Sometimes there's a town called Indianola. And sometimes there isn't. A New York Public Library Best Book of the Year June, 1993. Claire has been dumped in rural Indianola, Texas, to spend her whole vacation taking care of mean, sickly Grammy. There's nothing too remarkable about Indianola: it's run-down, shabby, and sweltering, a pin-dot on the Gulf Coast. Except there is something remarkable. Memories shimmer and change. Lizards whisper riddles under the pecan trees. People disappear as if they never existed. Yesterday keeps coming unspooled, like a video tape. And worst of all, a red-lightning storm from beyond our world may just wipe the whole town off the map, if Claire and her maybe-girlfriend Julie can't stop it. Because reality doesn't apply in Indianola. Indianola is not supposed to exist. Surprising, brilliant, and, like, totally tight, *Forget This Ever Happened* is speculative horror at its finest, featuring a queer romance from a Pushcart Prize-nominated queer author and dark, dazzling world-building.

The struggle over slavery divided not only the American nation but also the hearts and minds of individual citizens faced with the timeless problem of when to submit to unjust laws and when to resist. *The War Before the War* illuminates what brought us to war with ourselves and the terrible legacies of slavery that are with us still.

NATIONAL BESTSELLER • Provocative and illuminating essays from women at the forefront of the climate movement who are harnessing truth, courage, and solutions to lead humanity forward. “ A powerful read that fills one with, dare I say . . . hope? ” —The New York Times NAMED ONE OF THE BEST BOOKS OF THE YEAR BY SMITHSONIAN MAGAZINE There is a renaissance blooming in the climate movement: leadership that is more characteristically feminine and more faithfully feminist, rooted in compassion, connection, creativity, and collaboration. While it's clear that women and girls are vital voices and agents of change for this planet, they are too often missing from the proverbial table. More than a problem of bias, it's a dynamic that sets us up for failure. To change everything, we need everyone. *All We Can Save* illuminates the expertise and insights of dozens of diverse women leading on climate in the United States—scientists, journalists, farmers, lawyers, teachers, activists, innovators, wonks, and designers, across generations, geographies, and race—and aims to advance a more representative, nuanced, and solution-oriented public conversation on the climate crisis. These women offer a spectrum of ideas and insights for how we can rapidly, radically reshape society. Intermixing essays with poetry and art, this book is both a balm and a guide for knowing and holding what has been done to the world, while bolstering our resolve never to give up on one another or our collective future. We must summon truth, courage, and solutions to turn away from the brink and toward life-giving possibility. Curated by two climate leaders, this collection is a celebration of visionaries who are leading us on a path toward all we can save. NEW YORK TIMES BESTSELLER The beloved Fannie Flagg is at her irresistible and hilarious best in *I Still Dream About You*, a comic mystery romp through the streets of Birmingham, Alabama, past, present, and future. Meet Maggie Fortenberry, a still beautiful former Miss Alabama. To others, Maggie's life seems practically perfect—she's lovely, charming, and a successful agent at Red Mountain Realty. Still, Maggie can't help but wonder how she wound up living a life so different from the one she dreamed of as a child. But just when things seem completely hopeless, and the secrets of Maggie's past drive her to a radical plan to solve it all, Maggie discovers, quite by accident, that everybody, it seems, has at least one little secret. I

Still Dream About You is a wonderful novel that is equal parts southern charm, murder mystery, and that perfect combination of comedy and old-fashioned wisdom that can be served up only by America's own remarkable Fannie Flagg. Praise for I Still Dream About You "[Fannie Flagg is] a born storyteller."—The New York Times Book Review "Undoubtedly [Flagg's] wisest book, comic and compassionate . . . Born of a tender heart and nurtured by an imaginative mind, it's certain to touch the reader's soul."—Richmond Times Dispatch "A fun and rollicking Nancy Drew mystery for grown-ups."—The Birmingham News "Classic Fannie . . . The Librarian's Guide to Homelessness Harper Collins  
The New York Times—bestselling collection of poems from the award-winning writer Ocean Vuong "Take your time with these poems, and return to them often." —The Washington Post How else do we return to ourselves but to fold the page so it points to the good part In this deeply intimate second poetry collection, Ocean Vuong searches for life among the aftershocks of his mother's death, embodying the paradox of sitting within grief while being determined to survive beyond it. Shifting through memory, and in concert with the themes of his novel *On Earth We're Briefly Gorgeous*, Vuong contends with personal loss, the meaning of family, and the cost of being the product of an American war in America. At once vivid, brave, and propulsive, Vuong's poems circle fragmented lives to find both restoration as well as the epicenter of the break. The author of the critically acclaimed poetry collection *Night Sky With Exit Wounds*, winner of the 2016 Whiting Award, the 2017 T. S. Eliot Prize, and a 2019 MacArthur fellow, Vuong writes directly to our humanity without losing sight of the current moment. These poems represent a more innovative and daring experimentation with language and form, illuminating how the themes we perennially live in and question are truly inexhaustible. Bold and prescient, and a testament to tenderness in the face of violence, *Time Is a Mother* is a return and a forging forth all at once.

Lori Lansens became one of Canada's most sought after writers more than a year before her internationally heralded first book, *Rush Home Road*, would see publication in April 2002. So immediately and passionately was her novel embraced that it was already front-page arts news back in April 2001. Knopf Canada was the first publisher to buy this extraordinary debut novel, but just before the 2001 London Book Fair, Little, Brown US bought the rest of the world rights for a major six-figure sum (for *Rush Home Road* and the author's yet-to-be-written second novel), and rights have now been sold in numerous countries. The *Globe* and

*Mail* reported the record-breaking news with full, front-page coverage, and Little, Brown International Rights Director Linda Biagi found herself talking of nothing else in London; she sold *Rush Home Road* to a further 9 territories with the manuscript still unedited. Biagi likened the book to some of the most important literary achievements of our time, saying, "It's as if John Irving had written *The Color Purple*." Louise Dennys, the Executive Publisher of Knopf Canada, describes it as "a novel of startling beauty and great heart that will immediately find a place within that small, special tribe of books beloved by readers the world over." The untold story of the descendants of the Underground Railroad heartbreaking and wise, *Rush Home Road* tells the life story of Adelaide Shadd, who finds redemption in old age, and Sharla, a five-year-old mixed race girl abandoned to Addy's care by her white mother. Born in the first decade of the 20th century in Rusholme (inspired by the real town of Buxton), in southwestern Ontario, an all-black community settled by fugitive slaves, Addy Shadd is raped as a teenager and forced to flee the family home. She makes her way on foot to Detroit, where she becomes the housekeeper for an elderly man and his grown son, both of whom develop a crush on her. When misfortune strikes again, she sets off to make a new life for herself in Canada. Thrown off the train at Keating, not far from her birthplace, she meets and eventually marries the train porter, the wonderful Mose, with whom she has a daughter. But when tragedy strikes, Addy is left alone. Now an old woman, she lives a quiet existence in a trailer park near Chatham. Her whole world changes when a young mother asks her to babysit her daughter, as it soon becomes clear that the mother is never coming back. Addy is glad of the company, but not sure if she's up to the job of mothering this sweet, awkward five-year-old. Nor is she sure how much longer she'll be around to do so. How she manages is part of the story of this brilliantly captivating novel. Written with verve, grace and unflinching emotional acuity, *Rush Home Road* is an epic story that explodes our notions of identity, justice, and heroism, penetrating one of our darkest periods with profound insight and humanity. Addy Shadd is a protagonist like no other -- full of quiet, steely bravery and tenderness of heart. This spellbinding novel will leave no reader untouched.

Prisoners are in a grey area regarding library services. Prison libraries violate many tenets of librarianship, with the justification

of maintaining order. The field is de-professionalized--many positions are filled by persons without degrees in library science, and corrections administrators often write policy for services. Critics cite the need to implement public library service models despite practical difficulties. This book investigates state, national and international policies on prison libraries, reviews literature on the topic and describes partnerships between prisons and public libraries. Results from a national survey and follow-up interviews are included, providing a full narrative of policy outcomes in U.S. prisons.

By the award-winning author of *Team of Rivals* and *The Bully Pulpit*, *Wait Till Next Year* is Doris Kearns Goodwin's touching memoir of growing up in love with her family and baseball. Set in the suburbs of New York in the 1950s, *Wait Till Next Year* re-creates the postwar era, when the corner store was a place to share stories and neighborhoods were equally divided between Dodger, Giant, and Yankee fans. We meet the people who most influenced Goodwin's early life: her mother, who taught her the joy of books but whose debilitating illness left her housebound; and her father, who taught her the joy of baseball and to root for the Dodgers of Jackie Robinson, Roy Campanella, Pee Wee Reese, Duke Snider, and Gil Hodges. Most important, Goodwin describes with eloquence how the Dodgers' leaving Brooklyn in 1957, and the death of her mother soon after, marked both the end of an era and, for her, the end of childhood.
