---

Master Distiller, Frederick Booker Noe III, Beam, Straight Up is the first book to be written by a Beam, the family behind the 217-year whiskey dynasty and makers of one of the world's best-selling bourbons. This book features family history and the evolution of bourbon, including Fred's storied youth "growing up Beam" in Bardstown, Kentucky; his transition from the bottling line to renowned global bourbon ambassador; and his valuable business insights on how to maintain and grow a revered brand. Includes details of Fred Noe's life on the road, spreading the bourbon gospel Describes Fred's journey to becoming the face of one of America's most iconic brands Shares a simple primer on how bourbon is made Offers cocktail and food recipes For anyone wanting a behind the scenes look at Jim Beam, and an understanding of the bourbon industry, Beam, Straight Up will detail the family business, and its role in helping to shape it.

### Kentucky Bourbon Whiskey Bourbon

The distinctive beverage of the Western world, bourbon is Kentucky's illustrious gift to the world of spirits. Although the story of American whiskey is recorded in countless lively pages of our nation's history, the place of bourbon in the American cultural record has long awaited detailed and objective presentation. Not a recipe book or a barman's guide, but a fascinating and informative contribution to Americana, The Social History of Bourbon reflects an aspect of our national cultural identity that many have long suppressed or overlooked. Gerald Carson explores the impact of the liquor's presence during America's early development, as well as bourbon's role in some of the more dramatic events in American

history, including the Whiskey Rebellion, the scandals of the Whiskey Ring, and the "whiskey forts" of the fur trade. The Social History of Bourbon is a revealing look at the role of this classic beverage in the development of American manners and culture.

Bourbon John Wiley & Sons

Experience American history like never before with this unique, informative, and fun guide for history buffs, whiskey enthusiasts, folks who like to cook at home, and fans of popular music. American History Through a Whiskey Glass presents a unique perspective on American history. It describes how bourbon and rye whiskey played a role in the most important events in American history, including the voyage of the Mayflower, George Washington 's failed and successful political campaigns, the Civil War, pioneers moving west, Prohibition (of course), plus many more into the twenty-first century. It does so with descriptions of historical events but also with amusing anecdotes and humorous quotes from the historical figures themselves. The book carefully aligns five elements: a narrative about whiskey 's role in eight periods of American history descriptions and tasting notes for American whiskeys that represent distilled spirits in each historical period tutorials on how whiskey is produced and its numerous varieties period-specific food recipes drawn mostly from historical cookbooks playlists of the popular music during each period The book gives readers an integrated and entertaining perspective on popular culture in America at different times, revealing how Americans have politicked, drank their native spirits, ate, and sang. But it does more; readers will not only learn about America 's history, they can experience it through numerous illustrations, whiskey tasting, food, and music. It provides an opportunity for readers to be involved in a truly immersive approach to life-long learning . . . and it 's fun. Bourbon U of Nebraska Press

Discover the secrets of whiskey's aromas and flavors, the stories behind great distilleries, and expert tasting notes in this updated edition originated by one of the most highly respected commentators in the whiskey world, Michael Jackson.

---

From grain to glass, Whiskey tells you everything and anything you'll ever want to know about whiskey, from storing and serving whiskey, to whiskey cocktails, to pairing whiskey with food. In addition to a refreshed design, this updated edition includes the recent names in whiskey today, a new section devoted to American craft distilleries, and the addition of new distilleries from across Europe, Africa, Asia, and Australia.

#### Beam, Straight Up Penguin

The bible of American whiskeys, bourbons, and ryes is updated! Arranged alphabetically by distillery and then brand, this revised edition features 300 whiskeys—with nearly 100 new entries. In addition to information on buying and choosing whiskey, every entry includes the maker's contact details and products, plus a full account of each bottling, including: age, proof, nose, color, body, palate, price, and rating.

#### Bourbon Empire Indiana University Press

Proclaimed a masterwork when it was originally published in 1995, *The Book of Bourbon and Other Fine American Whiskeys* by Gary Regan and Mardee Haidin Regan runs the gamut of American whiskey. This widely acclaimed work contains details on every aspect of American whiskey up to the mid-1990s. This landmark book contains a concise look at how whiskey in America evolved from the time of the Pilgrims, right through to the end of the twentieth century. Every distillery that was around at that time is comprehensively covered. The vast majority of American whiskeys on the market are described. There are cocktail recipes, recipes for appetizers, entrees, and desserts, all containing whiskey. There's even a chapter that offers guidance to aficionados visiting Kentucky and Tennessee.

#### Bourbon's Backroads William Morrow Paperbacks

"Licentious or bigoted, noble or ignoble," wrote Nancy Mitford, "there has seldom been a dull Bourbon." The story of the Bourbon kings encompasses the two most glorious and turbulent centuries in French history, yet surprisingly, this is still the only narrative account of the dynasty for the general reader. They emerge from a shadowy line of medieval princes in 1589 to rule France for over 200 years, dominating Europe, launching an endless series of wars, creators of the dazzling splendour of Versailles, survivors from the holocaust at the French Revolution. They begin with the dashing figure of Henri IV, with his courage, gaiety and sixty-four mistresses; they include figures such as the Sun King Louis XIV and Louis XVI who ended under the guillotine; they close with the little-known "Henri V" - expected to return and rule France in 1873 but whose refusal to abandon the Lily banner of the Bourbons for the Tricolore finally lost the throne. Desmond Seward sets them in historical perspective, each with his entourage of generals, cardinals and whores, wrestling with a haughty aristocracy and financial crisis. Spiced with scandalous contemporary gossip, here is a splendidly readable book. "A blending of wide historical knowledge and vigorous independent judgement to make a lively, exciting but dependable account for the general reader." *Sunday Times* "Enormously entertaining ... an excellent read ... a cross between a package tour of the Bourbon dynasty and a

---

Guide Michelin to the favourites, mistresses and ministers of the French monarchy." Spectator "Seward's biographies of French kings are always charming and informative. This collection of anecdotes about about the Bourbon kings of France, who reigned, with some interruptions, between 1589 and 1830, is no exception ... a unique attempt at portraying a race of kings who were responsible for both the heights and the depths of the French kingdom ... Seward relies on contemporary accounts and memoirs as well as much recent scholarship to reveal the Bourbons in their glory and their despair." Choice (USA) ..".strong on period atmosphere..." Spectator

Bourbon University Press of Kentucky

The first-ever biography of the man who created America's most famous whiskey Born in Lynchburg, Tennessee, in 1850, Jack Daniel became a legendary moonshiner at age 15 before launching a legitimate distillery ten years later. By the time he died in 1911, he was an American legend-and his Old No. 7 Tennessee sipping whiskey was an international sensation, the winner of gold medals at the St. Louis World's Fair and the Liege International Exposition in Belgium. Blood and Whiskey captures Daniel's indomitable rise in the rough-edged world of the nineteenth-century whiskey trade-and shows how his commitment to quality (his whiskey was always charcoal-filtered) and his flair for marketing and packaging (he launched his distinctive square bottle in 189-5) helped create one of America's most venerable and recognizable brands.

Bourbon Curious Voyageur Press (MN)

A visually stunning illustrated guide to the history, craft, and appreciation of Kentucky bourbon Bourbon, we soon realized, was not just a good drink. It was a drink with a story, from a place, with an unbreakable tie to the people and the land that produced it.

Whiskey expert Clay Risen explores the origins, history, and

evolution of America ' s distilling craft and culture in this luxurious boxed set. From boom to bust and back again, Risen tells the engrossing story of Kentucky whiskey, using interviews, photographs, and archival material to illuminate the singular region where bourbon was born. This meticulously researched book details how bourbon is made, how best to enjoy it, and how to build your own collection, along with profiles of the distilleries and makers that form the landscape of bourbon country.

Whiskey Women LSU Press

Shortly after graduating from University of Glasgow in 1934, Elizabeth " Bessie " Williamson began working as a temporary secretary at the Laphroaig Distillery on the Scottish island Islay. Williamson quickly found herself joining the boys in the tasting room, studying the distillation process, and winning them over with her knowledge of Scottish whisky. After the owner of Laphroaig passed away, Williamson took over the prestigious company and became the American spokesperson for the entire Scotch whisky industry. Impressing clients and showing her passion as the Scotch Whisky Association ' s trade ambassador, she soon gained fame within the industry, becoming known as the greatest female distiller. Whiskey Women tells the tales of women who have created this industry, from Mesopotamia ' s first beer brewers and distillers to America ' s rough-and-tough bootleggers during Prohibition. Women have long distilled, marketed, and owned significant shares in spirits companies. Williamson ' s story is one of many among the influential women who changed the Scotch whisky industry as well as influenced the American bourbon whiskey and Irish whiskey markets. Until now their stories have remained untold.

guided the United States from an often reckless laissez-faire mentality, through the growing pains of industrialization, past the overcorrection of Prohibition, and into its final state as a nation of laws.

Bourbon, Straight University Press of Kentucky

The small town of Bardstown, Kentucky was once an uninhabited wilderness, but in 1780, William Bard lured fellow Pennsylvanians, traveling along the Ohio River, to join him and freely settle his brother's untamed land. He offered rent-free opportunity for the duration of the American Revolution, drawing 33 settlers to clear the region and create a crude brush village called Bardstown. The people of this forested region just south of Louisville would face controversy, population decline, the turmoil of war, and the threat of Prohibition, while upholding a strong pioneer ethic and fostering ties to their unique history. Recognized as one of the best small towns in the United States, as well as the "Bourbon Capital of the World," this community has some big city renown. During the early part of the nineteenth century, Bardstown excelled in state issues, including politics, religion, education, and business. The Civil War would bring significant tensions and a decline in the town's population, but through industrial growth and the development of the lucrative distilling industry, Bardstown gained much fame. Although Prohibition proved economically devastating to many residents, Bardstown survived and grew, enjoying a strong tourist trade today with its almost 300 historic structures and the Kentucky Bourbon Festival each fall.

The Spanish Bourbons Simon and Schuster

New Orleans is a city of many storied streets, but only one conjures up as much unbridled passion as it does fervent hatred, simultaneously polarizing the public while drawing millions of visitors a year. A fascinating investigation into the mile-long urban

space that is Bourbon Street, Richard Campanella's comprehensive cultural history spans from the street's inception during the colonial period through three tumultuous centuries, arriving at the world-famous entertainment strip of today. Clearly written and carefully researched, Campanella's book interweaves world events -- from the Louisiana Purchase to World War II to Hurricane Katrina -- with local and national characters, ranging from presidents to showgirls, to explain how Bourbon Street became an intriguing and singular artifact, uniquely informative of both New Orleans's history and American society. While offering a captivating historical-geographical panorama of Bourbon Street, Campanella also presents a contemporary microview of the area, describing the population, architecture, and local economy, and shows how Bourbon Street operates on a typical night. The fate of these few blocks in the French Quarter is played out on a larger stage, however, as the internationally recognized brands that Bourbon Street merchants and the city of New Orleans strive to promote both clash with and complement each other. An epic narrative detailing the influence of politics, money, race, sex, organized crime, and tourism, *Bourbon Street: A History* ultimately demonstrates that one of the most well-known addresses in North America is more than the epicenter of Mardi Gras; it serves as a battle-ground for a fundamental dispute over cultural authenticity and commodification.

Bourbon Street Made & Bottled in Kentucky

A good bottle of bourbon should be enjoyed in good company. During their travels in bourbon country and beyond to conduct tastings and seminars, entertainment experts Peggy Noe Stevens and Susan Reigler often heard the question, "How do I do this in my home?" This book is their definitive answer. *Which Fork Do I Use with My Bourbon?* offers a step-by-step guide to hosting a

---

successful bourbon-tasting party -- complete with recipes, photos, and tips for beginners and experienced aficionados alike. From decorations to glassware, this one-stop resource will guide readers from the day they mail invitations to the moment they welcome guests through the door. Alongside their favorite snack, entrée, dessert, and cocktail recipes, Stevens and Reigler offer expert tips and tricks from the trade on how to set up a bar, arrange tables, and pair recipes with specific bourbons. Once readers are ready, Stevens and Reigler move on to advanced pairings for the bourbon foodie and present two innovative examples of tasting parties -- a bourbon cocktail soiree and, of course, the traditional Kentucky Derby party. Inspired by the hosting traditions of five Kentucky distilleries, this book promises to motivate bourbon lovers to start their own bourbon-tasting traditions and to expand the expertise of longtime bourbon enthusiasts.

The Ideal Bartender Sterling Publishing (NY)

Betrayal, revenge and a family scandal that bore a 150 – year – old mystery When Cooper McQueen wakes up from a night with a beautiful stranger, it's to discover he's been robbed. The only item stolen—a million-dollar bottle of bourbon. The thief, a mysterious woman named Paris, claims the bottle is rightfully hers. After all, the label itself says it's property of the Maddox family who owned and operated the Red Thread Bourbon distillery since the last days of the Civil War, until the company went out of business for reasons no one knows... No one except Paris. In the small hours of a Louisville morning, Paris unspools the lurid tale of Tamara Maddox, heiress to the distillery that became an empire. There is a legacy of wealth and power, but also of lies, secrets and sins of omission. Why Paris wants the bottle of Red Thread remains a secret until the truth of her identity is at last revealed, and the century-old vengeance Tamara vowed against her family can finally be completed.

How to Be a Bourbon Badass Penguin

Fred Minnick traces bourbon's entire history, beginning with the New World settlers and following right up through today's booming resurgence.

Bardstown Potomac Books, Inc.

“ THE DEFINITIVE HISTORY OF BOURBON. ” —Sacramento Bee A Southern Independent Booksellers Alliance Bestseller A ROLLICKING BIOGRAPHY OF BOURBON WHISKEY THAT DOUBLES AS “ A COMPLEX AND ENTERTAINING ” (WALL STREET JOURNAL) HISTORY OF AMERICA ITSELF Few products are so completely or intimately steeped in the American story as bourbon whiskey.
