When Stars Are
Scattered Harper
Collins
This unforgettable

memoir, by one of our most gifted writers, introduces us to the young Toby Wolff, by turns tough and vulnerable, crafty and bumbling, and ultimately winning. Separated by divorce from his father and brother, Toby and his mother are constantly on the move, yet they develop an extraordinarily close, almost telepathic relationship. As Toby fights for identity and self-respect against the unrelenting hostility of a new stepfather, his experiences are at once poignant and comical, and Wolff does a masterful job of re-creating the frustrations and cruelties of adolescence. His various schemes - running away to Alaska, forging checks, and stealing cars - lead eventually to an act of outrageous self-

invention that releases him into a new world of possibility.

Fiction. Asian American Studies. In the stories in Karl Taro Greenfeld's NOWTRENDS, a reporter is

sent to Chengdu, China, to interview a young, drug-addled starlet and finds that a fellow journalist with questionable political ties has been imprisoned; a struggling, Japanese artist is asked by government officials to invent a cartoon character that will prove as popular as Disney's Mickey Mouse; and a man carries 2100 milliliters of his own urine as he encounters heckling youths, Meg Whitman, and his father, who may or may not be dead. Greenfeld writes beautifully crafted stories with an authority, humor, and confidence reminiscent of Bret Easton Ellis, Phillip Roth, and Ernest

Hemingway. His stories have been chosen for inclusion in Best American Short Stories 2009 and The PEN/O. Henry Prize Stories 2012.

For years, people have
been asking Ezekiel
“Zeke” Emanuel, the
brash, outspoken, and
fiercely loyal eldest
brother in the Emanuel
clan, the same question:
What did your mom put in
the cereal? Middle brother
Rahm is the mayor of
Chicago, erstwhile White
House chief of staff, and

one of the most colorful
figures in American
politics. Youngest brother
Ari is a Hollywood
superagent, the real-life
model for the character of
Ari Gold on the hit series
Entourage. And Zeke
himself, whom the other
brothers consider to be the
smartest of them all, is
one of the world’s leading
bioethicists and
oncologists, and a former
special advisor for health
policy in the Obama
administration. How did
one family of modest

means produce three such
high-achieving kids? Here,
for the first time, Zeke
provides the answer. Set
amid the tumult of Chicago
in the 1960s and 1970s,
Brothers Emanuel
recounts the intertwined
histories of these three
rambunctious,
hypercompetitive Jewish
American boys, each with
his own unique and
compelling life story. But
ultimately, this is the story
of the entire Emanuel
family: the tough, colorful
Old World grandparents; a

mischievous, loving father who immigrated to the United States with twenty-five dollars and who enthralled his boys with tales of his adventures in Israel's war for independence; and a proud, politically engaged mother who took the boys with her to rallies and protests—including a civil rights march through the streets of Chicago led by Martin Luther King himself. Even as the Emanuels distinguished themselves as individuals, the bond of brotherhood that tied them together was never broken. Brothers Emanuel is a wry, rollicking, and often poignant narrative of how one American family succeeded in raising three extraordinary children. Praise for *Brothers Emanuel* “An endearing, honest and gripping account of an American success story.”—San Francisco Chronicle “A beautiful portrait of growing up Jewish in an urban environment during an era of profound social change.”—Publishers Weekly “This delightful memoir is a deeply personal tale of one family, but it's also about much larger things: America and tribal identity, love and rivalry, and the moral lessons to be learned as you grow up.”—Walter Isaacson “Fascinating . . . a classic tale of an immigrant family.”—Chicago Tribune “Mighty entertaining.”—The Hollywood Reporter “A clear-eyed, candid memoir

that is unique and yet
quintessentially
American.”—BookPage “A
fun read.”—The Forward
