You can't cheat Fate...and for the record, she really doesn't like it when you betray her, either. Leo is used to having power. After all, he carries the title Lord of the Light for a reason—he's a supernatural powerhouse and his job is protect all of the "light" paranormals in the world. He's used to snapping his fingers and getting anything—or anyone—he wants. But when he fell for Fate, Leo learned that power didn't get a man everything. In fact, it didn't even get him the one woman he wanted most... Fate...AKA Mora (that's the name she prefers to use—a lot less weighty on her shoulders) has spent centuries hiding from her supernatural ex-lover Leo. Most people fear Leo and rightly so. He's got immense power and a definite date with an unfortunate end-of-the-world calamity. When Leo seduced Mora and promised to put the world at her feet, she actually thought the guy had fallen for her. Too late, she discovered he was just using her in an attempt to change

his destiny. And Leo's destiny? It's not pretty. Some very, very bad things are coming for him. Mora shouldn't care about the danger he faces. She should turn her back on her ex. His heart is ice cold, she knows that, but her own heart...it's still a little weak where Leo is concerned. Leo has tried to walk on the side of good for a long time...but his sins are coming back to haunt him. A darkness is trying to consume him, and if Mora can't help him...then it's not just Leo who will pay the price for his past. The whole world will change. You think you know the Lord of the Light? Think again.

A shifter detective's case heats up when he meets the one woman who could expose his secret—or seduce his wild side—in this steamy paranormal romance. Dr. Emily Drake's psychotherapy patients tend to be a little unusual. But healing these powerful beings requires an important rule: Never trust a shifter. Especially not one like Detective Colin Gyth. Helping him catch a killer won't be easy—especially when his gold-flecked eyes and predatory air make Emily long to lose control. Colin can't believe the

doctor he has to work with on the Night Butcher murder case is the one person who could expose his true identity as a wolf shifter. Smart and sexy, Emily brings out the alpha male in Colin, unleashing a wild desire that takes them both over the edge But in the shadows, the Night Butcher waits, eager to spill Emily's blood and taste her terror. And he'll use any means to destroy her, including the one person she has grown to trust . . . "Highly sensual and definitely dangerous."

SLOW BURN is a re-release. It was originally published in 2014 as ONCE BITTEN, TWICE BURNED. The king of the vampires is in hell...and he will do anything to get his freedom. Ryder Duncan has been a prisoner at the Genesis facility for far too long. Trapped, starved, tortured—he is ready to do anything necessary in order to escape. If Genesis wants a monster, he will show his captors just how deadly he can be... Then an angel is tossed into his cage. A beautiful angel who burns hell-hot and wrecks his world. With one taste of Sabine Acadia's blood, Ryder is hooked. Her taste is like no other and the flood of power he gets from her is a supernatural rush. He knows what she is—even before he is forced to watch the flames consume her. Beautiful, magical, more than

a myth...Sabine is a phoenix, and when she rises, he vows that she will be his. Thrown together in an alliance born of blood and passion, they have to trust each other. Escape is their goal. Freedom their dream. Ryder vows to make their captors pay—in blood—even as he plans to keep Sabine at his side. He's roamed this earth for centuries, and he's always searched for his perfect mate. He just never expected his desire for her to burn so hot. But that's the thing about fire...even a slow burn will eventually consume you. Author's Note: The phoenix shifters are back and hotter than ever.
