For Holly Golightly, there was always Tiffany's. For me, there's always Pug Hill. For as long as I've lived in New York, whenever I've just wanted to think, or relax, or be happy, or even sad, my destination of choice has been, without fail, Pug Hill. For Hope McNeill, pugs are love, unconditional friendship, happiness, and freedom—all qualities currently in short supply in her own life. She's also short on time and apartment space, and for those reasons she doesn't have a pug of her own. But she does have Pug Hill in Central Park, where pugs (and their owners) from all over New York City convene. She also has a serious crush on one of her co-workers at the Metropolitan Museum of Art, a flailing relationship with her squash-playing, cold-weather-loving boyfriend, and an unspeakable fear of public speaking. When Hope's father calls with a daunting assignment—to make a speech at her parent's fortieth wedding anniversary party--Hope is completely taken off guard. As a last resort, she signs up for a public speaking class, but can't help wondering, will it be enough? Some fears are so big that even all the pugs in the world might not be enough...

NEW YORK TIMES BESTSELLER! The Beatles, Ed Sullivan and the Author Ed first learns I have written a book when I hand him a finished manuscript. Naively, I imagine he'll be flattered, but when he reads it, he blows his stack and stops speaking to me. He's furious. I am revealing more about him, more backstage gossip and more details about the inner workings of the show than he wants made public. Fortunately for me and for *Always On Sunday*, Ed simmers down eventually and decides my unauthorized biography is "magnificent." He promotes it in his newspaper column, in interviews and in joint television appearances with me. Ed helps turn the book he initially hated into a national bestseller. During my 11 years on the Sullivan show, no one created more excitement than the Beatles. February 7, 1964: Kennedy Airport. Their first trip to the United States. The screaming fans! The haircuts! The sassy answers! Welcome to New York! The entire country focuses on this place and these young men. Including me. I am meeting their plane. A CBS public relations executive for years. Now the network's press representative on "The Ed Sullivan Show." Ed was warned not to sign the Beatles: "You're crazy! No British group has ever made it big in this country." A month before they arrive, they are still unknown in America. Every reporter I contact turns down my invitation to go with me to JFK. Two weeks later, "I Want To Hold Your Hand" rockets to the top of the charts. Beatlemania crosses the Atlantic, and I am besieged by thousands of ticket requests. Reporters plead to join me at JFK. On February 14, I greet the Beatles again, this time in Miami for a second Sullivan show. I do my best to stay out of the way but, thanks to paparazzi determined to cash in on every shot of the Fab Four, I appear in photos published around the world (including the NY Post). In the captions I am called a Beatle, a case of mistaken identity I still laugh about with my wife, best-selling novelist Ruth Harris. When I return to New York, Ed searches for me backstage. One stagehand is impressed. "Ed must really like you," he says. "You've only worked for him for four years, and he already knows your name." Ed And The Celebrities Who Loved Him -- Or Not! Why did Frank Sinatra take out an ad saying, "Ed, you're sick, sick, sick."? You'll find out in *Always On Sunday*. Why did Mary Tyler Moore sue "The Ed Sullivan Show"? You'll find out in *Always On Sunday*. Why did CBS cancel Bob Dylan's appearance on "The Ed Sullivan Show" -- against Ed's wishes? You'll find out in *Always On Sunday*. Elvis' fans kissed him where? Ed was stunned when Elvis explained. What did Elvis say? You'll find out in *Always On Sunday*. *Always On Sunday* was originally published in hardcover by Meredith Press and in mass market paperback by NAL. The Diva Cooks a Goose John Blake

A Shocking Scandal. . . The last thing the Portrait Divorcée needs is to have her name connected to that of the equally infamous Brimstone. But the infuriating rake has made it very clear that he's bent on nothing less than her complete surrender. Rich widows take lovers. Poor divorcees become mistresses. And those with powerful families tread carefully, lest they incite their family's wrath, a tragic outcome she's all too familiar with. . . Is Well Worth The Pleasure. . . Gabriel Angelstone, the handsome scourge of the ton, has taken one of life's lessons to heart: Love ruins everything. But the irresistible challenge of seducing Imogen Mowbray, a woman whose past is every bit as scandalous as his own, quickly has him rethinking that conclusion. Perhaps the only women worth loving are the fallen ones. . . "Lusty and delicious!" --Julia Ross on Lord Sin Kalen Hughes was born and raised in Northern California. She grew up participating in a wide variety of historical reenactment clubs, which has given her an unusually personal perspective on history, which she hopes brings added verisimilitude to her writing. She has taught creative writing, horseback riding, and is an active costume historian. She can drive stick (even on the hills of San Francisco), and start a fire without matches,

as well as make a soufflé, and hitch a team of horses to a wagon (albeit not at the same time). Currently, she lives in the San Francisco Bay Area with an ancient pit bull terrier, and can often be found writing in one of the many local coffee shops.

Felicity Koerber's bean to bar chocolate shop on Galveston's historic Strand has been the scene of two murders - both of which she has been instrumental in helping solve. So when she gets invited to demo her chocolate skills aboard a cruise ship sailing out of the local port, she's excited at the chance to get away from the shop long enough to regain her equilibrium. She even brings her best friend along, and makes plans for time at the spa. But when she gets on board, she finds out that she's been booked for a mystery-themed cruise, and said best friend, Autumn, has to finally deal with the real reasons she quit writing mysteries. Only - if that wasn't stressful enough - it doesn't take long before there's a real murder on the cruise, and someone Felicity knows becomes the prime suspect. When said suspect asks her for help, she can't exactly say no, can she? Felicity finds herself surrounded by cruise goers who all had connections to the victim - and finds that both Logan (her business partner, whom she recently kissed) and Arlo (the cop who was once Felicity's first boyfriend, before she moved away from Galveston) are dealing with the case until more official help can arrive. How will Felicity survive the ensuing awkwardness? One thing that helps: the retired police dog turned therapy dog she meets on board. Satchmo helps Felicity deal with being back on the water after tragedy in her past - and also helps her uncover a vital clue to the case. Can Felicity unmask the killer and keep a friend from being framed before all the suspects leave the ship?

In the summer of 1949 fifteen smokejumpers parachuted into a remote Montana canyon called Mann Gulch. It started as a very small fire in rugged country but within two hours after landing, thirteen of these young men were caught in a raging inferno and were killed. They died bravely, together with their friends, and in the service of their country. Everyone was young and attractive, healthy and strong, enthusiastic and in love. They were bursting into the prime of their lives. There were no malcontents here. Everyone did their best but events overtook them. Until now the actual time line has never been connected to the people involved. Fire in Montana connects the lives of young smokejumpers who lived with a joy of life and expectations of shining futures, the forest rangers and volunteers who fought valiantly to rescue them, and their families, lovers, and friends who were forced to wait and pray, then face the devastating and heart wrenching loss.

Everyone else in the tiny town of Enfield, Texas, calls fall football season, but for the forty-three members of the Fighting Enfield Marching Band, it's contest season. And for new saxophonist Anna James, it's her first chance to prove herself as the great musician she's trying hard to be. When she's assigned a duet with mellophone player Weston Ryan, the boy her small-minded town thinks of as nothing but trouble, she's equal parts thrilled and intimidated. But as he helps her with the duet, and she sees the smile he seems to save just for her, she can't help but feel like she's helping him with something too. When her strict parents find out she's been secretly seeing him and keep them apart, Anna and Weston learn what it truly means to fight for something they love. With the marching contest nearing and the two falling hard for one another, the unthinkable happens, and Anna is left grappling for a way forward without Weston. Ashley Schumacher's *Full Flight* is about how first love shapes us—even after it's gone.

Lucy Valentine is as smart as can be, as single as you can get, and so not qualified to run a matchmaking service.

But when her parents temporarily step down from the family business, Valentine, Inc., it's Lucy's turn to step up and help out—in the name of love. Plus, her rent is due. Here's the problem: Lucy doesn't have the knack for matchmaking. According to family legend, every Valentine has been blessed by Cupid with the ability to read "auras" and pair up perfect couples. But not Lucy. Her skills were zapped away years ago in an electrical surge, and now all she can do is find lost objects. What good is that in the matchmaking world? You'd be surprised. In a city like Boston, everyone's looking for something. So when Lucy locates a missing wedding ring—on a dead body—she asks the sexy private eye who lives upstairs to help her solve the perfect crime. And who knows? Maybe she'll find the perfect love while she's at it...in Heather Webber's *Truly, Madly*.
