Although appointed to faculties of English, history, and communications in addition to economics, she is above all an economist.

"Bourgeois Dignity": The Idea that Created the Modern ...

In this month's lead essay, Deirdre McCloskey summarizes the argument of her forthcoming book, *Bourgeois Dignity: Why Economics Can't Explain the Modern World*. She argues that while the modern world rode an economic tide, the tide did not have economic causes. Changes in thinking and, yes, in rhetoric did the real work.

Center for a Stateless Society » Review: Bourgeois Dignity

The result was an explosion in economic growth and proof that economic change depends less on foreign trade, investment, or material causes, and a whole lot more on ideas and what people believe. Or so says Deirdre N. McCloskey in *Bourgeois Dignity*, a fiercely contrarian history that wages a similar argument about economics in the West. Here ...

Bourgeois Dignity: Why Economics Can't Explain the Modern ...

Deirdre McCloskey. *Bourgeois Dignity: Why Economics Can't Explain the Modern World* (University of Chicago Press, 2011). Bourgeois Dignity's line of inquiry — at least as stated — is into the causes of what Deirdre McCloskey calls “the Fact” — the tenfold or more increase in the average person's standard of living in a couple centuries' time. Her thesis that “the Fact” owed its origins to a culture of innovation, of openness to experimentation and tinkering, and respect ...

Bourgeois Dignity - Wikipedia

The big economic story of our times is not the Great Recession. It is how China and India began to embrace neoliberal ideas of economics and attributed a sense of dignity and liberty to the bourgeoisie they had denied for so long. The result was an explosion in economic growth and proof that economic change depends less on foreign trade, investment, or material causes, and a whole lot more on ideas and what people believe.

Bourgeois Dignity: Why Economics Can't Explain the Modern ...

...
Bourgeois Dignity: Why Economics Can't Explain the Modern World is a 2010 book by economist and social theorist Deirdre McCloskey that is the second of a three-book series laying out the thesis that a change in the rhetoric surrounding the value of business, innovation, and entrepreneurship was the main factor responsible for the takeoff of economic growth in Northwest Europe in the late 18th century. *Bourgeois Dignity* focuses on arguing that there was a fairly significant and ...
