Charlie Diamond was raised by incredible parents in Prairie Town, Oregon where everyone knows their neighbors and a kid can't get away with anything. To top that off, her father is the small town's preacher, making her nearly untouchable. But that doesn't stop one boy from crossing the line in the sand her father has drawn. Bentley Lawrence III has also been born and raised in Prairie Town as well. As a matter of fact, he's from four generations back, and his family owns a huge ranch, and logging land that employees most of the town. Bentley's twin sister, Stephanie Lawrence is best friends with Charlie, and somewhere between kindergarten and high school Bentley has fallen madly in love with Charlie. Sometimes, though, love just isn't enough, not when unbearable tragedy hits when that seems an insufferable possibility. When Charlie's world falls out from beneath her, a deathbed promise, and a loving best friend, sends Charlie on a whirlwind to find herself and live the dreams she promised Bentley she'd live.

*Vietnam Diary* Harper Collins

Every master was once a student - every woman was once a child ... What makes a person forget their entire identity? What makes them become someone else? What makes them desire pain ... control ... and ultimately pleasure? It's not anything that happens overnight, over even in a few weeks. Tragedy beyond what a human can possibly imagine will forever alter Mary's future. Mary's life is boring, conservative and typical. She wants adventure, thrills and so much more. But she will soon learn to be careful what to wish for when she's taken against her will and thrust into the twisted world of a powerful man who doesn't care if she lives or dies. When Mary starts becoming Elena, she does find a savior, but is he truly the person who will protect her, or will he be the one to escort her straight into the pits of hell?

Forgetting who she is or where she belongs, she learns she can trust no one, rely on only herself, and fall further than she ever

thought possible. She will become someone else and the cycle will begin. She will become the person who will eventually change the life of so many others. Some might say the change is good, the violence is necessary. And some will cry for this tragedy that should have been stopped. Just when you think you know how it all came about, how it will end, you will be floored again by who can be trusted ... and who can't. Note from the author: This book isn't anything like what I've written before. I had a dream, the opening scene of this book, actually. And I woke up and lay there for a while, and still couldn't push it away, so I got up, wrote the first chapter. Then I lay back down and was back out of bed within fifteen minutes, where I gave up on sleep and sat at my computer all night and all the next day until my eyes wouldn't stay open anymore. Then for the next week, all I did was eat and sleep (minimally) and the first draft was born. I was so emotionally drained from it, I put it away for a month, and then came back to it and went back into the world of Elena. My question was, what makes someone enter into a lifestyle of BDSM? What makes them enjoy pain? Enjoy being degraded? Then I realized, it's not a matter of enjoyment necessarily. It's a matter of your world spinning out of control. And this is a way to ground yourself. Elena has become so special to me. The first book is tragic and I cried several times while writing it. The second book, she starts to find herself, and in the third book ... well, the third book leaves your mouth hanging open. I hope you enjoy this journey with me. It's been an emotional one. This book is intended for mature audiences only. There are explicit scenes of abuse, language and questionable sexual situations. Eighteen and older only. This story is about a woman so abused she turns into a person most wouldn't even fathom becoming.
