10 Bose Solo Tv Speaker Review 2020 - Speakers Guides

If you're experiencing issues with an update, you can update manually by following the steps below. Note: If you have an Acoustimass 300 wireless bass module connected to your system, it must be connected wirelessly in order to receive the update as well. If the bass module was connected to the console using a 3.5 mm cable during the system update, the bass module will not be updated.
