Imagine growing up in the largest slum on the planet in the year 2080AD. Twenty million people are your neighbors, huddled together in an ocean of rusted dwellings made from whatever Sedonia City, the towering metropolis in the distance, decides to throw away. Gang members, known as the T99s, are the heads of your community: smuggling tech, trafficking drugs, and fighting a constant guerilla war against the City's bio-augmented EXO police force. There is little hope for survival. None for escape to a better life beyond the half-mile high Border between city and slum. This is Matteo's world. A bright kid, but sick and weak since childhood, he is painfully dependent on Jogun: loving older brother, and hardened soldier for the T99s. When a luxury transport from Sedonia's aerial traffic crash-lands in Rasalla, it

threatens to change Matteo and Jogun's fate forever. And all fates are connected. The Dwellers of Rasalla, bound by family in the scrap, ashes, and dirt. The Citizens of Sedonia, oblivious to danger in the buzzing twilight of the Neuro-Social Revolution. The EXOs, placing themselves in harm's way to perform their duty to protect their homes and fellow officers. And the Ruling Elite, whose long-buried secrets and desperate plans could spell the end of civilization...or a new beginning. Son of Sedonia is an action-filled science fiction epic with a soul and a clear message. Its characters live, breathe, suffer, and love in their different worlds, each brought to the brink as the Third-World collides with the First. Their future could well be ours.

Imagine what it would be like to go back in time to the 15th century Venice. And imagine what it would be like to meet your lifelong hero, Michelangelo. And imagine what it would be like if, on first meeting, you spill a tray of pasta and wine on that very same hero.Well, that's what happens to serious young artist Mark Breen. As the result of a drunken bet, Mark knocks out a painting of a toilet bowl. Much to his amazement, he sells it. In short order he's hailed as the new Andy Warhol and becomes an overnight sensation-and a very wealthy man. Soon, images of his toilet bowls are on more t-shirts, mugs, and calendars than Edvard Munch's The Scream.His friend and mentor, Hugh Connelly, afraid that Mark is in danger of losing his "artistic soul," advises him to go back to Italy and reacquaint himself with the "old masters." In Venice, Mark falls in love with Alexandra, a beautiful art restorer, but it's a one-sided affair. One night, hoping to win her over, he climbs up on a roof to find out who painted her favorite fresco. He falls off the roof and wakes up in 15th century Venice where he meets an innkeeper named Francesca, who looks exactly like Alexandra. And it gets curiouser and curiouser from there. During his stay-which is sometimes zany and sometimes frightening-he meet his hero, Michelangelo, who teaches him the true meaning of art.

Words from Ms. Torres: "I take my FAS and turn it in to a teaching tool to help others learn what I go through every day of my life." "If one person listens to what I have to say, then I have done my job. This is what I was born to do. I have won many awards for my work. The awards I've won have been great, but my biggest award is knowing that my message is being delivered and knowing that I might be helping so many people and unborn babies. . If I can prevent one more child from this awful syndrome I will be happy. My ultimate goal is to get the word out there that FAS is 100% preventable. I want everyone to know about the effects of alcohol on the fetus. My advice, my plea, is that you PLEASE, PLEASE do not drink while you are pregnant, even if you plan on giving your baby up for adoption. Let your baby fulfil his or her dreams and live a normal life. For all the fathers to be, you play an important role in this too. You must be encouraging and supportive. Staying away from alcohol yourself would be helpful." What others are saying: Thank you for sending your book to me. I read it all, and I wanted to cry. What a wonderful sacrifice you and your family took on. It is wonderful what you have done and how Chanel has grown and turned out to be a wonderful young lady. You are certainly a very special person blessed by God from the beginning. I love you very much. Aunt Gloria "Ms. Torres is a true light in a world that needs more education on Fetal Alcohol Syndrome and its effects on unborn children. She has opened doors that will never be shut. She has just begun to educate the nation on Fetal Alcohol Syndrome." Deborah Thornton, SEDNET Project Mangement "Ms. Torres is the epitome of self-advocacy and embodies strength, resilience, and determination. She is courageous and tireless in her quest to educate others regarding FAS; and is compassionate and determined in her mission to empower and advocate for other young adults with disabilities." Barbara Shannon, School Psychologist Last night, I received a copy of Signing with a heavy hand and heart, Love Mommy: A journey through fetal alcohol syndrome by Mrs Sondra A Torres and Miss Chanel E Torres from Ms. Torres. I opened

it and couldn't put it down until I was finished. This story of a young woman living with the effects of fetal alcohol syndrome (a birth defect that is 100% preventable-all pregnant women need to do is not drink when pregnant) is moving, sometimes funny and always inspirational. I quickly grew to care about Chanel and her adoptive family. Ms. Torres creates a vivid picture of what it is like to live with and care for children with special needs. In relatively few words, Torres brings her family to life-its struggles and its joys. The feelings of love and joy are powerfully conveyed while not minimizing the challenges presented in raising a child with FAS. As a teacher and parent I laughed and cried and wished I could meet this brave girl and her loving mother. Torres is compassionate towards all, including birth parents, but my heart breaks for the children who struggle with this disability. It is a daily battle for which there are some effective interventions but no cures. I will say that Ms. Torres left me more hopeful for these children than my experience as a teacher had-her powerful home environment is definitely a plus for Chanel."CHANEL TORRES IS AVAILABLE FOR SPEAKING ENGAGEMENTS TO BOOK THIS SPEAKER FOR A PRESENTATION, PLEASE GO TO

Decadent Dreams Harper Collins

This is true story about real people is set in Edinburgh City and Dundee, where a petite Scottish Lassie called Rosie Gilmour, mother to Finlay Sinclair, receives news of the death of her son - who tragically has taken his own life by hanging. Rosie pretends her son is still alive by talking to him, for that takes away the unbearable pain of her loss. But once she begins to face up to the fact that Finlay is not coming back, her conversations become more of a challenge than she can handle. When memories of her past are triggered by everyday life events, they take her mind back and forth in time - back to her own childhood days in 1960, when she flirted with the fairground boys, and to the day she gave birth to Finlay - "ME LADDIE". Rosie's Scottish accent becomes more apparent whenever her emotions are heightened and she begins to recite poetry. She goes on to reveal doubts about her own self-worth and how she re-unites her role as mother - a role she had denied herself for seven years prior to Finlay's death. Rosie learns how to forgive herself and how to accept her loss with using practical coping strategies that sometimes but not always work for her. Many voices of different natures and walks of life appear in Rosie's, story with each one offering a part of their own belief to try and console her in her misery - except that she turns her back on any advice or support offered. Rosie is convinced that she can cope with her loss on her own and "needs no help from anyone, thank you"; - until a sweet, gentle, soft-spoken voice begins to travel with her throughout her ordeal, leaving her no other choice but to listen. Eventually moving to the countryside in Angus, Rosie finds the isolation gives her life a new meaning offering her the

opportunity to re-value her belief's about her own self values and decides the time has come to give her son a memorial service and invite a chosen few dance companions whom she met on a regular basis in Edinburgh to honour this day. Rosie begins to accept she will never be the same person she once had been and shall never be again, believing now her journey through grief taught her many lessons making her a stronger and better person than she imagined she could ever be.

I see dead people...and so does everyone else, because more and more teenagers who have returned from the grave are converging on the small town of Oakvale, Connecticut, inspired by the words the "voice" of Generation Dead, Tommy Williams, writes on his blog MySoCalledUndeath.com. Tommy's people-Mal, Karen, Sylvia, Takayuki, Tayshawn, Colette, Popeye, Melissa and the gang at the Haunted House-aren't zombies that want to eat your brains or feast on your entrails, they just want to do the same things everyone else does-create, make friends, play sports, have fun, fall in love-live. But not everyone in Oakvale-especially Reverend Mathers and his flock at One Life Ministries-is willing to stand idly by and let them do any of those things. Not when so many members of the community would approve of the undead being "reterminated" and sent back to the graves they worked so hard to climb out of... Two years before adopting seven-year-old Keydell from a group home for young boys, Kim made a vow before the Dalai Lama to become a bodhisattva:

one who cultivates an enlightened mind, is free from delusion, and practices kindness and compassion above all else. However, she struggles with this practice as her new son's challenged mind sends him into fits of rage and violence, while seemingly allowing him to feel no remorse for his actions. His behaviors go against everything Kim believes in, but she is determined to keep her chocolate-eyed boy safely in the home she has created with her husband and two biological children. As she tries everything she can to get Keydell the help he needs, she must also learn to accept him exactly as he is: a tiger in the home of elephants. This vulnerable and touching account highlights the interplay between desire and reality, denial and acceptance, struggle and enlightenment. As the minds of this mother and her extraordinary son awaken - Kim's through her Buddhist practice, and Keydell's through the science of neurofeedback - we witness the power of love and compassion to overcome even the greatest odds."

*My Overdue Book: Too many stories not to tell*: spells out the varied episodes in the life of a man who spent decades working in Hollywood. He began as a little boy in Cincinnati impressed early on by the broadcasting magic of radio and then TV in the middle of twentieth century America. His drive to get into broadcasting culminates in an early success that gets interrupted by an unexpected sidebar in The US Army and a subsequent tour as an Infantryman in Vietnam in the late 1960's. His yearlong excursion in "Fun City East," with its repeated life and death experiences, had lifelong effects on this soldier-of-media. Following his wanderings through the jungles of Vietnam, Bright's interactions with many of America's top public figures throughout his decades in radio and television come to life with intriguing stories that are personal, professional, positive and negative. It's life without a filter! Readers across generations will share and co-experience numerous real life feelings and emotions with writer Bright as his winding trail of life opens in front of them. book endorsement for peter bright; i always thought that peter bright and i had many things in common; we both grew up in ohio, we both had careers in the live event and variety side of television, and the few times we had times to talk i thought we shared a mutual philosophy toward the ups and downs of life. but it wasn't until i read his "overdue" book that i realized just what a rich and storied life peter has had and how much more deeply he had experienced the highs and lows, particularly during his years in the military, than i ever could have imagined. it really amazes me just how little we know about people we think we know, and just how much more we appreciate who they are when we are fortunate enough to have that background filled in by someone as articulate and able to express both facts and feelings as peter has in this book. when i started to read it, i thought all of those common events that we shared would be an interesting parallel track to my life and as such i would have a great frame of reference, but as i read on, i realized just what an amazing story peter has to tell and just how well he tells it. ken ehrlich, executive producer, the grammy awards
