Baby boomers are the wealthiest, fastest-growing consumer group in the world, yet the market remains largely untapped by marketers. In fact, only five percent of worldwide ad budgets is geared toward older consumers while 80 percent goes to reaching 18- to 34-year-olds. Acknowledging that the 50-plus consumer market is foreign territory to many marketers, author Dick Stroud provides a how-to guide for key elements of a marketing strategy targeting boomers. His new approach to how companies can interact with older customers advocates age-neutral marketing strategies, ensuring the growing numbers of affluent consumers over the age of 50 aren't overlooked. Using research from OMD, the world's second-largest media communications firm in the world, The 50-Plus Market shows why the obsession with youth-centric marketing must end.

"Essential reading for COVID times. . . . The tool we all need right now: a smart, straightforward guide that speaks directly to the question: How can I build a strong immune system? The book is packed with clear, actionable advice for building a strong immune system, losing weight, feeling younger and aging beautifully." –Yahoo! Life How you age is up to you. And it's easy to take charge. From the renowned integrative doctor Frank Lipman comes a radically simple program to reverse the symptoms we reflexively call "normal aging," including feeling achy, stiff, sluggish, weak, and vulnerable to chronic illness. This improves not only our life span but, more importantly, our health span—our quality of life and how we feel. Built on a series of lifestyle changes that energize the body and build and strengthen its immune system, The New Rules of Aging Well is based on ancient wisdom backed up by science: Eat less and practice intermittent fasting. Do 20 minutes a day of something meditative. Switch to gentler workouts, but move as much as possible. Unlock the incredible power of mushrooms. Grow your tribe. Walk barefoot when you can. The result: a rejuvenated you that looks great and feels healthy, happy, sexy, agile, and strong.
