, smiles and thrills. Atrocities make are waning settings in this sweeping, witty and passionate novel knocking the socks off, unless readers wear pantyhose. KOSHER HOOKS and MEIN KRAMPF (both www.lulu.com) continue the hero's story. As a gentleman, S.I. Fishgal made his books independent. His soul bares itself (souls have no sex) and spills the gall in the potent, rich, vivid, teasing and fascinating novels.

A stunning, multigenerational story about two teenagers: Victoria, who joins the circus in 1965, and her granddaughter, Callie, who leaves the circus fifty years later. Perfect for fans of *This is Us*. In 1965 seventeen-year-old Victoria, having just escaped an unstable home, flees to the ultimate place for dreamers and runaways--the circus. Specifically, the VanDrexel Family Circus where, among the lion tamers, roustabouts, and trapeze artists, Victoria hopes to start a better life. Fifty years later, Victoria's sixteen-year-old granddaughter Callie is thriving. A gifted and focused tightrope walker with dreams of being a VanDrexel high wire legend just like her grandmother, Callie can't imagine herself anywhere but the circus. But when Callie's mother accepts her dream job at an animal sanctuary in Florida just months after Victoria's death, Callie is forced to leave her lifelong home behind. Feeling unmoored and out of her element, Callie pores over memorabilia from her family's days on the road, including a box that belonged to Victoria when she was Callie's age. In the box, Callie finds notes that Victoria wrote to herself with tips and tricks for navigating her new world. Inspired by this piece of her grandmother's life, Callie decides to use Victoria's circus prowess to navigate the uncharted waters of public high school. Across generations, Victoria and Callie embrace the challenges of starting over, letting go, and finding new families in unexpected places.
