Two young boys encounter the best and worst of humanity during the Holocaust in this powerful read that USA Today called "as memorable an introduction to the subject as The Diary of Anne Frank." Berlin, 1942: When Bruno returns home from school one day, he discovers that his belongings are being packed in crates. His father has received a promotion and the family must move to a new house far, far away, where there is no one to play with and nothing to do. A tall fence stretches as far as the eye can see and cuts him off from the strange people in the distance. But Bruno longs to be an explorer and decides that there must be more to this desolate new place than meets the eye. While exploring his new environment, he meets another boy whose life and circumstances are very different from his own, and their meeting results in a friendship that has devastating consequences.

Wilderness Survival Tip #1 Drinking your own sweat will not save your life. Somebody might have told you that, but they were trying to find out if you'd really do it. Henry Lambert would rather play video games than spend time in the great outdoors—but that doesn't make him a wuss. Skinny nerd? Fine. But wuss is a little harsh. Sadly, his dad doesn't agree. Which is why Henry is being shipped off to Strongwoods Survival Camp. Strongwoods isn't exactly as advertised. It looks like the victim of a zombie apocalypse, the "camp director" is a psycho drill sergeant, and Henry's sure he saw a sign written in blood... Wilderness Survival Tip #2 In case of an avalanche, don't despair. You're doomed, but that's a wicked cool death. Wilderness Survival Tip #3 If you're relying on this book for actual survival tips, you're dead already.
