"Places do not belong to us. We belong to them." The child of South Asian migrants, Kazim Ali was born in London, lived as a child in the cities and small towns of Manitoba, and made a life in the United States. As a man passing through disparate homes, he has never felt he belonged to a place. And yet, one day, the celebrated poet and essayist finds himself thinking of the boreal forests and lush waterways of Jenpeg, a community thrown up around the building of a hydroelectric dam on the Nelson River, where he once lived for several years as a child. Does the town still exist, he wonders? Is the dam still operational? When Ali goes searching, however, he finds not news of Jenpeg, but of the local Pimicikamak community. Facing environmental destruction and broken promises from the Canadian government, they have evicted Manitoba's electric utility from the dam on Cross Lake. In a place where water is an integral part of social and cultural life, the community demands accountability for the harm that the utility has caused. Troubled, Ali returns north, looking to understand his place in this story and eager to listen. Over the course of a week, he participates in community life, speaks with Elders and community members, and learns about the politics of the dam from Chief Cathy Merrick. He drinks tea with activists, eats corned beef hash with the Chief, and learns about the history of the dam, built on land that was never ceded, and Jenpeg, a town that now exists mostly in his memory. In building relationships with his former neighbors, Ali explores questions of land and power and in remembering a lost connection to this place, finally finds a home he might belong to.

Boyhood Boyhood Scenes from Provincial Life

An authoritative review of literary biography covering the seventeenth century to the twentieth century A Companion to Literary Biography offers a comprehensive account of literary biography spanning the history of the genre across three centuries. The editor – an esteemed literary biographer and noted expert in the field – has encouraged contributors to explore the theoretical and methodological questions raised by the writing of biographies of writers. The text examines how biographers have dealt with the lives of classic authors from Chaucer to contemporary figures such as Kingsley Amis. The Companion brings a new perspective on how literary biography enables the reader to deal with the relationship between the writer and their work. Literary biography is the most popular form of writing about writing, yet it has been largely neglected in the academic community. This volume bridges the gap between literary biography as a popular genre and its relevance for the academic study of literature. This important work: Allows the author of a biography to be treated as part of the process of interpretation and investigates biographical reading as an important aspect of criticism Examines the birth of literary biography at the close of the seventeenth century and considers its expansion through the eighteenth, nineteenth and twentieth centuries Addresses the status and writing of literary biography from numerous perspectives and with regard to various sources, methodologies and theories Reviews the ways in which literary biography has played a role in our perception of writers in the mainstream of the English canon from Chaucer to the present day Written for students at the undergraduate level, through postgraduate and doctoral levels, as well as academics, A Companion to Literary Biography illustrates and accounts for the importance of the literary biography as a vital element of criticism and as an index to our perception of literary history.

Nobel Laureate and two-time Booker prize-winning author of *Disgrace* and *The Life and Times of Michael K*, J. M. Coetzee tells the remarkable story of a nation gripped in brutal apartheid in his Sunday Express Book of the Year award-winner *Age of Iron*. In Cape Town, South Africa, an elderly classics professor writes a letter to her distant daughter, recounting the strange and disturbing events of her dying days. She has been opposed to the lies and the brutality of apartheid all her life, but now she finds herself coming face to face with its true horrors: the hounding by the police of her servant's son, the burning of a nearby black township, the murder by security forces of a teenage activist who seeks refuge in her house. Through it all, her only companion, the only person to whom she can confess her mounting anger and despair, is a homeless man who one day appears on her doorstep. In *Age of Iron*, J. M. Coetzee brings his searing insight and masterful control of language to bear on one of the darkest episodes of our times. 'Quite simply a magnificent and unforgettable work' Daily Telegraph 'A superbly realized novel whose truth cuts to the bone' The New York Times 'A remarkable work by a brilliant writer' Wall Street Journal South African author J. The third volume--the book that made Knausgaard a phenomenon in the United States--in the addictive New York Times bestselling series *A Family of Four*--mother, father, and two boys--move to the south coast of Norway, to a new house on a newly developed site. It is the early 1970s and the family's trajectory is upwardly mobile: the future seems limitless. In painstaking, sometimes self-lacerating detail, Karl Ove Knausgaard paints a world familiar to anyone who can recall the intensity and novelty of childhood experience, one in which children and adults lead parallel lives that never meet. Perhaps the most Proustian in the series, *My Struggle: Book 3* gives us Knausgaard's vivid, technicolor recollections of childhood, his emerging self-understanding, and the multilayered nature of time's passing, memory, and existence.

Boyhood Penguin

J.M. Coetzee's latest novel, *The Schooldays of Jesus*, is now available from Viking. Late Essays: 2006-2016 will be available January 2018. J.M. Coetzee: What relationship do I have with my life history? Am I its conscious author, or should I think of myself as simply a voice uttering with as little interference as possible a stream of words welling up from my interior? Arabella Kurtz: One way of thinking about psychoanalysis is to say that it is aimed at setting free the narrative or autobiographical imagination. The Good Story is a fascinating dialogue about psychotherapy and the art of storytelling between a writer with a long-standing interest in moral psychology and a psychotherapist with training in literary studies. Coetzee and Kurtz consider psychotherapy and its wider social context from different perspectives, but at the heart of both of their approaches is a concern with narrative. Working alone, the writer is in control of the story he or she tells. The therapist, on the other hand, collaborates with the patient in developing an account of the patient's life and identity that is both meaningful and true. In a meeting of minds that is illuminating and thought-provoking, the authors discuss both individual psychology and the psychology of the group: the school classroom, gangs and the settler nation, in which the brutal deeds of ancestors are accommodated into a national story. Drawing on great writers like Cervantes and Dostoevsky and psychoanalysts like Freud and Melanie Klein, Coetzee and Kurtz explore the human capacity for self-examination, our wish to tell our own life stories and the resistances we encounter along the way.

In *Boyhood*, J. M. Coetzee revisits the South Africa of half a century ago, to write about his childhood and interior life. Boyhood's young narrator grew up in a small country town. With a father he imitated but could not respect, and a mother he both adored and resented, he picked his way through a world that refused to explain its rules, but whose rules he knew he must obey. Steering between these contradictions, *Boyhood* evokes the tensions, delights and terrors of childhood with startling, haunting immediacy. Coetzee examines his young self with the dispassionate curiosity of an explorer rediscovering his own early footprints, and the account of his progress is bright, hard and simply compelling.

The Enigma of Arrival Penguin

The Nobel Prize-winning author's brilliant trilogy of fictionalized memoirs--now available in one volume for the first time. J.M. Coetzee's latest novel, *The Schooldays of Jesus*, is now available from Viking. Late Essays: 2006-2016 will be available January 2018. Few writers have won as much critical acclaim and as many admirers in the literary world as J. M.

Coetzee. Yet the celebrated author rarely spoke of himself until the 1997 arrival of *Boyhood*, a masterly and evocative tale of a young writer's beginnings. Continuing with the fiercely tender *Youth* and the innovative *Summertime*, *Scenes from Provincial Life* is a heartbreaking and often very funny portrait of the artist by one of the world's greatest writers.

"Fiercely revealing, bluntly unsentimental. . . a telling portrait of the artist as a young man that illuminates the hidden source of his art."
—Michiko Kakutani, *The New York Times* J.M. Coetzee's latest novel, *The Schooldays of Jesus*, is now available from Viking. *Late Essays: 2006-2016* will be available January 2018. Coetzee grew up in a new development north of Cape Town, tormented by guilt and fear. With a father he despised, and a mother he both adored and resented, he led a double life—the brilliant and well-behaved student at school, the princely despot at home, always terrified of losing his mother's love. His first encounters with literature, the awakenings of sexual desire, and a growing awareness of apartheid left him with baffling questions; and only in his love of the high veld ("farms are places of freedom, of life") could he find a sense of belonging. Bold and telling, this masterly evocation of a young boy's life is the book Coetzee's many admirers have been waiting for, but never could have expected.

His subjects range from eighteenth and nineteenth century writers Daniel Defoe, Samuel Richardson and Ivan Turgenev, to the great German modernists Rilke, Kafka, and Musil, to the giants of late twentieth century literature, among them Harry Mulisch, Joseph Brodsky, Jorge Luis Borges, Salman Rushdie, Amos Oz, Naguib Mahfouz, Nadine Gordimer and Doris Lessing.

Exchanges on Truth, Fiction and Psychotherapy Penguin

After crossing oceans, a man and a boy arrive in a new land. Here they are each assigned a name and an age, and held in a camp in the desert while they learn Spanish, the language of their new country. As Simón and David they make their way to the relocation centre in the city of Novilla, where officialdom treats them politely but not necessarily helpfully. Simón finds a job in a grain wharf. The work is unfamiliar and backbreaking, but he soon warms to his stevedore comrades, who during breaks conduct philosophical dialogues on the dignity of labour, and generally take him to their hearts. Now he must set about his task of locating the boy's mother. Though like everyone else who arrives in this new country he seems to be washed clean of all traces of memory, he is convinced he will know her when he sees her. And indeed, while walking with the boy in the countryside Simón catches sight of a woman he is certain is the mother, and persuades her to assume the role. David's new mother comes to realise that he is an exceptional child, a bright, dreamy boy with highly unusual ideas about the world. But the school authorities detect a rebellious streak in him and insist he be sent to a special school far away. His mother refuses to yield him up, and it is Simón who must drive the car as the trio flees across the mountains. *THE CHILDHOOD OF JESUS* is a profound, beautiful and continually surprising novel from a very great writer.
