Owner Manuals | Bosch Home Appliances

With vented dryers, your washing dries particularly fast. These smart, resource-saving dryers simply draw in air from the room, heat it and blow it through the clothes as the drum tumbles them. The damp air is exhausted to the outside through an air extractor hose. As a result, the drying process is particularly economical.

Take perfect care of your laundry with a Bosch tumble dryer.

Condenser tumble dryers. Our highly economical condenser dryers are easy on energy consumption and easy on your ears, thanks to their exceptionally quiet operation. Plus, because there's no need for an exhaust hole through the wall, they save you space and hassle.
