The Abernathy Boys
HarperCollins
NEW YORK TIMES

BESTSELLER When they were kids in the suburbs of Los Angeles in the 1950s, Diane Keaton and her younger brother, Randy, were best friends and companions. But as they grew up, Randy became troubled, then reclusive. Before he was thirty, he was divorced, an alcoholic, a man who couldn't hold on to full-time work—his life a world away from his sister's, and from the rest of their family. Now Diane delves into the nuances of their shared, and separate, pasts to confront the difficult question of why and how Randy ended up living his life on “the other side of normal.” In beautiful and fearless prose intertwined with journal entries, letters, and poetry—much of it

Randy's own—and supplemented by personal photographs and artwork, this insightful, heartfelt memoir contemplates the inner workings of a family, the ties of love and responsibility that hold it together, and the special bond between siblings—even those who are pulled far apart.

A Long Way Gone J. Sterling

A brand-new novel of terror that follows a teenager determined to break from his family's unconventional-and deeply disturbing-traditions. [Adios Pantalones](#) Shambhala Publications

This unforgettable memoir, by one of our most gifted writers, introduces us to the young Toby Wolff, by turns tough and vulnerable, crafty and bumbling, and ultimately winning. Separated by divorce from his father and brother, Toby and his mother are constantly on the move, yet they develop an extraordinarily close, almost telepathic relationship. As Toby fights for identity and self-respect against the unrelenting hostility of a new stepfather, his experiences are at once poignant and comical,

and Wolff does a masterful job of re-creating the frustrations and cruelties of adolescence. His various schemes - running away to Alaska, forging checks, and stealing cars - lead eventually to an act of outrageous self-invention that releases him into a new world of possibility.

Being the Other One
Harper Collins

A Boy Made of Blocks is a funny, heartwarming story of family and love inspired by the author's own experiences with his

son, the perfect latest obsession for fans of The Rosie Project, David Nicholls and Jojo Moyes. A father who rediscovers love Alex loves his wife Jody, but has forgotten how to show it. He loves his son Sam, but doesn't understand him. He needs a reason to grab his future with both hands. A son who shows him how to live Meet eight-year-old Sam: beautiful, surprising - and

different. To him the world is a frightening mystery. But as his imagination comes to life, his family will be changed . . . for good. "One of those wonderful books that makes you laugh and cry at the same time." Good Housekeeping "Funny, expertly plotted and written with enormous heart. Readers who enjoyed The Rosie Project will love A Boy Made of Blocks - I did." Graeme Simsion "Very

funny, incredibly poignant and full of insight. Awesome." Jenny Colgan "A wonderful, warm, insightful novel about family, friendship and love." Daily Mail "A charming and timely tale of learning to connect in the digital age." Kirkus "This is an author who understands fatherhood and boyhood and everything in between. A truly beautiful book." Matthew Dicks, author

of *Memoirs of An Imaginary Friend* "A Boy Made of Blocks will make you laugh and cry in equal measure; a book you won't soon forget." Brenda Janowitz, author of *The Dinner Party* *The Reason I Jump* Simon and Schuster Set in the 1970s, a young black boy's quest to reunite with his beloved white half-brother after they are separated in foster care. -- Provided by publisher. [The Boy on the Wooden Box](#) Macmillan

Fiction. Asian American Studies. In the stories in Karl Taro Greenfeld's NOWTRENDS, a reporter is sent to Chengdu, China, to interview a young, drug-addled starlet and finds that a fellow journalist with questionable political ties has been imprisoned; a struggling, Japanese artist is asked by government officials to invent a cartoon character that will prove as popular as Disney's Mickey Mouse; and a man carries 2100 milliliters of his own urine as he encounters heckling youths, Meg Whitman, and his father, who may or may not be dead. Greenfeld writes beautifully crafted

stories with an authority, humor, and confidence reminiscent of Bret Easton Ellis, Phillip Roth, and Ernest Hemingway. His stories have been chosen for inclusion in Best American Short Stories 2009 and The PEN/O. Henry Prize Stories 2012.

Guy Hater Bloomsbury Pub Limited

From the creators of the New York Times bestselling Ladybug Girl series comes a story about sibling cooperation and play featuring a member of the Bug Squad, Bumblebee Boy! When Sam is Bumblebee Boy, he likes to

fly alone, using his imagination to battle dragons, pirates, and tigers. Sam's little brother, Owen, would like to play with him, but Owen doesn't have a cape or a mask, and Bumblebee Boy doesn't need his help. But when more aliens than Bumblebee Boy can handle land on the moon, will he be able to defeat them by himself? Through their imaginary adventures, Sam and Owen discover just how much fun a brother can be, and learn that there are times to play alone and times to play with

others.

A Child Called Noah St.
Martin's Press

Recounts the author's relationship with his autistic brother Noah and the struggles their family endured when treating the illness.

NEW YORK TIMES

BESTSELLER • "As sweet and funny and sad and true and heartfelt a memoir as one could find." —from the foreword by Augusten Burroughs Ever since he was young, John Robison

longed to connect with other people, but by the time he was a teenager, his odd habits—an inclination to blurt out non sequiturs, avoid eye contact, dismantle radios, and dig five-foot holes (and stick his younger brother, Augusten Burroughs, in them)—had earned him the label “social deviant.” It was not until he was forty that he was diagnosed with a form of autism called Asperger’s syndrome. That understanding transformed the way he saw himself—and the world. A born storyteller, Robison has written a

moving, darkly funny memoir about a life that has taken him from developing exploding guitars for KISS to building a family of his own. It’s a strange, sly, indelible account—sometimes alien yet always deeply human. *Nowtrends* Alfred A. Knopf Books for Young Readers Can a popular bartender win over a strong single mom? From New York Times bestselling author J. Sterling comes a thrilling new standalone romance you won't want to miss. Everyone knows who the Fisher brothers are; the hottest single bartenders this side of the Santa Monica

Pier. Which is exactly why when I run into Ryan Fisher one day at the beach, I intend to steer clear of him and his sexy, playboy ways. I've heard the rumors. I know his type. I've seen him in action. And I'm not interested. But Ryan has other ideas. He's convinced that I have him all wrong. But I don't have the luxury of making mistakes when it comes to men. Not anymore. Being a single mom does that to a woman. There's only room in my life for one boy: and his name isn't Ryan. So why won't he go away and leave me alone already? Bloomsbury Publishing USA NATIONAL BESTSELLER For

years, people have been asking Ezekiel “Zeke” Emanuel, the brash, outspoken, and fiercely loyal eldest brother in the Emanuel clan, the same question: What did your mom put in the cereal? Middle brother Rahm is the mayor of Chicago, erstwhile White House chief of staff, and one of the most colorful figures in American politics. Youngest brother Ari is a Hollywood superagent, the real-life model for the character of Ari Gold on the hit series *Entourage*. And Zeke himself, whom the other brothers consider to be the smartest of them all, is one of the world’s leading bioethicists and oncologists, and a former

special advisor for health policy in the Obama administration. How did one family of modest means produce three such high-achieving kids? Here, for the first time, Zeke provides the answer. Set amid the tumult of Chicago in the 1960s and 1970s, *Brothers Emanuel* recounts the intertwined histories of these three rambunctious, hypercompetitive Jewish American boys, each with his own unique and compelling life story. But ultimately, this is the story of the entire Emanuel family: the tough, colorful Old World grandparents; a mischievous, loving father who immigrated to the United

States with twenty-five dollars and who enthralled his boys with tales of his adventures in Israel’s war for independence; and a proud, politically engaged mother who took the boys with her to rallies and protests—including a civil rights march through the streets of Chicago led by Martin Luther King himself. Even as the Emanuels distinguished themselves as individuals, the bond of brotherhood that tied them together was never broken. *Brothers Emanuel* is a wry, rollicking, and often poignant narrative of how one American family succeeded in raising three extraordinary children. Praise for *Brothers*

Emanuel “An endearing, honest and gripping account of an American success story.”—San Francisco Chronicle “A beautiful portrait of growing up Jewish in an urban environment during an era of profound social change.”—Publishers Weekly “This delightful memoir is a deeply personal tale of one family, but it’s also about much larger things: America and tribal identity, love and rivalry, and the moral lessons to be learned as you grow up.”—Walter Isaacson “Fascinating . . . a classic tale of an immigrant family.”—Chicago Tribune “Mighty entertaining.”—The

Hollywood Reporter “A clear-eyed, candid memoir that is unique and yet quintessentially American.”—BookPage “A fun read.”—The Forward The Amazing Adventures of Bumblebee Boy Philomel Andy Lembo is bent on becoming the starting catcher on a talent-packed varsity baseball team in his senior year at a new high school - where his brother, Daniel, a junior, is the team's ace and has Major League scouts drooling. The brothers are tight and share a dream to win the state championship. But Andy carries extra burdens, from

panic attacks to a shaky relationship with their father. When he loses his biggest supporter in a freak accident, Andy has to find the strength to return to school and the team. Boy Alone Turtleback Books When there's a disabled child in the family, how are normally developing siblings affected? According to Kate Strohm, a counselor and health educator, siblings of the disabled face particular emotional challenges that are often overlooked. Able siblings commonly struggle with feelings of isolation,

grief, anger, and anxiety—and these and other emotional issues can have lifelong effects. Being the Other One is based on the author's own experience (as a sibling of a sister with cerebral palsy) and on extensive interviews she conducted with siblings of all ages. In clear and compassionate terms, Strohm explores the often secret feelings of siblings and offers valuable strategies for coping with the challenges they face. Being the Other One reveals the difficulties faced by siblings at all stages of life, from

early childhood through adulthood, when siblings must often assume responsibility for the care of their disabled brothers and sisters. Though the book looks honestly at the many challenges that siblings face, it is full of encouragement and practical strategies. Strohm emphasizes that when siblings are able to clearly identify and openly express their feelings and concerns—and when parents and health professionals offer the needed support—siblings can thrive. This book includes writing

exercises for personal exploration and a substantial resources section listing helpful books, organizations, and websites.

Brothers Emanuel
Penguin

Having arrived in San Francisco from China to work in his brother's store, Ming is lonely until an Irish boy befriends him.

Brother Penguin

Grove/Atlantic, Inc.

Boy Alone Harper Collins
This Boy's Life Little, Brown Books for Young Readers

A loving and candid profile of the late performing artist by his brother traces their shared childhoods, Michael's meteoric rise to fame, the scandals that overshadowed his career and the private dynamics behind his public persona and tragic early death. 200,000 first printing.

Educated Harper Collins

At the height of China's Cultural Revolution a powerful general fathered two sons. Tan was born to

the general's wife and into a life of comfort and luxury. His half brother, Shento, was born to the general's mistress, who threw herself off a cliff in the mountains of Balan only moments after delivering her child. Growing up, each remained ignorant of the other's existence. In Beijing, Tan enjoyed the best schools, the finest clothes, and the prettiest girls. Shento was raised on the mountainside by an old healer and his wife until their deaths landed him in an orphanage, where he was always hungry, alone, and frightened. Though on divergent roads, each brother is driven by a passionate desire—one to glorify his father, the other to seek revenge against him. Separated by distance and opportunity, Tan and Shento follow the paths that lie before them, while unknowingly falling in love with the same woman and moving toward the explosive moment when their fates finally merge. Brothers, by bestselling memoirist Da Chen, is a sprawling, dynamic family saga, complete with assassinations, love affairs, narrowly missed opportunities, and the ineluctable fulfillment of destiny.
