CINEMATE - Bose
Using the remote to
control the CineMate

system. When you point the remote control at the interface module and press a button, the green LED on the interface module flashes. Press On-Off to turn on the CineMate system. Press again to turn the system off. Press Volume Up to raise the volume. When maximum volume is reached, the green LED on the interface module flashes twice.

Bose Cinemate Remote Manual

A manual, also referred to as a user manual, or simply "instructions" is a technical document designed to assist in the use Bose Cinemate Remote by users. Manuals are usually written by a technical writer, but in a language understandable to all users of Bose Cinemate Remote. A complete Bose manual, should contain several basic components.
