Published in 1993, this brave, original novel is considered to be the finest account ever written of the

complexities of a transgendered existence. Woman or man? That's the question that rages like a storm around Jess Goldberg, clouding her life and her identity. Growing up differently gendered in a blue-collar town in the 1950s, coming out as a butch in the bars and factories of the pre-feminist 60s, deciding to pass as a man in order to survive when she is left without work or a community in the early 70s. This powerful, provocative and deeply moving novel sees Jess

coming full circle, she learns to accept the complexities of being a transgendered person in a world demanding simple explanations: a he-she emerging whole, weathering the turbulence. Gay and Lesbian Theologies ReadHowYouWant.com Gay and lesbian theology has been one of the most distinctive voices to have emerged in Christian theology in the last 30 years. It has placed lesbian and gay experience at the heart of the theological process. Elizabeth Stuart, one of the most prominent theologians in this field, presents the first critical survey of gay and lesbian theology

arguing that its emergence was nothing short of miraculous. Gay and lesbian theologians managed to take a dominant Christian discourse which rendered them sinful, sick and harmful to the common good and transform it into a theology which argued that a person's sexuality provided the point of contact between God and themselves. Stuart argues that, miraculous though this was, gay and lesbian theology has revealed itself to be 'bankrupt' - incapable of providing universally convincing reasons for the inclusion of lesbian and gay people and their relationships in the Church and unable to deal with the defining experience of lesbian and gay

communities in the late twentieth-century - AIDS. Stuart concludes that lesbian and gay people and their opponents in the Church have too easily bought into modern constructions of sexual identity and cut themselves off from a Christian tradition which is far more ' queer ' in that it refuses to accept the stability of gender and sexual desire. Stuart argues that the only way out of the current deadlock on the issue of homosexuality in the Churches is for both sides to embrace this ancient queer tradition - a Christian tradition which teaches that in the end gender and sexual identities have no ultimate importance.

Combining

exhaustively researched narrative with meticulously curated photographs, the book traces queer activism from its roots in late-nineteenth-century Europe—long before the pivotal Stonewall Riots of 1969—to the gender warriors leading the charge today. Featuring more than 300 images

from more than seventy photographer s and twenty archives, this inclusive and intersectional book enables us to truly see queer history unlike anything before, with glimpses of activism in the decades preceding and following Stonewall, family life, marches, protests, celebrations , mourning,

and Pride. By challenging many of the assumptions that dominate mainstream LGBTQ+ history, *We Are Everywhere* shows readers how they can—and must—honor the queer past in order to shape our liberated future. Copper-Toed Boots HarperCollins ***A BEST BOOK OF 2018 SELECTION*** NPR * The

KATE AND ZOE
met at nineteen when
they both made the
cut for the national
training program in
track cycling—a sport
that demands intense
focus, blinding
exertion, and
unwavering
commitment. They
are built to exploit
the barest physical
and psychological

edge over equally
skilled rivals, all of
whom are fighting for
the last one tenth of a
second that separates
triumph from despair.
Now at thirty-two, the
women are facing
their last and biggest
race: the 2012

Olympics. Each wants
desperately to win
gold, and each has
more than a medal to
lose. Kate is the more
naturally gifted, but
the demands of her
life have a tendency to
slow her down. Her
eight-year-old
daughter Sophie
dreams of the Death
Star and of battling
alongside the Rebels
as evil white blood
cells ravage her
personal galaxy—she
is fighting a
recurrence of the
leukemia that nearly
killed her three years
ago. Sophie doesn't
want to stand in the

way of her mum's
Olympic dreams, but
each day the dark
forces of the universe
seem to be massing
against her. Devoted
and self-sacrificing
Kate knows her
daughter is fragile, but
at the height of her
last frenzied months
of training, might she
be blind to the most
terrible prognosis?
Intense, aloof Zoe has
always hovered on the
periphery of real
human
companionship, and
her compulsive need
to win at any cost has
more than once
threatened her
friendship with
Kate—and her own
sanity. Will she allow
her obsession, and the
advantage she has
over a harried,
anguished mother, to
sever the bond they
have shared for more
than a decade?

Echoing the adrenaline-fueled rush of a race around the Velodrome track, *Gold* is a triumph of superbly paced, heart-in-throat storytelling. With great humanity and glorious prose, Chris Cleave examines the values that lie at the heart of our most intimate relationships, and the choices we make when lives are at stake and everything is on the line.

The Lesbian Community Boots of Leather, Slippers of Gold

The Truman Years is a concise yet thorough examination of the critical postwar years in the United States. Byrnes argues that the major trends and

themes of the American history have their origins during the presidency of Harry S. Truman. He synthesizes the recent Truman literature, and explains the links between domestic U.S. political and social trends and cold war foreign policy.

The Butch Lesbians of the '20s, '30s, and '40s Coloring Book Penguin

On a winter day in 1892, in the broad daylight of downtown Memphis, Tennessee, a middle class woman named Alice Mitchell slashed the throat of her lover, Freda Ward, killing

her instantly. Local, national, and international newspapers, medical and scientific publications, and popular fiction writers all clamored to cover the ensuing “girl lovers” murder trial. Lisa Duggan locates in this sensationalized event the emergence of the lesbian in U.S. mass culture and shows how newly “modern” notions of normality and morality that arose from such cases still haunt and distort lesbian and gay politics to the present day. Situating this story alongside simultaneously circulating lynching narratives (and its

resistant versions, such as those of Memphis antilynching activist Ida B. Wells) Duggan reveals how stories of sex and violence were crucial to the development of American modernity. While careful to point out the differences between the public reigns of terror that led to many lynchings and the rarer instances of the murder of one woman by another privately motivated woman, Duggan asserts that dominant versions of both sets of stories contributed to the marginalization of African Americans and women while

solidifying a distinctly white, male, heterosexual form of American citizenship. Having explored the role of turn-of-the-century print media—and in particular their tendency toward sensationalism—Duggan moves next to a review of sexology literature and to novels, most notably Radclyffe Hall ' s *The Well of Loneliness*. *Sapphic Slashers* concludes with two appendices, one of which presents a detailed summary of Ward ' s murder, the trial, and Mitchell ' s eventual institutionalization. The other presents transcriptions of letters exchanged

between the two women prior to the crime. Combining cultural history, feminist and queer theory, narrative analysis, and compelling storytelling, *Sapphic Slashers* provides the first history of the emergence of the lesbian in twentieth-century mass culture. *The Book of Fables and Folk Stories* Simon and Schuster First Published in 1993. Routledge is an imprint of Taylor & Francis, an informa company. *The Ideal Gay Man Film and Fashions Hailed by Plato as the " Tenth Muse "* of ancient Greek poetry, Sappho is inarguably antiquity ' s greatest

lyric poet. Born over 2,600 years ago on the Greek island of Lesbos, and writing amorously of women and men alike, she is the namesake lesbian. What 's left of her writing, and what we know of her, is fragmentary. Shrouded in mystery, she is nonetheless repeatedly translated and discussed – no, appropriated – by all. Sappho has most recently undergone a variety of treatments by agenda-driven scholars and so-called poet-translators with little or no knowledge of Greek. Classicist-translator Jeffrey Duban debunks the postmodernist scholarship by which Sappho is interpreted today and offers translations reflecting the charm and elegant simplicity of the

originals. Duban provides a reader-friendly overview of Sappho 's times and themes, exploring her eroticism and Greek homosexuality overall. He introduces us to Sappho 's highly cultured island home, to its lyre-accompanied musical legends, and to the fabled beauty of Lesbian women. Not least, he emphasizes the proximity of Lesbos to Troy, making the translation and enjoyment of Homer 's Iliad and Odyssey a further focus. More than anything else, argues Duban, it is free verse and its rampant legacy – and no two persons more than Walt Whitman and Ezra Pound – that bear responsibility for the ruin of today 's classics in translation,

to say nothing of poetry in the twentieth century. Beyond matters of reflection for classicists, Duban provides a far-ranging beginner 's guide to classical literature, with forays into Spenser and Milton, and into the colonial impulse of Virgil, Spenser, and the West at large.

Lesbian Culture
CLAIRVIEW BOOKS

Established as an academic field in the 1970s, women's studies is a relatively young but rapidly growing area of study. Not only has the number of scholars working in this subject expanded

exponentially, but women's studies has become institutionalized, offering graduate degrees and taking on departmental status in many colleges and universities. At the same time, this field—formed in the wake of the feminist movement—is finding itself in a precarious position in what is now often called a “post-feminist” society. This raises challenging issues for faculty, students, and administrators. How must the field adjust its goals and methods to

continue to affect change in the future? Bringing together essays by newcomers as well as veterans to the field, this essential volume addresses timely questions including: Without a unitary understanding of the subject, woman, what is the focus of women's studies? How can women's studies fulfill the promise of interdisciplinarity? - What is the continuing place of activism in women's studies? What are the best ways to think about, teach, and act upon the

intersections of race, class, gender, disability, nation, and sexuality? Offering innovative models for research and teaching and compelling new directions for action, *Women's Studies for the Future* ensures the continued relevance and influence of this developing field. Friends & Fauxs Ten Speed Press When most lesbians had to hide, how did they find one another? Were the bars of the 1940s and 1950s more fun than the bars today? Did Black and white lesbians socialize together? *Boots of Leather, Slippers of*

Gold is a ground-breaking account of the growth of the lesbian community in Buffalo, New York from the mid-1930s to the early 1960s. Drawing on oral histories collected from 45 women, it is the first comprehensive history of a working-class lesbian community. These poignant and complex stories provide a new look at Black and white working-class lesbians as powerful agents of historical change. Their creativity and resilience under oppressive circumstances constructed a better life for all lesbians and expanded possibilities for all women. Based on 13 years of research, *Boots of Leather, Slippers of Gold* ranges over

topics including sex, relationships, coming out, butch-fem roles, motherhood, aging, racism, work, oppression, and pride. Kennedy and Davis provide a unique insider's perspective on butch-fem culture and trace the roots of gay and lesbian liberation to the determined resistance of working-class lesbians. The book begins by focusing on the growth and development of community, culture, and consciousness in the bars and open house parties of the 1930s, '40s, and '50s. It goes on to explore the code of personal behavior and social imperative in butch-fem culture, centering on dress, mannerisms, and gendered sexuality. Finally the book examines serial

monogamy, the social forces which shaped love and break-ups, and the changing nature and content of lesbian identity. Capturing the full complexity of lesbian culture, this outstanding book includes extensive quotes from narrators that make every topic a living document, a composite picture of the lives of real people fighting for respect and for a place that would be safe for their love. *Sapphic Slashers* Routledge "Hosts of all kinds, this is a must-read!" --Chris Anderson, owner and curator of TED From the host of the New York Times podcast *Together Apart*, an exciting new approach to how we gather that will

transform the ways we spend our time together—at home, at work, in our communities, and beyond. In *The Art of Gathering*, Priya Parker argues that the gatherings in our lives are lackluster and unproductive--which they don't have to be. We rely too much on routine and the conventions of gatherings when we should focus on distinctiveness and the people involved. At a time when coming together is more important than ever, Parker sets forth a human-centered approach to gathering that will help everyone create meaningful, memorable experiences, large and small, for work and for play. Drawing on her expertise as a

facilitator of high-powered gatherings around the world, Parker takes us inside events of all kinds to show what works, what doesn't, and why. She investigates a wide array of gatherings--conferences, meetings, a courtroom, a flash-mob party, an Arab-Israeli summer camp--and explains how simple, specific changes can invigorate any group experience. The result is a book that's both journey and guide, full of exciting ideas with real-world applications. *The Art of Gathering* will forever alter the way you look at your next meeting, industry conference, dinner party, and backyard barbecue--and how you host and attend them.

Boots of Leather, Slippers of Gold
Univ of California Press
A collection of essays by a pioneering queer anthropologist. *The Book of the Feet* Wayne State University Press
After the collision claimed her mother's life and left her with a memory full of holes, Lilly Noble is sent away to boarding school on the gloomy island of Raven's Landing, Maine. Though feeling exiled and abandoned by her father, she is determined to fill in the blanks the accident left in her mind. When she

meets the hypnotically charming and strangely intense Murosky Skaggs, his unnatural curiosity and careful attentions toward her raise her suspicions. His stories don't add up. Lilly's search for the truth beneath his lies causes her life to take a thrilling and terrifying twist. What she doesn't realize is the closer she gets to revealing his dark secret, the closer she comes to regaining her memory and unmasking her mother's murderer. But something else, something far more sinister is lurking just off the coast. It's been there, waiting

for her. Lilly's quest for answers puts her and those around her in mortal danger, and once she starts down that path, there is no turning away from her destiny, if she can survive. Young Adult Paranormal [A Queer New York](#) Psychology Press Marguerite de Angeli was born in Lapeer, Michigan, in 1889. As a child, she loved to hear her father tell the story of the red leather-topped copper-toed boots he prized when he was a boy. Recreating the mischievous adventures of that boy through a Michigan summer, [Copper-Toed Boots](#)

escapes to a time of "tradin" with schoolmates, "tradin" at the store, and picnicking during blackberry season. Children of all ages will delight in this realistic portratyal of mid-nineteenth century rural life. From classroom antics to the day the circus comes to town, Marguerite de Angeli vividly depicts the folk happenings of a little American town. Duke University Press The lives of many lesbians prior to 1965 remain cloaked in mystery. Historians have turned the spotlight on upper-middle-class "romantic

friends ” and on working-class butch and femme women, but the lives of the lower-middle-class majority remain in the shadows.

Awfully Devoted Women offers a portrait of middle-class lesbianism in the decades before the gay rights movement in English Canada. This intimate study of the lives of women who were forced to love in secret not only challenges the idea that lesbian relationships in the past were asexual, it also reveals the courage it took to explore desire in an era when women were supposed to know little about

sexuality.

Margaret Mead Made Me Gay Cambridge University Press An adult coloring book featuring tributes to the lives of masculine-of-center queer women who were decades ahead of their time.

We Are Everywhere GENERAL PRESS The Renaissance of Lesbianism in Early Modern England is the eagerly-awaited study by the feminist scholar who was among the first to address the issue of early modern female homoeroticism.

Valerie Traub analyzes the representation of female-female love, desire and eroticism in a range of early

modern discourses, including poetry, drama, visual arts, pornography and medicine. Contrary to the silence and invisibility typically ascribed to lesbianism in the Renaissance, Traub argues that the early modern period witnessed an unprecedented proliferation of representations of such desire. By means of sophisticated interpretations of a comprehensive set of texts, the book not only charts a crucial shift in representations of female homoeroticism over the course of the seventeenth century, but also offers a provocative genealogy of contemporary lesbianism. A contribution to the history of sexuality and to feminist and

queer theory, the book addresses current theoretical preoccupations through the lens of historical inquiry. The Butch Lesbians of the '50s, '60s, and '70s Coloring Book ePubublishing Works! Discover the deliciously succulent homosexual world of the early 1900s! The Ideal Gay Man: The Story of Der Kreis gives you the history of the influential international gay journal Der Kreis, published in Switzerland from 1932--1967. You ' ll gain fascinating insight

into the journal ' s origins, its development, and the reasons for its demise.
