I currently have a Solution 862 alarm, that has not been connected to power or had a battery for at least 2 years. I don't have the master code. With it being disconnected for so long, what are my chance of the settings being "default", so I can set it up again??? I have the installer manual etc, but there is nothing mentioned about that

[Solution 862 Quick Reference Guide - Security Help Desk](#)
The manual mentioned that it does this check by itself every 4 hours, but of course my impatience was my enemy. End of the day, all is well, and it was actually very simple to do. I didn't have any special code I needed to put in.
