As I Was Saying... is the seventh book in Jeremy Clarkson's best-selling The World According to Clarkson series. \*\*\* Crikey, the world according to Clarkson's been a funny old place of late . . . For a while, Jeremy could be found in his normal position as the tallest man on British television but, more recently, he appears to have been usurped by a pretend elephant. But on paper the real Jeremy remains at the helm. That's as it should be. For nearly thirty years he has been fearlessly leading the charge as one the

best comic writers in the country. And in 2015, he shows no sign of slowing down. So, whether it's pondering If Jesus might have been better off being born in New Zealand Why reflexive pronoun abuse is the worst thing in the world How Pam Ayres's head trumps Gordon Gecko's underpants Or what a television presenter with time on his hands gets up to Jeremy is still trying to make sense of all the big stuff. Circumstances change. Nothing's forever. But As I Was Saying provides glorious proof that Jeremy remains as funny, puzzled, excitable, outspoken, insightful and thought-provoking as ever. As if you ever doubted it . . . \*\*\* Praise for Clarkson: 'Brilliant... laugh-out-loud' Daily Telegraph 'Outrageously funny... will have you in stitches' Time Out 'Very funny . . . I cracked up laughing on

The church is in disarray. Theologians and commentators speak of the demise of evangelicalism. Are they alarmists? Is Christianity as we know it in the process of dying? Writer, scholar, teacher, and missionary Dr. David Alan Black thinks that the answer does not lie in the politics of the left or the right. In fact, he doesn't think that Jesus tells us what our politics should be. He doesn't see answers in Christian nationalism. But even further, he sees serious flaws in the very structure of our churches and denominations that prevent us from truly being obedient to the gospel. The solution lies, not in renewal, revival, or even in reformation, but rather in restoration-a restoration of the church organized as Jesus intended it and according to the example provided by the earliest church sources in the New Testament. To make the church and its members true servants of Jesus Christ again, we need to change our entire paradigm-to The Jesus Paradigm.

THE NO. 1 SUNDAY TIMES

BESTSELLER Head back down to Clarkson Farm with the latest bestseller from our favourite welly-wearing wannabe farmer, Jeremy Clarkson \_\_\_\_\_ Enthusiastic trainee farmer Jeremy Clarkson made just £ 144 in his first year at Diddly Squat Farm. This year he's determined to do better. Not because he now knows what he's doing. But because he's fed up of getting stick from Kaleb. Yet farming continues to be a challenge. For instance . . . • Loading a grain trailer was more demanding than flying an Apache gunship? • Cows were more dangerous than

motor-racing? • It's easier to get planning permission to build a nuclear plant than to turn a barn into a restaurant? Jeremy's always got a plan. Loads of them. Often cunning. Not always greeted with wild enthusiasm by Kaleb and Cheerful Charlie, however . . . \_\_\_\_\_

PRAISE FOR DIDDLY SQUAT 'Clarkson has done more for farmers in one series than Countryfile achieved in 30 years' James Rebanks, author of A Shepherd's Life 'Clarkson has showcased the passion, humour and personalities of the people who work throughout the year to grow the nation's food . . . and brought an understanding of many of the issues faced by farmers to the British public' National Farmers Union 'A deserving Farming Champion of the Year' Farmers Weekly 'I don't know anything about farming. It's like David Attenborough doing jet-skiing, or Nicholas Witchell saying, "I'm going to be a cage fighter"' Jeremy Clarkson

*Diddly Squat: Home to Roost* Penguin UK  
In I Know You Got Soul, Jeremy Clarkson writes about the machines that he believes have 'soul'. It will come as no surprise to anyone that Jeremy Clarkson loves machines. But it's not just any old bucket of blots, cogs and bearings that rings his bell. In fact, he's scoured the length and breadth of the land, plunged into the oceans and taken to the skies in search of machines with that elusive certain something. And along the way he's discovered: \* The safest place to be in the event of nuclear war \* Who would win if Superman, James Bond and The Terminator had a fight \* The stupidest person he's ever met \* What an old Cornish institution called Arthur has to do with 0898 chat lines \* And how Jean Claude Van Damme might get eaten by a lion . . . In I Know You Got Soul, Jeremy Clarkson tells stories of the geniuses, innovators and crackpots who put the ghost

---

in the machine. From Brunel's SS Great Britain to the awesome Blackbird spy-plane and from the woeful - but inspiring - Graf Zeppelin to Han Solo's Millennium Falcon, they can't help but love them in return. Praise for Jeremy Clarkson: 'Brilliant . . . laugh-out-loud' Daily Telegraph 'Outrageously funny . . . will have you in stitches' Time Out 'Very funny . . . I cracked up laughing on the tube' Evening Standard **The Grid Book** Penguin UK

Ten grids that changed the world: the emergence and evolution of the most prominent visual structure in Western culture. Emblematic of modernity, the grid is the underlying form of everything from skyscrapers and office cubicles to paintings by Mondrian and a piece of computer code. And yet, as Hannah Higgins makes clear in this engaging and evocative book, the grid has a history that long predates modernity; it is the most prominent visual structure in Western culture. In *The Grid Book*, Higgins examines the history of ten grids that changed the world: the brick, the tablet, the gridiron city plan, the map, musical notation, the ledger, the screen, moveable type, the manufactured box, and the net. Charting the evolution of each grid, from the Paleolithic brick of ancient Mesopotamia through the virtual connections of the Internet, Higgins demonstrates that once a grid is invented, it may bend, crumble, or shatter, but its organizing principle never disappears. The appearance of each grid was a watershed event. Brick, tablet, and city gridiron made possible sturdy housing, the standardization of language, and urban development. Maps, musical notation, financial ledgers, and moveable type promoted the organization of space, music, and time, international trade, and mass literacy. The screen of perspective painting heralded the science of the modern period, classical mechanics, and the screen arts, while the standardization of space made possible by the manufactured box suggested the purified box forms of industrial architecture and visual art. The net, the most ancient grid, made its first appearance in Stone Age Finland; today, the loose but clearly articulated networks of the World Wide Web suggest that we are in the middle of an

emergent grid that is reshaping the world, as grids do, in its image.

**Round the Bend** Random House  
FINALIST FOR THE NATIONAL BOOK AWARD FOR POETRY Winner of the Walt Whitman Award of the Academy of American Poets, selected by Juan Felipe Herrera For years now, I've been using the wrong palette. Each year with its itchy blue, as the bruise of solitude reaches its expiration date. Planes and buses, guesthouse to guesthouse. I've gotten to where I am by dint of my poor eyesight, my overreactive motion sickness. 9 p.m., Hanoi's Old Quarter: duck porridge and plum wine. Voices outside the door come to a soft boil. —from "Phnom Penh Diptych: Dry Season" Jenny Xie's award-winning debut, *Eye Level*, takes us far and near, to Phnom Penh, Corfu, Hanoi, New York, and elsewhere, as we travel closer and closer to the acutely felt solitude that centers this searching, moving collection. Animated by a restless inner questioning, these poems meditate on the forces that moor the self and set it in motion, from immigration to travel to estranging losses and departures. The sensual worlds here—colors, smells, tastes, and changing landscapes—bring to life questions about the self as seer and the self as seen. As Xie writes, "Me? I'm just here in my traveler's clothes, trying on each passing town for size." Her taut, elusive poems exult in a life simultaneously crowded and quiet, caught in between things and places, and never quite entirely at home. Xie is a poet of extraordinary perception—both to the tangible world and to "all that is untouchable as far as the eye can reach."

**What Could Possibly Go Wrong. . .** Penguin UK

What's it like to drive a car that's actively trying to kill you? This and many other burning questions trouble Jeremy Clarkson as he sets out to explore the world from the safety of four wheels.

*Eye Level* Penguin UK

Jeremy Clarkson, shares his opinions on just about everything in *For Crying Out Loud*. The publication of *The World According to Clarkson* in 2004 launched a multi-million copy bestselling phenomenon. But to no avail.

---

Jeremy's one man war on crimes against common sense has not yet been won. And out hero's still scratching his head at the madness of it all. But it's not all bad. He's learnt a little along the way, including: • Why binge drinking is good for you • The worst word in the English language • The remarkable secret of eternal youth • The problem with America • And how to dispose of a seal For anyone who's been driven to wonder just what is the matter with people these days, *For Crying Out Loud* is the perfect riposte. Surprising, fearless and always laugh-out-loud funny, Clarkson's back. And he's got a point . . . *For Crying Out Loud* is a hilarious collection of Jeremy's Sunday Times columns and the third in his *The World According to Clarkson* series which also includes *The World According to Clarkson*, *And Another Thing...* and *How Hard Can It Be?* Praise for Jeremy Clarkson: 'Brilliant . . . laugh-out-loud' Daily Telegraph 'Outrageously funny . . . will have you in stitches' Time Out 'Cars take a back seat as Clarkson grumpily lets rip . . . the man has a point!' Zoo Number-one bestseller Jeremy Clarkson writes on cars, current affairs and anything else that annoys him in his sharp and funny collections. *Born To Be Riled*, *Clarkson On Cars*, *Don't Stop Me Now*, *Driven To Distraction*, *Round the Bend*, *Motorworld* and *I Know You Got Soul* are also available as Penguin paperbacks; the Penguin App *iClarkson: The Book of Cars* can be downloaded on the App Store. Jeremy Clarkson because his writing career on the Rotherham Advertiser. Since then he has written for the Sun and the Sunday Times. Today he is the tallest person working in British television, and is the presenter of the hugely popular *Top Gear*. *For Crying Out Loud* Graywolf Press

In *And Another Thing...* the outspoken and outrageous presenter Jeremy Clarkson, shares his opinions on just about everything. Jeremy Clarkson finds the world such a perplexing place that he wrote a bestselling book about it. Yet, despite the appearance of *The World According to Clarkson*, things - amazingly - haven't improved. Not being

someone to give up easily, however, he's decided to have another go. In *And Another Thing...* the king of the exasperated quip discovers that: • Bombing North Carolina is bad for Yorkshire • We can look forward to exploding at the age of 62 • Russians look bad in Speedos. But not as bad as we do • Wasps are the highest form of life Thigh-slappingly funny and in your face, Jeremy Clarkson bursts the pointless little bubbles of the idiots while celebrating the special, the unique and the sheer bloody brilliant... *And Another Thing...* is a hilarious collection of Jeremy's Sunday Times columns and the second in his *The World According to Clarkson* series which also includes *The World According to Clarkson*, *For Crying Out Loud!* and *How Hard Can It Be?* Praise for Jeremy Clarkson: 'Brilliant . . . laugh-out-loud' Daily Telegraph 'Outrageously funny . . . will have you in stitches' Time Out Number-one bestseller Jeremy Clarkson writes on cars, current affairs and anything else that annoys him in his sharp and funny collections. *Born To Be Riled*, *Clarkson On Cars*, *Don't Stop Me Now*, *Driven To Distraction*, *Round the Bend*, *Motorworld* and *I Know You Got Soul* are also available as Penguin paperbacks; the Penguin App *iClarkson: The Book of Cars* can be downloaded on the App Store. *Is It Really Too Much To Ask?* Penguin UK  
Clarkson is back with a brand new book of hilarious stories and observations about our gone-wrong world. \_\_\_\_\_ In November 2016 we woke up to the news that the forthright presenter of a popular television programme had become the most powerful man on the planet. His name, sadly, was not Jeremy Clarkson, but we might not have been any more surprised if it had been. Because the world seems to have taken a decidedly odd turn since Jeremy last reflected on the state of things between the covers of a book. But who better than JC to help us navigate our way through the mess? And while he's being trying to make sense of it all he's discovered one or two things along the way, including - The disabling effects of being vegan - How Blackpool might be improved by drilling a hole through it - The problem with meditation - A perfect location for rebuilding Palmyra - Why Tom Cruise can worship lizards if he wants to It's all been a bit unsettling. But don't worry. If You'd Just Let Me Finish is Clarkson at his best. He may be as bemused, exasperated, amused and surprised as the rest of us, but in a world gone crazy, thank God someone has still got his head screwed on ... Praise for Clarkson: 'Brilliant...laugh-out-loud' - Daily Telegraph 'Outrageously funny...will have you in stiches' - Time Out 'Very funny...I cracked up laughing on the tube' - Evening Standard

*How Hard Can It Be?* Harper Collins

Contains four poems that search for the true meaning of Christmas in the advent, eve, morning, and night of the holiday.

*I Know You Got Soul* Penguin UK

With supercharged supercars, roadster rockets and futuristic freaks, Gear for the ride of your life, through awesome Audis and ferocious Ferraris, to

the utterly crazy Koenigsegg CCX and the insanely fast Pagani Zonda F Roadster. With facts and stats on all your favourite fastest cars, this book is packed with POWER! Top's 100 Fastest Cars will leave you gasping for breath! Strap yourself in *The First Gift of Christmas* Penguin UK  
In this groundbreaking bestseller, Lundy Bancroft—a counselor who specializes in working with abusive men—uses his knowledge about how abusers think to help women recognize when they are being controlled or devalued, and to find ways to get free of an abusive relationship. He says he loves you. So...why does he do that? You've asked yourself this question again and again. Now you have the chance to see inside the minds of angry and controlling men—and change your life. In *Why Does He Do That?* you will learn about: • The early warning signs of abuse • The nature of abusive thinking • Myths about abusers • Ten abusive personality types • The role of drugs and alcohol • What you can fix, and what you can't • And how to get out of an abusive relationship safely “This is without a doubt the most informative and useful book yet written on the subject of abusive men. Women who are armed with the insights found in these pages will be on the road to recovering control of their lives.”—Jay G. Silverman, Ph.D., Director, Violence Prevention Programs, Harvard School of Public Health

*Can You Make This Thing Go Faster?* ePenguin  
Harper Lee's Pulitzer Prize-winning masterwork of honor and injustice in the deep South—and the heroism of one man in the face of blind and violent hatred. One of the most cherished stories of all time, *To Kill a Mockingbird* has been translated into more than forty languages, sold more than forty million copies worldwide, served as the basis for an enormously popular motion picture, and was voted one of the best novels of the twentieth century by librarians across the country. A

---

gripping, heart-wrenching, and wholly remarkable tale of coming-of-age in a South poisoned by virulent prejudice, it views a world of great beauty and savage inequities through the eyes of a young girl, as her father—a crusading local lawyer—risks everything to defend a black man unjustly accused of a terrible crime.

Kitchens of the Great Midwest Harper Collins

Jeremy Clarkson puts the pedal to the floor in *Don't Stop Me Now*; a collection of his Sunday Times motoring journalism. There's more to life than cars. Jeremy Clarkson knows this. There is, after all, a whole world out there just waiting to be discovered. So, before he gets on to torque steer and active suspension, he takes time out to consider:

- The madness of Galapagos tortoises
- The similarities between Jeremy Paxman and AC/DC's bass guitarist
- The problems and perils of being English
- God's dumbest creation

Then there are the cars: whether it's the poxiest little runabout or an exotic, firebreathing supercar, no one does cars like Clarkson. Unmoved by mechanics' claims and unimpressed by press junkets, he approaches anything on four wheels without fear or favour. What emerges from the ashes is rarely pretty. But always very, very funny. Praise for Jeremy Clarkson: 'Brilliant . . . laugh-out-loud' Daily Telegraph 'Outrageously funny . . . will have you in stitches' Time Out Number-one bestseller

Jeremy Clarkson writes on cars, current affairs and anything else that annoys him in his sharp and funny collections. *Born To Be Riled*, *Clarkson On Cars*, *Don't Stop Me Now*, *Driven To Distraction*, *Round the Bend*, *Motorworld*, and *I Know You Got Soul* are also available as Penguin paperbacks; the Penguin App *iClarkson: The Book of Cars* can be downloaded on

the App Store. Jeremy Clarkson because his writing career on the Rotherham Advertiser. Since then he has written for the Sun and the Sunday Times. Today he is the tallest person working in British television, and is the presenter of the hugely popular *Top Gear*.

**If You'd Just Let Me Finish** BBC Children's Books

Friedrich Hölderlin's only novel, *Hyperion* (1797-99), is a fictional epistolary autobiography that juxtaposes narration with critical reflection. Returning to Greece after German exile, following his part in the abortive uprising against the occupying Turks (1770), and his failure as both a lover and a revolutionary, *Hyperion* assumes a hermitic existence, during which he writes his letters. Confronting and commenting on his own past, with all its joy and grief, the narrator undergoes a transformation that culminates in the realisation of his true vocation. Though Hölderlin is now established as a great lyric poet, recognition of his novel as a supreme achievement of European Romanticism has been belated in the Anglophone world. Incorporating the aesthetic evangelism that is a characteristic feature of the age, *Hyperion* preaches a message of redemption through beauty. The resolution of the contradictions and antinomies raised in the novel is found in the act of articulation itself. To a degree remarkable in a prose work of any length, what it means is inseparable from how it means. In this skilful translation, Gaskill conveys the beautiful music and rhythms of Hölderlin's language to an English-speaking reader.

*How Hard Can It Be?* National Geographic Books

*Born to be Riled* is a collection of hilarious vintage journalism from Jeremy Clarkson.

---

Jeremy Clarkson, it has to said, sometimes finds the world a maddening place. And nowhere more so than from behind the wheel of a car, where you can see any number of people acting like lunatics while in control (or not) of a ton of metal. In this collection of classic columns, first published in 1999, Jeremy takes a look at the world through his windscreen, shakes his head at what he sees - and then puts the boot in. Among other things, he explains: • Why Surrey is worse than Wales • How crossing your legs in America can lead to arrest • The reason cable TV salesmen must be punched • That divorce can be blamed on the birth of Jesus Raving politicians, pointless celebrities, ridiculous 'personalities' and the Germans all get it in the neck, together with the stupid, the daft and the ludicrous, in a tour de force of comic writing guaranteed to have Jeremy's postman wheezing under sackfuls of letters from the easily offended. Praise for Jeremy Clarkson: 'Brilliant . . . laugh-out-loud' Daily Telegraph 'Outrageously funny . . . will have you in stitches' Time Out Number-one bestseller Jeremy Clarkson writes on cars, current affairs and anything else that annoys him in his sharp and funny collections. Clarkson On Cars, Don't Stop Me Now, Driven To Distraction, Round the Bend, Motorworld and I Know You Got Soul are also available as Penguin paperbacks; the Penguin App iClarkson: The Book of Cars can be downloaded on the App Store. Jeremy Clarkson because his writing career on the Rotherham Advertiser. Since then he has written for the Sun and the Sunday Times. Today he is the tallest person working in British television, and is the presenter of the hugely popular Top Gear.

**To Kill a Mockingbird** Penguin UK

Jeremy Clarkson invites us to Motorworld, his take on different cultures and the cars that they drive. There are ways and means of getting about that don't involve four wheels, but in this slice of vintage Clarkson, Jeremy isn't much interested in them. Back in 1996, he took himself off to twelve countries (okay, eleven - he goes to America twice) in search of the hows, whys and wherefores of different nationalities and their relationships with cars. There were a few questions he needed answers to: \* Why, for instance, is it that Italians are more interested in looking good than looking where they are going? \* Why do Indians crash a lot? \* How can an Arab describe himself as 'not a rich man' with four of the world's most expensive cars in his drive? \* And why have the otherwise neutral Swiss declared war on the car? From Cuba to Iceland, Australia to Vietnam, Japan to Texas, Jeremy Clarkson tells us of his adventures on and off four wheels as he seeks to discover just what it is that makes our motorworld tick over. \_\_\_\_\_ Praise for Jeremy Clarkson: 'Brilliant . . . laugh-out-loud' Daily Telegraph 'Outrageously funny . . . will have you in stitches' Time Out 'Very funny . . . I cracked up laughing on the tube' Evening Standard
