Note: This guide is a walkthrough for players who wish to continue their progression beyond intermediate skills. It is not to be used for speedrunning on new slots and is a basic way of describing the game to advanced level players (level 30+). Now that you are level 30 from grinding in the Spider Queen's Revenge dungeon or grinding in the Nilgarf Sewers, you are ready to move on.

If you are interested in specific filament parameters, you can filter these values. Every parameter can be sorted by clicking on it. Plus, you can filter filaments by selecting various attributes such as mechanical resistance, chemical resistance, flexibility, etc.. Long story short – with our filament guide you'll never again hesitate whether the selected filament is suitable for your needs.
