A Thousand Miles Harper Collins

If he had been with me everything would have been different... I wasn't with Finn on that August night. But I should've been. It was raining, of course. And he and Sylvie were arguing as he drove down the slick road. No one ever says what they were arguing about. Other people think it's not important. They do not know there is another story. The story that lurks between the facts. What they do not know—the cause of the argument—is crucial. So let me tell you...

[My Best Friends Are Dead](#) Roaring Brook Press

#1 New York Times bestselling author of The Selection series Kiera Cass is back with her most epic novel yet—a sweeping enemies-to-lovers standalone romance. “Love has a sound. It sounds like a thousand heartbeats happening at the same time.” Princess Annika has lived a life of comfort—but no amount of luxuries can change the fact that her life isn't her own to control. The king, once her loving father, has gone cold, and Annika will soon be forced into a loveless marriage for political gain. Miles away, small comforts are few and far between for Lennox. He has devoted his life to the Dahrainian army, hoping to one day help them reclaim the throne that was stolen from them. For Lennox, the idea of love is merely a distraction—nothing will stand in the way of fighting for his people. But when love, against all odds, finds them both, they are bound by its call. They can't possibly be together—but the irresistible thrum of a thousand heartbeats won't let them stay apart. Kiera Cass brings her signature sparkling romance to this beautiful story of star-crossed lovers and long-held secrets.

House of Leaves A&C Black

When I was young, I knew God loved me. I followed Him. Being His child was natural and easy. Then I hit puberty, and my world changed. There were things I saw that I wanted, things that I thought He might not want me to have. I started to wander. Still, I was not stupid. I knew I still needed Him as Savior; it was His Lordship that gave me pause. Eventually I stripped Him of His Lordship and went to live in the “fallen world.” I kept Him as my Savior, but I made no effort to follow Him. I loved my life in the fallen world. Still, it had its challenges. There were times I would find myself in the dreaded “Valley of the Shadow of Death.” I knew somehow He was

responsible. It was in the “Valley” that I would find myself needing Him. Eventually I would have to call on Him. And rescue me He would, but I refused anything but temporary rescue. I would be thankful for a few days, but the desire for my old life in the fallen world would soon reclaim me, and I would put Him back on the shelf. There was so much out there to grab for, and the fallen world did push and encourage me to go for happy. There was a problem with that: I was created to be filled with joy, His joy. “Happy” was just a temporary, dim simulation. I finally had to face the questions. Does He really love me? Is He really to be trusted? Is He really the God of the Bible? If the answer to these questions was yes, could I really have enough confidence in Him to make Him my center and follow Him?

[Heart Healing](#) Soho Press

In this honest, hilarious, fiercely intelligent memoir, journalist Susan Shapiro dares to do what every woman dreams of: track down the five men who'd broken her heart and find out what really went wrong. Between the ages of thirteen and thirty-five, Susan had plunged into love, heart-first, five times. One bad breakup was more hurtful and humiliating than the next. With insight and daring, Susan chronicles her six-month-long journey back down a road strewn with romantic regret. Although for years she'd blamed her boyfriends for their flagrant infidelity, ludicrous faults, and immature foibles, to her shock she can now suddenly pinpoint the exact moment where she herself screwed up each relationship. A successful freelance writer living in Manhattan, Susan Shapiro was in the midst of a midlife crisis she called her “no-book-no-baby summer.” Married for five years to Aaron, a workaholic TV comedy writer always on the road, she was beginning to wonder if she'd remain book- and babyless forever. Then the phone rang, and it was Brad, a college flame who'd become a Harvard scientist with a book coming out. Susan offers to interview him, and she winds up launching into all the intense, invasive questions she'd always wanted to ask him. To her surprise, he answers them! This ignites a spark that sends her on a cross-country jaunt back through her lust-littered past. While Brad is still single, she finds that Heartbreaks Number Two, Three, and Four are not. George, a theater professor, and Richard, a music biographer, are happily married with children. Tom, a handsome blond lawyer in L.A., is getting divorced. Just as it's becoming easy to worm her way back into her exes' good graces, she crashes head-on with David, a wry Canadian root canal specialist. (“It's the equivalent of what you did to me emotionally,” she tells him.) She then gut-wrenchingly relives the agony of splitting up with her first love all over again. Yet somewhere between the tantalizing what-ifs and bittersweet might-have-beens, she finds what she's been searching for all along. Part relationship manifesto, part confessional, and part valentine to the males in her life she adores, *Five Men Who*

Broke My Heart is for anyone who has ever wondered what became of their first love. Or second, third, fourth, or fifth...

Atomic Habits Penguin

"What a gorgeous, heartbreaking novel." —Roxane Gay
A necessary and exciting addition to both the Sri Lankan-American and LGBTQ canons, SJ Sindu's debut novel offers a moving and sharply rendered exploration of friendship, family, love, and loss. Lucky and her husband, Krishna, are gay. They present an illusion of marital bliss to their conservative Sri Lankan-American families, while each dates on the side. It's not ideal, but for Lucky, it seems to be working. She goes out dancing, she drinks a bit, she makes ends meet by doing digital art on commission. But when Lucky's grandmother has a nasty fall, Lucky returns to her childhood home and unexpectedly reconnects with her former best friend and first lover, Nisha, who is preparing for her own arranged wedding with a man she's never met. As the connection between the two women is rekindled, Lucky tries to save Nisha from entering a marriage based on a lie. But does Nisha really want to be saved? And after a decade's worth of lying, can Lucky break free of her own circumstances and build a new life? Is she willing to walk away from all that she values about her parents and community to live in a new truth? As Lucky—an outsider no matter what choices she makes—is pushed to the breaking point, *Marriage of a Thousand Lies* offers a vivid exploration of a life lived at a complex intersection of race, sexuality, and nationality. The result is a profoundly American debut novel shot through with humor and loss, a story of love, family, and the truths that define us all.

A Thousand Pieces of You Flatiron Books

Since high school, Courtney Kaufman's love life has revolved around meaningless encounters, but a trip with her roommate Max to his hometown of Providence could change everything.

My Year of Rest and Relaxation Harper Collins

A riveting and powerful story of an unforgiving time, an unlikely friendship and an indestructible love
Muse of Nightmares Sourcebooks, Inc.

"A novelistic mosaic that simultaneously reads like a thriller and like a strange, dreamlike excursion into the subconscious." —The New York Times
Years ago, when *House of Leaves* was first being passed around, it was nothing more than a badly bundled heap of paper, parts of which would occasionally surface on the Internet. No one could have anticipated the small but devoted following this terrifying story would soon command. Starting with an odd assortment of marginalized youth -- musicians, tattoo artists, programmers, strippers, environmentalists, and adrenaline junkies -- the book eventually made its way into the hands of older generations, who not only found themselves in those strangely arranged pages but also discovered a way back into the lives of their estranged children. Now this astonishing novel is made available in book form, complete with the original colored words, vertical footnotes, and second and third appendices. The story remains unchanged, focusing on a young family that moves into a small home on Ash Tree Lane where they discover something is terribly wrong: their house is bigger on the inside than it is on the outside. Of course, neither Pulitzer Prize-winning photojournalist Will Navidson nor his companion Karen Green was prepared to face the consequences of that impossibility, until the day their two little children wandered off and their voices eerily began to return another story -- of creature darkness, of an ever-growing abyss behind a closet door, and of that unholy growl which soon enough would tear through their walls and consume all their dreams.

My Heart for Yours Penguin

Named a Best Book of the Year by The Washington Post, Time, NPR, Amazon, Vice, Bustle, The New York Times, The Guardian, Kirkus Reviews, Entertainment Weekly, The AV Club, & Audible
A New York Times Bestseller
"One of the most compelling protagonists modern fiction has offered in years: a loopy, quietly furious pillhead whose *Ambien* ramblings and *Xanax* b*tcheries somehow wend their way through sad and funny and strange toward something genuinely profound." —Entertainment Weekly
"Darkly hilarious. . . [Moshfegh's] the kind of provocateur who makes you laugh out loud while drawing blood." —Vogue
From one of our boldest, most celebrated new literary voices, a novel about a young woman's efforts to duck the ills of the world by embarking on an extended hibernation with the help of one of the worst psychiatrists in the annals of literature and the battery of medicines she prescribes. Our narrator should be happy, shouldn't she? She's young, thin, pretty, a recent Columbia graduate, works an easy job at a hip art gallery, lives in an apartment on the Upper East Side of Manhattan paid for, like the rest of her needs, by her inheritance. But there is a dark and vacuous hole in her heart, and it isn't just the loss of her parents, or the way her Wall Street boyfriend treats her, or her sadomasochistic relationship with her best friend, Reva. It's the year 2000 in a city aglitter with wealth and possibility; what could be so terribly wrong? *My Year of Rest and Relaxation* is a powerful answer to that question. Through the story of a year spent under the influence of a truly mad combination of drugs designed to heal our heroine from her alienation from this world, Moshfegh shows us how reasonable, even necessary, alienation can be. Both tender and blackly funny, merciless and compassionate, it is a showcase for the gifts of one of our major writers working at the height of her powers.

Break My Heart 1,000 Times Forever

New York Times Bestseller
Over 2.5 million copies sold
For David Goggins, childhood was a nightmare -- poverty, prejudice, and physical abuse colored his days and haunted his nights. But through self-discipline, mental toughness, and hard work, Goggins transformed himself from a depressed, overweight young man with no future into a U.S. Armed Forces icon and one of the world's top endurance athletes. The only man in history to complete elite training as a Navy SEAL, Army Ranger, and Air Force Tactical Air Controller, he went on to set records in numerous endurance events, inspiring *Outside* magazine to name him "The Fittest (Real) Man in America." In *Can't Hurt Me*, he shares his astonishing life story and reveals that most of us tap into only 40% of our capabilities. Goggins calls this The 40% Rule, and his story illuminates a path that anyone can follow to push past pain, demolish fear, and reach their full potential.

Poppin' A Cold One Anchor

A Printz Honor winner! Ellie is tired of being fat-shamed and does something about it in this poignant debut novel-in-verse. Cover may vary. Ever since Ellie wore a whale swimsuit and made a big splash at her fifth birthday party, she's been bullied about her weight. To cope, she tries to live by the Fat Girl Rules—like "no making waves," "avoid eating in public," and "don't move so fast that your body jiggles." And she's found her safe space—her swimming pool—where she feels weightless in a fat-obsessed world. In the water, she can stretch herself out like a starfish and take up all the room she wants. It's also where she can get away from her pushy mom, who thinks

criticizing Ellie's weight will motivate her to diet. Fortunately, Ellie has allies in her dad, her therapist, and her new neighbor, Catalina, who loves Ellie for who she is. With this support buoying her, Ellie might finally be able to cast aside the Fat Girl Rules and starfish in real life--by unapologetically being her own fabulous self.

Can't Hurt Me Omz Press

Cloud Atlas meets Orphan Black in this epic dimension-bending trilogy by New York Times bestselling author Claudia Gray about a girl who must chase her father's killer through multiple dimensions. Marguerite Caine's physicist parents are known for their groundbreaking achievements. Their most astonishing invention, called the Firebird, allows users to jump into multiple universes—and promises to revolutionize science forever. But then Marguerite's father is murdered, and the killer—her parent's handsome, enigmatic assistant Paul— escapes into another dimension before the law can touch him.

Marguerite refuses to let the man who destroyed her family go free. So she races after Paul through different universes, always leaping into another version of herself. But she also meets alternate versions of the people she knows—including Paul, whose life entangles with hers in increasingly familiar ways. Before long she begins to question Paul's guilt—as well as her own heart. And soon she discovers the truth behind her father's death is far more sinister than she expected. A Thousand Pieces of You explores an amazingly intricate multi-universe where fate is unavoidable, the truth elusive, and love the greatest mystery of all.

Break My Heart 1,000 Times Harper Collins

Written with all the scathing dark humor that is a hallmark of BoJack Horseman, Raphael Bob-Waksberg delivers a fabulously off-beat collection of short stories about love—the best and worst thing in the universe. Featuring:

- A young engaged couple forced to deal with interfering relatives dictating the appropriate number of ritual goat sacrifices for their wedding.
- A pair of lonely commuters who ride the subway in silence, forever, eternally failing to make that longed-for contact.
- A struggling employee at a theme park of U.S. presidents who discovers that love can't be genetically modified.

And fifteen more tales of humor, romance, whimsy, cultural commentary, and crushing emotional vulnerability.

Marriage of a Thousand Lies Simon and Schuster
NEW YORK TIMES BESTSELLER • A stunning “portrait of the enduring grace of friendship” (NPR) about the families we are born into, and those that we make for ourselves. A masterful depiction of love in the twenty-first century. **NATIONAL BOOK AWARD FINALIST** • **MAN BOOKER PRIZE FINALIST** • **WINNER OF THE KIRKUS PRIZE** A Little Life follows four college classmates—broke, adrift, and buoyed only by their friendship and ambition—as they move to New York in search of fame and fortune.

While their relationships, which are tinged by addiction, success, and pride, deepen over the decades, the men are held together by their devotion to the brilliant, enigmatic Jude, a man scarred by an unspeakable childhood trauma. A hymn to brotherly bonds and a masterful depiction of love in the twenty-first century, Hanya Yanagihara's stunning novel is about the families we are born into, and those that we make for ourselves. Look for Hanya Yanagihara's latest bestselling novel, To Paradise.

The One Penguin Group

Romantic. Witty. Sexy as hell. A story as satisfying as the perfect man. Thirty-one year old Claire Hatley is running from Seattle having just discovered that her live-in boyfriend has traded her in for a twenty-two-year-old hostess. Devastated and alone Claire must make a fresh start. She answers an ad for a chef at a guest ranch just outside Colorado Springs and finds herself face to face with Cole Mitchell, quite possibly the sexiest man to ever ride a horse.

Common sense tells them to stay away from each other, but their attraction is not to be denied. He gives her a glimpse of what love should be, but just as she starts to trust him, the past comes back to tear them apart. Join Claire and Cole as they embark on the stormy love affair of a lifetime. (Oh...and for those of you with husbands/boyfriends, please tell them “you're welcome” from MJ.)

Someone Who Will Love You in All Your Damaged Glory Little, Brown Books for Young Readers

From a distance, every surface appears perfect. The exterior of Eleanor Clarke's life looks just as pristine up close. The scars and scratches are all hidden.

They were all inflicted in the same place: an overgrown field of wildflowers in an affluent suburb. The scenic spot is where her older sister died, leaving Elle to shoulder the crushing expectations of being a Clarke alone. It's where she spent forbidden moments with Ryder James, the last person she should have turned to for an escape. And it's where her world fell apart during senior year of high school. Seven years later, everything's been carefully glued back together. She's got the prestigious job, the perfect guy, the polished life. Until one phone call cracks it all back open. Does it hurt more or less when the same person breaks your heart again?

P.S. I Miss You David Goggins

I see dead people...and so does everyone else, because more and more teenagers who have returned from the grave are converging on the small town of Oakvale, Connecticut, inspired by the words the "voice" of Generation Dead, Tommy Williams, writes on his blog MySoCalledUndeath.com. Tommy's people—Mal, Karen, Sylvia, Takayuki, Tayshawn, Colette, Popeye, Melissa and the gang at the Haunted House—are not zombies that want to eat your brains or feast on your entrails, they just want to do the same things everyone else does—create, make friends, play sports, have fun, fall in love—live. But not everyone in Oakvale—especially Reverend Mathers and his flock at One Life Ministries—is willing to stand idly by and let them do any of those things. Not when so many members of the community would approve of the undead being “reterminated” and sent back to the graves they worked so hard to climb out of... Generation Dead Book 4: My Best Friends Are Dead contains, for the first time in print: The collected My So-Called Undeath blog Generation Dead: Stitches Three brand new Generation Dead stories, and one new bonus story set in the world of Break My Heart 1,000 Times Only Love Can Break Your Heart Kensington Publishing Corp.

When a beautiful princess refuses to marry the prince her father has chosen, her father is furious and locks her in a tower. She has seven long years of solitude to think about her insolence. But the princess is not entirely alone - she has her maid, Dashti. Petulant and spoiled, the princess eats the food in their meagre store as if she were still at court, and Dashti soon realises they must either escape or slowly starve. But during their captivity, resourceful Dashti discovers that there is something far more sinister behind her princess's fears of marrying the prince, and when they do break free from the tower, they find a land laid to waste and the kingdom destroyed. They were safe in the tower, now they are at the mercy of the evil prince with a terrible secret. Thrilling, captivating, and a masterful example of storytelling at its best. The princess's maid is a feisty and thoroughly modern heroine, in this wonderfully timeless story.

Break My Heart and Make Me Dance HQN Books

YA. ROMANCE & RELATIONSHIPS STORIES (CHILDREN'S / TEENAGE). In Cass's first three books, we learned about the Selection and were introduced to America Singer, a spirited seventeen-year-old girl who is forced to compete for the chance to be her country's next princess. In *The Heir* and *The Crown*, fans were introduced to a new era. Twenty years have passed since the events of *The One*, and America and Maxon's daughter is the first princess to hold a Selection of her own.
