The author of *Desiring God* reveals the biblical evidence to help us see and savor what the pleasures of God show us about Him. Includes a study guide for individual and small-group use. Isn't it true—we really don't know someone until we understand what makes that person happy? And

so it is with God! What does bring delight to the happiest Being in the universe? John Piper writes, that it's only when we know what makes God glad that we'll know the greatness of His glory. Therefore, we must comprehend "the pleasures of God." Unlike so much of what is written today, this is not a book about us. It is about the One we were made for—God Himself. In this theological masterpiece—chosen by *World Magazine* as one of the 20th Century's top 100 books, John Piper reveals the biblical evidence to help us see and

savor what the pleasures of God show us about Him. Then we will be able to drink deeply—and satisfyingly—from the only well that offers living water. What followers of Jesus need now, more than anything else, is to know and love—behold and embrace—the great, glorious, sovereign, happy God of the Bible. The Christian Athlete London : C. Wilson
A Mississippi town in 1964 gets riled when tempers flare at the segregated public pool. As much as Gloriana June Hemphill, or Glory as everyone knows her,

wants to turn twelve, there are times when Glory wishes she could turn back the clock a year. Jesslyn, her sister and former confidante, no longer has the time of day for her now that she'll be entering high school. Then there's her best friend, Frankie. Things have always been so easy with Frankie, and now suddenly they aren't. Maybe it's the new

girl from the North that's got everyone out of sorts. Or maybe it's the debate about whether or not the town should keep the segregated public pool open. Augusta Scattergood has drawn on real-life events to create a memorable novel about family, friendship, and choices that aren't always easy.

When the decorated Captain of a great ship descends the gangplank for the final time, a new leader, a man with a yellow feather in his hair, vows to step forward. Though he has no experience, no	knowledge of nautical navigation or maritime law, and though he has often remarked he doesn't much like boats, he solemnly swears to shake things up. Together with his band of petty thieves and confidence men known as the Upskirt Boys, the Captain thrills his passengers, writing his dreams and notions on the cafeteria wipe-away board, boasting of his exemplary anatomy, devouring cheeseburgers, and tossing overboard

Until one day a famous pirate, long feared by passengers of the Glory but revered by the Captain for how phenomenally masculine he looked without a shirt while riding a horse, appears on the horizon . . . Absurd, hilarious, and all too recognizable, The Captain and the Glory is a wicked farce of contemporary America only Dave Eggers could dream up.
