The three books of the New York Times,

USA Today, and Publishers Weekly bestselling Gemma Doyle trilogy available together for the first time, from the author of The Diviners series and Going Bovine. This collection contains the complete text of the three Gemma Doyle novels, a deliciously sweeping and haunting saga that won't let you go.

It's the only way to get all three of Libba Bray's critically acclaimed novels in one bundle. A Great and Terrible Beauty: Gemma Doyle finds an icy reception at the Spence Academy in London, where she becomes entangled with the leader of the school's most powerful clique and discovers her own mother's connection to a shadowy group called the Order. Rebel Angels: Gemma is looking forward to spending time in London over Christmas, but her troubled visions of three girls dressed in white are intensifying and only the enchanted realms can give Gemma the answers she needs. The Sweet Far Thing: In a world where rules are everything, a girl like Gemma survive? The conclusion to the bestselling series. Praise for Libba Bray's novels: A Great and Terrible Beauty "A delicious, elegant gothic."—PW, Starred "Shivery with both passion and terror."—Kirkus Reviews "A true boarding-school drama, full of cattiness, Victorian

“A rare treat that offers a bit of everything—romance, magic, history, Gothic intrigue—and delivers on all of it in 819 beautifully crafted pages.”—People “A triumphant conclusion of the trilogy begun in A Great and Terrible Beauty.”—PW, in its Best Books of the Year review Going Bovine “Libba Bray's fabulous new

worth of drumming lessons under her belt, she starts assembling her band. With her cousin Kyra agreeing to play bass, soon Tig has her piano-playing friend Olivia down for the keyboard. And then she convinces tough girl Robbie Chan to sign on as lead guitarist. With a cool name--Pandora's Box--all the band needs now is a killer lead singer. How hard

can that be? But when Kyra invites obnoxious diva Haley Thornton to join the band, Tig realizes snagging a lead singer--the right lead singer--is not going to be easy. Everyone says the drummer is the heartbeat of a band--does Tig have what it takes to lead Pandora's Box?

The "extraordinary . . . monumental masterpiece" (Booklist) that changed the course of Ken Follett's already phenomenal career--and begins where its prequel, *The Evening and the Morning*, ended. "Follett risks all and comes out a clear winner," extolled Publishers Weekly on the release of *The Pillars of the Earth*. A departure for the bestselling thriller writer, the historical epic stunned readers and critics alike with

its ambitious scope and gripping humanity. Today, it stands as a testament to Follett's unassailable command of the written word and to his universal appeal. *The Pillars of the Earth* tells the story of Philip, prior of Kingsbridge, a devout and resourceful monk driven to build the greatest Gothic cathedral the world has known . . . of Tom, the mason who becomes his architect--a man divided in his soul . . . of the beautiful, elusive Lady Aliena, haunted by

a secret shame . . . and of a struggle between good and evil that will turn church against state and brother against brother. A spellbinding epic tale of ambition, anarchy, and absolute power set against the sprawling medieval canvas of twelfth-century England, this is Ken Follett's historical masterpiece. Madison Park and I Love New York comes this uniquely packaged cookbook, featuring recipes from the wildly popular restaurant and, as an added surprise, a hidden back panel that opens to reveal a separate cocktail book. Chef Daniel Humm and his business partner Will Guidara are the proprietors of two of New York's most beloved and pioneering

restaurants: Eleven Madison Park and The NoMad. Their team is known not only for its perfectly executed, innovative cooking, but also for creating extraordinary, genre-defying dining experiences. The NoMad Cookbook translates the unparalleled and often surprising food and drink of the restaurant into book form. What appears to be a traditional

cookbook is in fact two books in one: upon opening, readers discover that the back half contains false pages in which a smaller cocktail recipe book is hidden. The result is a wonderfully unexpected collection of both sweet and savory food recipes and cocktail recipes, with the lush photography by Francesco Tonelli and which the authors are known. The NoMad Cookbook promises to be a reading experience like no other, and will be the holiday gift of the year for the foodie who has everything. Going Bovine Tommy Nelson A tale inspired by the battles of ancient Greek military leader Epaminondas is told through the eyes of a farmer who leaves his home to serve under the general and who is swept up against his better judgment in the fervor to bring democracy to regions oppressed by the Spartans. A first novel by the historian author of *The Father of Us All*. 40,000 first printing.

Ripley lives in a

dream world, her nose stuck in a book. But happily-ever-after life she's planned on suddenly falls apart when her boyfriend, Gordon, breaks up with her, accusing her of living in a world of fiction instead of the real world. Then to top it off, Alice loses her beloved job at the library because of cutbacks due to the

Great Depression. Fleeing small-town gossip, Alice heads to the mountains of eastern Kentucky to deliver five boxes of donated books to the library in the tiny coal-mining village of Acorn. Dropped off by her relatives, Alice volunteers to stay for two weeks to help the librarian, Leslie McDougal. But the librarian turns out to be far

different than she anticipated--not to mention the four lady librarians who travel to the remote homes to deliver the much-desired books. While Alice is trapped in Acorn against her will, she soon finds that real-life adventure and mystery--and especially romance--are far better than her humble dreams could

have imagined.

Within the gated grounds of the convent of The

Sisters of the Holy Redemption lies one of the city's Magdalen Laundries. Once places of refuge, the laundries have evolved into grim workhouses. Some inmates are "fallen" women—unwed mothers, prostitutes, or petty criminals. Most are ordinary girls whose only sin lies in being

too pretty, too independent, or tempting the wrong man. Among them is sixteen-year-old Teagan Tiernan, sent by her family when her beauty provokes a lustful revelation from a young priest. Teagan soon befriends Nora Craven, a new arrival who thought nothing could be worse than living in a squalid

tenement flat. Stripped of their freedom and dignity, the girls are given new names and denied contact with the outside world. The Mother Superior, Sister Anne, who has secrets of her own, inflicts cruel, dehumanizing punishments—but always in the name of love. Finally, Nora and Teagan find an ally in the

reclusive Lea, who helps them endure—and plot an escape. But as they will discover, the outside world has dangers too, especially for young women with soiled reputations. Told with candor, compassion, and vivid historical detail, *The Magdalen Girls* is a masterfully written novel of life within the era's

notorious institutions—and an inspiring story of friendship, hope, and unyielding courage. Sweet Evil Kensington Books No one can describe a wine like Karen MacNeil. From teeming docks to overflowing market stalls, from grand homes to grimy narrow alleyways, cholera microbes rise and bob in streams of water and tiny droplets, clinging to moisture as man clings to air. With a keen mind and dedication to his work, young Louis Thuillier has

impressed his mentor-famed scientist Louis Pasteur-enough to be sent to Alexandria as one-third of the French mission searching for the source of the cholera that is terrorizing the city. Along with the other members of the French mission-scientists Emile Roux and Edmond Nocard and their enterprising servant Marcus-Louis longs to find the cure,

bringing glory to himself and to France. Este Malina is the lovely daughter of a respected Jewish doctor, whose family has lived in Alexandria for hundreds of years. A life of comfort has made Este a romantic, and she hopes to marry a man with the heart of a poet. Neither expects to find a soul mate in the other, but when Este begins to assist

at the French mission's lab, a deep bond forms. Este, though, is engaged to another, and Louis is not Jewish-her family would never allow them to marry. In spite of their many differences, the lovers' desire grows and their fantasies threaten to distract them from their work. In Alexandria, the disease rages on, as mysterious as it was a thousand years before. Political
