Since 1958 the Maritime Administration has continuously conducted instructions in use of collision avoidance radar

seafaring personnel and representatives of interested Federal and State Agencies. Beginning in 1963, to facilitate the expansion of training capabilities and at the same time to provide the most modern techniques in training methods, radar simulators were installed in Maritime

Administration's three region schools. It soon became apparent that to properly instruct the trainees, even with the advanced equipment, a standardize up-to-date instruction manual was needed. The first manual was later revised to serve both as a classroom textbook and as an onboard reference handbook. This newly updated manual, the fourth revision, in keeping with Maritime

The details of her personal life during that time are hardly less private, having provided fodder for gossips in several countries. As is so often the case in the career of this illustrious woman, the public story is far from complete. In this, the fourth volume of her memoirs, Lady Trent

Rising young comedian

Moshe Kasher is lucky to  
be alive. He started using  
drugs when he was just 12.

At that point, he had  
already been in  
psychoanalysis for 8 years.

By the time he was 15, he  
had been in and out of  
several mental institutions,

drifting from therapy to  
rehab to arrest to...you get  
the picture. But KASHER

IN THE RYE is not an "eye  
opener" to the horrors of  
addiction. It's a hilarious

memoir about the absurdity  
of it all. When he was a  
young boy, Kasher's

mother took him on a

vacation to the West Coast.

Well it was more like an

abduction. Only not

officially. She stole them

away from their father and

they moved to Oakland ,

California. That's where the

real fun begins, in the war

zone of Oakland Public

Schools. He was more than

just out of control-his

mother walked him around

on a leash, which he

chewed through and ran

away. Those early years

read like part Augusten

Burroughs, part David

Sedaris, with a touch of Jim

Carroll...but a lot more

Jewish. In fact, Kasher

later spends time in a

Brooklyn Hasidic

community. Then came

addiction... Brutally honest

and laugh-out-loud funny,

Kasher's first literary

endeavor finds humor in

even the most horrifying

situations.
