Dark Hunt Sourcebooks, Inc. On bookshelves around the world, surrounded by ordinary books bound in paper and leather, rest other volumes of a distinctly strange and grisly sort: those bound in human skin. Would you know one if you held it in your hand? In *Dark Archives*, Megan Rosenbloom seeks out the historic and scientific truths behind anthropodermic bibliopegy—the practice of binding books in this most intimate covering. Dozens of such books live on in the world’s most famous libraries and museums. *Dark Archives* exhumes their origins and brings to life the doctors, murderers, and indigents whose lives are sewn together in this disquieting collection. Along the way, Rosenbloom tells the story of how her team of scientists, curators, and librarians test rumored anthropodermic books, untangling the myths around their creation

and reckoning with the ethics of their custodianship. A librarian and journalist, Rosenbloom is a member of The Order of the Good Death and a cofounder of their Death Salon, a community that encourages conversations, scholarship, and art about mortality and mourning. In *Dark Archives*—captivating and macabre in all the right ways—she has crafted a narrative that is equal parts detective work, academic intrigue, history, and medical curiosity: a book as rare and thrilling as its subject. *Light in Dark Times Bound* and *The Broken* A twisting thriller that taps into a deep well of erotic obsession, sexual betrayal, madness, and murder, *Darkness Bound* goes to fearless extremes to become an authentic and shocking suspense novel. In *Darkness* . . . Two strangers meet. A woman without inhibitions . . . a man without limits . . . for a private game between two consenting adults. In *Darkness* . . . They indulge in every secret fantasy, cross every boundary of sexual deviation. But one of them has a secret yet to be shared, a desire yet to be explored . . . In *Darkness* . . . Fear will become the ultimate pleasure. Revenge, the ultimate reward--and

reality, the deadliest fantasy of all. Now the real games are about to begin.

Abi had no idea whatsoever as to what this thing was. She had never seen anything like this before. She wanted to ask him what this thing was and what he meant by 'put it inside' but the man was so serious, she was afraid she'd fail the test if she showed him that she didn't even know what this was. "Is this clean?" was what she asked instead and the man half-smiled. "It. Is. Very. Clean." He stressed out every word. Still unsure about what to do, Abi hesitantly looked at him and then in the next second, she put it inside her mouth. Excerpt #2 "All you have to do is follow three rules, Abigail..." He started and Abigail held her breathe in anticipation. She was a little nervous. "First, you will be home before or during twilight. Any later than that and you'll be punished. Understand?"
