" [A] superb history.... In these thrilling, highly readable pages, we meet Rasputin, the shaggy, lecherous mystic...; we visit the gilded ballrooms of the doomed aristocracy; and we pause in the sickroom of little Alexei, the hemophiliac heir who, with his parents and four sisters, would be murdered by the Bolsheviks in 1918. " —The Wall Street Journal Here is the tumultuous, heartrending, true story of the Romanovs—at once an intimate portrait of Russia's last royal family and a gripping account of its undoing. Using captivating photos and compelling first person accounts, award-winning author Candace Fleming (Amelia Lost; The Lincolns) deftly maneuvers between the imperial family ' s extravagant lives and the plight of Russia's poor masses, making this an utterly mesmerizing read as well as a perfect resource for meeting Common Core standards. "An exhilarating narrative history of a doomed and clueless family and empire." —Jim Murphy, author of Newbery Honor Books An American Plague and The Great Fire "For readers who regard history as dull, Fleming ' s extraordinary book is proof positive that, on the contrary, it is endlessly fascinating, absorbing as any novel, and the stuff of an altogether memorable reading experience." —Booklist, Starred "Marrying the intimate family portrait of Heiligman ' s Charles and Emma with the politics and intrigue of Sheinkin ' s Bomb, Fleming has outdone herself with this riveting work of narrative nonfiction that appeals to the imagination as much as the intellect." —The Horn Book, Starred Winner of the Los Angeles Times Book Prize for Young Adult Literature Winner of the Boston Globe – Horn Book Award for Nonfiction A Robert F. As the founder and head of Atlantic Records, Ahmet Ertegun signed and/or recorded many of the greatest musical artists of all time, from Ray Charles to Kid Rock. Working alongside his older brother, Nesuhi, one of the preeminent jazz producers of all time, and the legendary Jerry Wexler, Ertegun transformed Atlantic Records from a small independent record label into a hugely profitable multinational corporation. In successive generations, he also served as a mentor to record-business tyros like Phil Spector, David Geffen, and Lyor Cohen. Brilliant, cultured, and irreverent, Ertegun was as renowned for his incredible sense of personal style and nonstop A-list social life as his work in the studio. Blessed with impeccable taste and brilliant business acumen, he brought rock 'n roll into the mainstream while creating the music that became the sound track for the lives of multiple generations.--From publisher description.

Julia Gelardi's *Born to Rule* is an historical tour de force that weaves together the powerful and moving stories of the five royal granddaughters of Queen Victoria. These five women were all married to reigning European monarchs during the early part of the 20th century, and it was their reaction to the First World War that shaped the fate of a continent and the future of the modern world. Here are the stories of Alexandra, whose enduring love story, controversial faith in Rasputin, and tragic end have become the stuff of legend; Marie, the flamboyant and eccentric queen who battled her way through a life of intrigues and was also the mother of two Balkan queens and of the scandalous Carol II of Romania; Victoria Eugenie, Spain's very English queen who, like Alexandra, introduced hemophilia into her husband's family-with devastating consequences for her marriage; Maud, King Edward VII's daughter, who was independent Norway's reluctant queen; and Sophie, Kaiser Wilhelm II's much maligned sister, daughter of an Emperor and herself the mother of no less than three kings and a queen, who ended her days in bitter exile. *Born to Rule* evokes a world of luxury, wealth, and power in a bygone era, while also recounting the ordeals suffered by a unique group of royal women who at times faced poverty, exile, and death. Praised in their lifetimes for their legendary beauty, many of these women were also lauded-and reviled-for their political influence. Using never before published letters, memoirs, diplomatic documents, secondary sources, and interviews with descendants of the subjects, Julia Gelardi's *Born to Rule* is an astonishing and memorable work of popular history.

This crossdisciplinary collection of essays combines qualitative and quantitative approaches to re-examine the most influential contemporary theories of intercultural relations and their application in various domains including historiography, sociology and cultural studies. A particular focus lies on Central Europe, historical Banat and Transylvania, but also on the current public policies toward ethnic and religious minorities as well as recent immigrants. It argues that much more complex approaches are needed, both historically and conceptually, in exploring intercultural relations. Thus, the political decision-making in East Central European countries and the European Union as a whole could benefit from a well-informed historical perspective by learning from the successes and errors of their predecessors.

Augusta Victoria, Mary, Alexandra, and Zita were four women who were born to rule. In "Imperial Requiem," Justin C. Vovk narrates the epic story of four women who were married to the reigning monarchs of Europe's last empires during the late nineteenth and early twentieth centuries. Using a diverse array of primary and secondary sources, letters, diary entries, and interviews with descendants, Vovk provides an in-depth look into the lives of four extraordinary women who stayed faithfully at their husbands' sides throughout the cataclysm of the First World

War and the tumultuous years that followed. At the centers of these four great monarchies were Augusta Victoria, Germany's revered empress whose unwavering commitment to her bombastic husband made her a national icon; Mary, whose Cinderella story and immense personal strength made her the soul of the British monarchy through some of its greatest crises; Alexandra, the ill-fated tsarina who helped topple the Russian monarchy through her ineffective rule; and Zita, the resolute empress of Austria whose story of loss and exile captivated the world's attention for seven decades. "Imperial Requiem" shares the fascinating story of four princesses who married for love, graced imperial thrones, and watched as their beloved worlds were torn apart by war, revolution, heartache, and loss.

The number-one bestselling author delivers her most provocative, sizzling novel yet—a story of money, power, love, and betrayal that only Barbara Taylor Bradford could write. At age twenty-five, Elizabeth Deravenel finds herself in a position few women her age could image: the head of Deravenels, a business empire that spans the globe. It's a company whose reach is wide and whose secrets are deep. Deravenels has roots that go far back in her family's history, and she knows the price that many had to pay to see it reach the success it is today. And Elizabeth is the youngest executive in the company she now leads. Surrounded by rumors and disloyalty, she knows that there are many people who would give anything to take down the company—and her with it. With her enemies circling, she finds herself at a crossroad of choices involving her mind, her heart, and her destiny. As scandal surrounds the one man she's ever loved, Elizabeth discovers how the next move she makes could have deadly and final consequences. Being Elizabeth is Barbara Taylor Bradford at her storytelling best. "Rife with dastardly internecine struggles, smoldering illicit passion, and cowardly insidious betrayals...packs as much intrigue as any Shakespearean royal drama." ---Booklist on *The Heir*

Queen Marie Antoinette, wife of King Louis XVI of France and Queen Henrietta Maria, wife of King Charles I of England were two of the most notorious queens in European history. They both faced accusations that they had transgressed social, gender and regional norms, and attempted to defend themselves against negative reactions to their behavior. Each queen engaged with the debates of her time concerning the place of women within their families, religion, politics, the public sphere and court culture and attempted to counter criticism of her foreign origins and political influence. The impeachment of Henrietta Maria in 1643 and trial and execution of Marie Antoinette in 1793 were also trials of monarchical government that shaped the English Civil Wars and French Revolution.

This book explores the reign of Constantine the Great (306–337) and, more generally, the

political history of the third century, thus putting Constantine's career and many of his decisions in context. It traces events under the first Tetrarchy and then explores Constantine's rise to power, his rule and reforms, and continuity and change with regard to his predecessors. It considers how he was able to transform the empire and establish his own dynasty, highlighting his political and military prowess, and therefore provides an essential overview of the political history of the period.
