Bound by Night,
written by Amanda
Ashley is absolutely
captivating! It was
addictive, dramatic,
and best of all,
focused on a true
love story. I would
tell myself that it
was time to go to
bed, and after just
one more chapter, I
would put it down
until tomorrow... 5
or 6 chapters later
I'd finally resign
and put it down.

Amanda Ashley is a very good author with a wonderful imagination that has been able to capture me in the past. Bound by Night was not what I had hoped for. As I began to read the begining of the book, I found it hard to believe that Elena would stay living with her uncle in today's day and age.

"Bound by Night"
was entertaining
but I ultimately
stopped around
the 55% mark to
read a different
book. The pace

was slow and the
plot seemed driven
by Elena/Drake's
inability to think
outside the box.
They acted as if
they only had
singular options
(which is never the
case in real life!),
making the story
unrealistic and in
some cases,
clichéd.
