The transformative new book from "one of the most important American poets at work today" (Dunya Mikhail) I am content because before me looms the hope of love. I do not have it; I do not yet have it. It is a bird strong enough to lead me by the rope it bites; unless I pull, it is strong enough for me. I do worry the end of my days might come and I will not yet have it. But even then I will be brave upon my deathbed, and why shouldn't I be? I held things here, and I felt them. —From "Psalm 40" The poems in Katie Ford's fourth collection implore their audience—the divine and the human—for attention, for revelation, and, perhaps above all, for companionship. The extraordinary sequence at the heart of this book taps into the radical power of the sonnet form, bending it into a kind of metaphysical and psychological outcry. Beginning in the cramped space of selfhood—in the bedroom, cluttered with doubts, and in the throes of marital loss—these poems edge toward the clarity of "what I can know and admit to knowing." In song and in silence, Ford inhabits the rooms of anguish and redemption with scouring exactness. This is poetry that "can break open, // it can break your life, it will break you // until you remain." If You Have to Go is Ford's most luminous and moving collection.

I see dead people...and so does everyone else, because more and more teenagers who have returned from the grave are converging on the small town of Oakvale, Connecticut, inspired by the words the "voice" of Generation Dead, Tommy Williams, writes on his blog [MySoCalledUndeath.com](#). Tommy's people—Mal, Karen, Sylvia, Takayuki, Tayshawn, Colette, Popeye, Melissa and the gang at the Haunted House—are't zombies that want to eat your brains or feast on your entrails, they just want to do the same things everyone else does—create, make friends, play sports, have fun, fall in love—live. But not everyone in Oakvale—especially Reverend Mathers and his flock at One Life Ministries—is willing to stand idly by and let them do any of those things. Not when so many members of the community would approve of the undead being "reterminated" and sent back to the graves they worked so hard to climb out of... When you think like a monk, you'll understand: -How to overcome negativity -How to stop overthinking -Why comparison kills love -How to use your fear -Why you can't find happiness by looking for it -How to learn from everyone you meet -Why you are not your thoughts -How to find your purpose -Why kindness is crucial to success -And much more... Shetty grew up in a family where you could become one of three things—a doctor, a lawyer, or a failure. His family was convinced he had chosen option three: instead of attending his college graduation ceremony, he headed to India to become a monk, to meditate every day for four to eight hours, and devote his life to helping others. After three years, one of his teachers told him that he would have more impact on the world if he left the monk's path to share his experience and wisdom with others. Heavily in debt, and with no recognizable skills on his re?sume?, he moved back home in north London with his parents. Shetty reconnected with old school friends—many working for some of the world's largest corporations—who were experiencing tremendous stress, pressure, and unhappiness, and they invited Shetty to coach them on well-being, purpose, and mindfulness. Since then, Shetty has become one of the world's most popular influencers. In 2017, he was named in the Forbes magazine 30-under-30 for being a game-changer in the world of media. In 2018, he had the #1 video on Facebook with over 360 million views. His social media following totals over 38 million, he has produced over 400 viral videos which have amassed more than 8 billion views, and his podcast, On Purpose, is consistently ranked the world's #1 Health and Wellness podcast. In this inspiring, empowering book, Shetty draws on his time as a monk to show us how we can clear the roadblocks to our potential and power. Combining ancient wisdom and his own rich experiences in the ashram, *Think Like a Monk* reveals how to overcome negative thoughts and habits, and access the calm and purpose that lie within all of us. He transforms abstract lessons into advice and exercises we can all apply to reduce stress, improve relationships, and give the gifts we find in ourselves to the world. Shetty proves that everyone can—and should—think like a monk.

"A feverish story of young adulthood, exploring how fandom and obsession shape how we relate to the world . . . *Dreaming of You* navigates the complexities of Latinx identity, self-loathing, love, and the loneliness of drifting into adulthood." —Miguel Salazar, *Vulture* "At the center of this exploration of insecurities, joys, and identity stands Melissa Lozada-Oliva—an unapologetic poet who isn't afraid of the rawness of the mind and is resilient in her writing— so much so that it feels like we're talking to our best friend." —Bianca Pérez, *Porter House Review* A macabre novel in verse of loss, longing, and identity crises following a poet who resurrects pop star Selena from the dead. Melissa Lozada-Oliva's *Dreaming of You* is an absurd yet heartfelt examination of celebrity worship. A young Latinx poet grappling with loneliness and heartache decides one day to bring Tejano pop star Selena Quintanilla back to life. The séance kicks off an uncanny trip narrated by a Greek chorus of gossiping spirits as she journeys through a dead celebrity prom, encounters her shadow self, and performs karaoke in hell. In visceral poems embodying millennial angst, paragraph-long conversations overheard at her local coffeeshop, and unhinged Twitter rants, Lozada-Oliva reveals an eerie, sometimes gruesome, yet moving love story. Playfully morbid and profoundly candid, an interrogation of Latinidad, womanhood, obsession, and disillusionment, *Dreaming of You* grapples with the cost of being seen for your truest self.
