- **CNET**

Boston Acoustics has offered a few soundbar

solutions over the years. One of the latest, as well as the least expensive, in the company's TVEE line is the TVEE Model 25. The Model 25 is currently the entry-level model of the TVEE line, with the TVEE Model 30 being the higher-end unit. With an MSRP of \$349.99, the TVEE Model 25 offers a

simple way to deliver better sound than what your TV can provide.
