romance series, I can confidently say Tracy Tappan has earned a spot alongside JR Ward, Kresley Cole and the like. Can't wait for the next one!" ~Fan review "If you're looking for a sappy, easy, cookie-cutter romance with sparkly characters or weak, virginal damsels... move along, human! This story is multi-dimensional from start to finish ... Whether you're a die-hard fan of the series already or this is your first time reading this author, you will not be bored!" ~ Fan review

Opening line: He rode up on a Harley. Recently promoted to the Special Operations Topside Team, quiet warrior Breen Dalakis is the least likely man to commit an unauthorized bite. But

in a moment of blinding bloodlust, he bites and bonds with a new Dragon woman, permanently tying himself to a stranger. Now he must find a way to break through her seething rejection, but a lifetime spent skirting his emotions has left him stumped. Wild girl Charlize Renault has never been in a long-term relationship, doesn't want one now, and there's a good reason for that—a deeply buried, secret reason. But when Breen disappears on a mission gone bad, Charlize's emotional ghosts rise again. She'll finally have to conquer her past if she ever wants to find true happiness with the man who has moved mountains to reach her...but the last time she

fought her demons, they nearly destroyed her. Content guidelines: Contains profanity, violence, and adult situations.

Heal from childhood trauma, overcome the damaging effects of emotionally immature behaviors, and discover your true self through guided activities in this friendly

workbook. Many daughters struggle with their self-worth when dealing with a narcissistic mother. It is easy to criticize yourself and bury your emotions. The effects of this trauma can lead to self-doubt, depression, anxiety, people-pleasing tendencies, fear, and many other complications that follow you into adulthood.

Break Free from Narcissistic Mothers gives you the tools to reconnect with yourself and reintroduce all of your emotions back into your psyche. It includes: Journal prompts to cultivate flexible boundaries and challenge inaccurate beliefs Reflective exercises for managing your

relationship with your mother Interactive activities to help you redefine yourself Written by an experienced mental health counselor, this book is designed to help readers access their feelings and emotions, build their confidence, and establish clear boundaries to live a fulfilling life.

Putin's Third Term as Russia's President, 2012-18 Orion This book provides a comprehensive and systematic overview of Putin ' s third term as Russia ' s president. It covers political, international relations,

economic and social issues, and provides a balanced assessment of Putin ' s successes and failures. These include the conflict in Ukraine, the annexation of Crimea, scandals associated with the Olympics, Russia ' s increasing involvement with Asia, including with the Shanghai Co-operation Organisation, and shifts in the economy away from huge reliance on energy resources. The book sets Putin ' s activities as president in their wider context, discussing his overall popularity, the weakness of potential opposition and the

development of the Russian Federation as a relatively new state.

acclaimed seven-book fantasy series *A Song of Ice and Fire* is unique for its strong and multi-faceted female protagonists, from teen queen Daenerys, scheming Queen Cersei, child avenger Arya, knight Brienne, Red Witch Melisandre, and many more. The *Game of Thrones* universe challenges, exploits, yet also changes how we think of women and gender, not only in fantasy, but in

Western culture in general. Divided into three sections addressing questions of adaptation from novel to television, female characters, and politics and female audience engagement within the GoT universe, the interdisciplinary and international lineup of contributors analyze gender in relation to female characters and topics such as genre, sex, violence, adaptation, as well as fan reviews. The genre of fantasy was once considered a primarily male territory with male heroes. Women of Ice and Fire shows how the GoT universe challenges, exploits, and reimagines gender and why it holds strong appeal to female readers, audiences, and online participants. Of Life, Love and Family Writers Exchange E-Publishing Social psychology is one of the most intriguing and captivating areas of psychology, as it has a profound influence on our everyday lives; from our shopping habits to our interactions at a party. Social psychology seeks to answer questions that we think and talk about with each other every

day; questions such as: Why do some people behave differently when on their own, to when they're with a group? What leads individuals sometimes to hurt and sometimes to help one another? Why are we attracted to certain types of people? How do some persuade others to do what they want? The new edition of Social Psychology has been revised to introduce a more flexible structure for the teaching and studying of social psychology and includes up-to-date, international research in the area. There is an emphasis throughout on the critical evaluation of published research, in order to encourage critical thinking about the various topics. Applied examples across the chapters help to highlight the relevance, and hence the impact, that the theories and methods of this fascinating subject have upon the social world. Key Features Include: Research Close-Up: Following a brand new style, this feature matches the layout used in real research papers,

providing an accessible introduction to journal articles and the research methods used by social psychologists. Focus On: Fully revised from the previous edition, these boxes now look at opposing viewpoints, controversial research or alternative approaches to

topics within social psychology, offering a more critical outlook on topics and prompting the questioning of the validity of published research. Recommended Readings: New to this edition, recommended further readings of both classic and contemporary literature have been added to each chapter, providing a springboard for further consideration of the topic. Loveswept Offering a fresh perspective on treatment, this book presents an overarching framework and numerous specific strategies for working with violent youth and their families. The authors draw on

extensive experience to identify four critical factors that push some adolescents to commit harmful, even deadly acts: devaluation, erosion of community, dehumanized loss, and rage. Effective ways to address each of these factors in clinical and school settings are discussed and illustrated with

evocative case material. The book also provides essential guidance on connecting with aggressive teens--many whom have endured traumas of their own--managing difficult situations that are likely to arise in therapy.

"Lovegame is a true masterpiece, with thrilling suspense, crazy hot sex, and

writing so truly beautiful that it stays with you long after you put the book down. It's my favorite read of the year by far."--Sawyer Bennett, New York Times bestselling author of Sugar Daddy In this darkly addictive novel of seduction and psychological obsession, a movie star with a shattered past meets a man who can either break her or make her whole. True Crime novelist Ian Sharpe has spent his career writing about serial killers for very

personal reasons. For his latest exposé, he is taking on the sadistic madman known as the Red Ribbon Strangler, and when his research leads him to Hollywood's most private and provocative actress, he will break every rule to uncover her truth. The daughter of one of Hollywood's golden couples, chased by paparazzi and treated as a commodity her entire life, Veronica Romero wields her sex appeal like a weapon. She expects Ian to be as easy to control as every other man she's ever known. But from the beginning, he refuses to fall into line. Mysterious and cool, challenging and just a little bit dangerous, Ian somehow makes her feel safe—even as he digs into the deepest secrets of her life and pushes her to the breaking point. As raw ecstasy gives way to agonized truths, their dark obsession exposes secrets that have been buried for far too long. Ian wants to tear down her walls and heal the sensual woman underneath. But if Veronica's learned anything, it's that the line between pleasure and pain is a narrow one—and when caught between them the only thing that matters is how you play the game. "I don't know what to write about!" is the common response when kids are asked to indulge in creative writing. This lively

collection of unique writing activities will quiet that complaint forever! The 101 fun and functional creative writing activities in this book were designed to stimulate the interest and creativity of children. The author's philosophy, "if it's fun, kids will do it," is obvious in such whimsical ideas as having students write 10 ways to complete the sentence: "If I were a ____, I would ____" or challenging them to write home remedies for the common cold, a

headache, sibling
rivalry, homework
overload, etc. These
writing activities
encourage kids to write
about what they know
