Recipient of the Independent Publishers Award for Historical Fiction (Gold Medal), the Foreword Book of the Year Award for Historical Fiction (Bronze Medal), and an honorable mention in the category of General Fiction for the Eric Hoffer Award. Luis de Sant á ngel, chancellor to the court and longtime friend of the lusty King Ferdinand, has had enough of the Spanish Inquisition. As the power of Inquisitor General Tom á s de Torquemada grows, so does the brutality of the Spanish church and the suspicion and paranoia it inspires. When a dear friend ' s demise brings the violence close to home, Sant á ngel is enraged and takes retribution into his own hands. But he is from a family of conversos, and his Jewish heritage makes him an easy target. As Sant á ngel witnesses the horrific persecution of his loved ones, he begins slowly to reconnect with the Jewish faith his family left behind. Feeding his curiosity about his past is his growing love for Judith Migdal, a clever and beautiful Jewish woman navigating the mounting tensions in Granada. While he struggles to decide what his reputation is worth and what he can sacrifice, one man offers him a chance he thought he ' d lost... the chance to hope for a better world. Christopher Columbus has plans to discover a route to paradise, and only Luis de Sant á ngel can help him. Within the dramatic story lies a subtle, insightful examination of the crisis of faith at the heart of the Spanish Inquisition.

Irresolvable conflict rages within the conversos in *By Fire, By Water*, torn between the religion they left behind and the conversion meant to ensure their safety. In this story of love, God, faith, and torture, fifteenth-century Spain comes to dazzling, engrossing life.

Across the Range Simon and Schuster Fiona is the creator of fashion doll sensation Kimberley, and is quite satisfied with her career-focused life. Yet when her boss informs her that she must win over a new account by going camping with the creator of a hit children's TV show, she is extremely reluctant. Nevertheless, she goes to Florida to meet Roy

and his Guide Ace Montgomery. When Roy is found dead with Fiona holding the bloody knife, she becomes the prime suspect - though she has no recollection of what happened. Things get worse when she learns that Roy, until now a stranger to her, left her all the proceeds from his new TV show, giving her a strong motive for murder. Suddenly, she and Ace find themselves on the run, and being condemned by the press for murder. They must prove their innocence by discovering the true motive and murderer of Roy. Fiona and Ace figure out they are linked through her father, and it is then that Fiona learns the secrets of her family's past, turning her world upside down.

**CCNA Security Lab Manual Version 2** Simon and Schuster

Lately, Anviksha Punjabi can't seem to get anything right. She is in the middle of ending her second marriage, is barely keeping any friends, and repeatedly getting into trouble at work. And as if all that weren't enough, she must put up with her gregarious and over-bearing 67-year-old mother as a housemate. Afraid that if this goes on, she'll finally unravel completely, Anviksha decides that she needs a break - a Bollywood style, solo-trip across Europe kind of break. What she doesn't expect is that her mother, Smita Punjabi, will insist on coming along. The unlikely duo embarks on a journey complete with nudists, an unwelcome blast from the past, a British dog named Bhindi, and several eligible bachelors, and slowly, what was supposed to be a soul-searching journey for one, turns into a life-altering experience for two.

In *Everyday Harumi*, now reissued as an attractive jacketed paperback, Harumi Kurihara, Japan's most popular cookery writer, selects her favourite foods and presents more than 60 new home-style recipes for you to make for family and friends. Harumi wants everyone to be able to make her recipes and she demonstrates how easy it is to cook Japanese food for every day occasions without needing to shop at specialist food stores. Using many of her favourite ingredients, Harumi presents recipes for soups, starters, snacks, party dishes, main courses and family feasts that are quick and simple to prepare, all presented in her effortless, down-to-earth and unpretentious

approach to stylish living and eating. Every recipe is photographed and includes beautiful step-by-step instructions that show key Japanese cooking techniques. Texture and flavour are important to Japanese food and Harumi takes you through the basic sauces you can make at home and the staples you should have in your store cupboard.

Photographed by award-winning photographer Jason Lowe, this warm and approachable cookbook invites you to cook and share Japanese food in a simple and elegant style.

Dealing with cosmology, this book reveals astronomical observations that indicate the presence of a previously unknown force in the universe. It explains, in accessible terms, Einstein's theories and his development of the cosmological constant.

[Everyday Harumi](#) Paper Chase

Over two hundred and thirty years ago the Fallocaust happened, killing almost everything that lived and creating what is now known as the greywastes. A dead wasteland where cannibalism is a necessity, death your reality, and life before the radiation nothing but pictures in dog-eared magazines. Reaver is a greywaster, living in a small block controlled by a distant ruler said to have started the Fallocaust. He is a product of the savage world he was raised in and prides himself on being cold and cruel. Then someone new to his town catches his eye, someone different than everyone else. Without knowing why he starts to silently stalk him, unaware of where it will lead him.

Honeyball and Bowers' Textbook on Employment Law is an approach to employment law with strong critical analysis whilst placing it in its wider contexts, in a concise and user-friendly format. Fully updated to take into account the recent significant developments in this area, including the Equality Act 2010, the key topics on most employment law courses are addressed in detail. An extremely clear writing style allows this text to remain accessible and student-focussed, while providing detailed explanations and analysis of the law. The text also includes diagrams and chapter summaries throughout to aid student understanding, while further reading suggestions assist with essay preparation and research. Setting employment law in context, this book considers both industrial and collective issues as well as examining the increasing role of the EU in UK employment law. A separate chapter on human rights also enables students to understand the role human rights legislation plays in the development of employment law. This book also contains cross referencing to Painter & Holmes' Cases & Materials on Employment Law, ensuring that these two texts continue to complement one another and provide the perfect combination of textbook analysis and the most up-to-date cases and materials. This text is accompanied by a free Online Resource Centre ([www.oxfordtextbooks.co.uk/orc/honeyball12e/](http://www.oxfordtextbooks.co.uk/orc/honeyball12e/)) which contains updates to the law and useful weblinks.

#### **God's Equation** Pocketbooks

The text has been divided in two volumes: Volume I (Ch. 1-13) & Volume II (Ch. 14-22). In addition to the review material and some basic topics as discussed in the opening chapter, the main text in Volume I covers topics on infinite series, differential and integral calculus, matrices, vector calculus, ordinary differential equations, special functions and Laplace transforms. Volume II covers topics on complex analysis, Fourier analysis, partial differential equations and statistics. The present book has numerous distinguishing features over the already existing books on the same topic. The chapters have been planned to create interest among the readers to study and apply the mathematical tools. The subject has been presented in a very lucid and precise manner with a wide variety of examples and

exercises, which would eventually help the reader for hassle free study.

**Reference Data** Open Road Media  
Althusser and Law is the first book specifically dedicated to the place of law in Louis Althusser's philosophy.

The growing importance of Althusser's philosophy in contemporary debates on the left has - for practical and political, as well theoretical reasons - made a sustained consideration of his conception of law more necessary than ever. As a form of what Althusser called 'Ideological State Apparatuses', law is at the forefront of political struggles: from the destruction of Labour Law to the exploitation of Patent Law; from the privatisation of Public Law to the ongoing hegemony of Commercial Law; and from the discourse on Human Rights to the practice of judicial courts. Is Althusser still useful in helping us to understand these struggles? Does he have something to teach us about how law is produced, and how it is used and misused? This collection demonstrates that Althusser's ideas about law are more important, and more contemporary, than ever. Indeed, the contributors to *Althusser and Law* argue that Althusser offers a new and invaluable perspective on the place of law in contemporary life.

*The Essential Theatre, Enhanced*  
Beaufort Books

In the backwoods of Mississippi, a land of honeysuckle and grapevine, Jewel and her husband, Leston, are truly blessed; they have five fine children. When Brenda Kay is born in 1943, Jewel gives thanks for a healthy baby, last-born and most welcome. Jewel is the story of how quickly a life can change; how, like lightning, an unforeseen event can set us on a course without reason or compass. In this story of a woman's devotion to the child who is both her burden and God's singular way of smiling on her, Bret Lott has created a mother-daughter relationship of matchless intensity and beauty, and one of the finest, most indomitable heroines in contemporary American fiction.
