The Breakup Book Entangled: Amara

From journalist and historian Richard Kreitner, a "powerful revisionist account" of the most persistent idea in American history: these supposedly United States should be broken up (Eric Foner). The novel and fiery thesis of *Break It Up* is simple: The United States has never lived up to its name—and never will. The disunionist impulse may have found its greatest expression in the Civil War, but as *Break It Up* shows, the seduction of secession wasn't limited to the South or the nineteenth century. It was there at our founding and has never gone away. With a scholar's command and a journalist's curiosity, Richard Kreitner takes readers on a revolutionary journey through American history, revealing the power and persistence of disunion movements in every era and region. Each New England town after Plymouth was a secession from another; the thirteen colonies viewed their Union as a means to the end of securing independence, not an end in itself; George Washington feared separatism west of the Alleghenies; Aaron Burr schemed to set up a new empire; John Quincy Adams brought a Massachusetts town's petition for dissolving the United States to the floor of Congress; and abolitionist William Lloyd Garrison denounced the Constitution as a pro-slavery pact with the devil. From the "cold civil war" that pits partisans against one another to the modern secession movements in California and Texas, the divisions that threaten to tear America apart today have centuries-old roots in the earliest days of our Republic. Richly researched and persuasively argued, *Break It Up* will help readers make fresh sense of our fractured age.

Blackass Michael Joseph

"I don't think I'm easy to talk about. I've got a very irregular head. And I'm not anything that you think I am anyway."—Syd Barrett's last interview, *Rolling Stone*, 1971 Roger Keith "Syd" Barrett (1946–2006) was, by all accounts, the very definition of a golden boy. Blessed with good looks and a natural aptitude for painting and music, he was a charismatic, elfin child beloved by all, who fast became a teenage leader in Cambridge, England, where a burgeoning bohemian scene was flourishing in the early 1960s. Along with three friends and collaborators—Roger Waters, Richard Wright, and Nick Mason—he formed what would soon become Pink Floyd, and rock 'n' roll was never the same. Starting as a typical British cover band aping approximations of American rhythm 'n' blues, they soon pioneered an entirely new sound, and British psychedelic rock was born. With early, trippy, Barrett-penned pop hits such as "Arnold Layne" (about a clothesline-thieving cross-dresser) and "See Emily Play" (written specifically for the epochal "Games For May" concert), Pink Floyd, with Syd Barrett as their main creative visionary, captured the zeitgeist of "Swinging" London in all its Technicolor glory. But there was a dark side to all this new-found freedom. Barrett, like so many around him, began ingesting large quantities of a revolutionary new drug, LSD, and his already-fragile mental state—coupled with a personality inherently unsuited to the life of a pop star—began to unravel. The once bright-eyed lad was quickly replaced, seemingly overnight, by a glowering, sinister, dead-eyed shadow of his former self, given to erratic, highly eccentric, reclusive, and sometimes violent behavior. Inevitably sacked from the band, Barrett retreated from London to his mother's house in Cambridge, where he would remain until his death, only rarely seen or heard, further fueling the mystery. In

the meantime, Pink Floyd emerged from the underground to become one of the biggest international rock bands of all time, releasing multi-platinum albums, many that dealt thematically with the loss of their friend Syd Barrett: *The Dark Side of the Moon*, *Wish You Were Here*, and *The Wall* are all, on many levels, about him. In *A Very Irregular Head*, journalist Rob Chapman lifts the veil of secrecy that has surrounded the legend of Syd Barrett for nearly four decades, drawing on exclusive access to family, friends, archives, journals, letters, and artwork to create the definitive portrait of a brilliant and tragic artist. Besides capturing all the promise of Barrett's youthful years, Chapman challenges the oft-held notion that Barrett was a hopelessly lost recluse in his later years, and creates a portrait of a true British eccentric who is rightfully placed within a rich literary lineage that stretches through Kenneth Graham, Hilaire Belloc, Edward Lear, Lewis Carroll, John Lennon, David Bowie, and on up to the pioneers of Britpop. A tragic, affectionate, and compelling portrait of a singular artist, *A Very Irregular Head* will stand as the authoritative word on this very English genius for years to come.

The Prophecy Machine Penguin

You picked up this book because your breakup has been reduced to something that you feel you must "win" to emotionally survive and move on. This reduction can only take place if you were involved with a toxic person. Toxic people are selfish, empathetically bankrupt, and have a limited relationship with reality. Anyone who feels validated by exploiting your hunger for theirs is toxic to your peace, your life, and your mental health. Breakups aren't won by game-playing or vilifying your ex. They're won by realizing that winning is losing a partner who has proven to be a dead end. A new life is waiting for you at the end of this journey. In *Win Your Breakup*, relationship and self-help coach Natasha Adamo presents the opportunity for a life with relationships that you don't have to tolerate and eggshell-walk your way through. It's a life in which your ex regrets the day they ever decided to breach your trust and break your heart; a life in which those who took you for granted wish you could find a way back into theirs. In this life, you can choose to walk away from toxicity—no more trying to be the person someone may want, may commit to, may be honest with, and may treat with respect. This life is about to be your own.

The Dirt on Breaking Up Thomas Nelson Inc

"Rachel Reid crafted a story of true heart, beauty, heat, and glorious, hard-won redemption! I loved both heroes and their journey to love was a gorgeous one to watch!" —Lauren Blakely, #1 New York Times bestselling author of *Scoring With Him* The highly anticipated fifth novel in USA TODAY bestselling author Rachel Reid's *Game Changers* series sees a grumpy professional hockey player meet his match in an out-and-proud social media manager... The hits just keep coming for Troy Barrett. Traded to the worst team in the league would be bad enough, but coming on the heels of a messy breakup and a recent scandal... Troy just wants to play hockey and be left alone. He doesn't want to be in the news anymore, and he definitely doesn't want to "work on his online presence" with the team's peppy social media manager. Harris Drover can tell standoffish Troy isn't happy about the trade—anyone could tell, frankly, as he doesn't exactly hide it well—but Harris doesn't give up on people easily. Even when he's developing a crush he's sure is one-sided. And when he sees Troy's smile finally crack through his grumpy exterior, well... That's a man Harris couldn't turn his back on if he wanted to. Suddenly, Troy's move to the new team feels like an opportunity—for Troy to embrace his true self, and for both men to surrender to their growing attraction. But indulging in each other behind closed doors is one thing, and for Troy, being in a public relationship with Harris will mean facing off with his fears, once and for all. *Game Changers* Book 1: *Game Changer* Book 2: *Heated Rivalry* Book 3: *Tough Guy* Book 4: *Common Goal* Book 5: *Role Model* Book 6: *The Long Game* *Break It Up* Penguin

The streets of Stoneham, New Hampshire are lined with bookstores...and paved with murder. When she moved to Stoneham, city slicker Tricia Miles met nothing but friendly faces. And when she opened her mystery bookstore, she met friendly competition. But when she finds Doris Gleason dead in her own cookbook store, killed by a carving knife, the atmosphere seems more cutthroat

than cordial. Someone wanted to get their hands on the rare cookbook that Doris had recently purchased—and the locals think that someone is Tricia. To clear her name, Tricia will have to take a page out of one of her own mysteries—and hunt down someone who isn't killing by the book.

The Break-Up Book Club Simon and Schuster

The *Breakup Book* is a collection of essays written by people who identify as LGBTQ+. Some are sad, some are heartwarming, and most importantly, all of them are deeply personal. As queer people, we are often driven to politicize our relationships, focusing entirely on the positive. When talking about relationships, there's pressure to convince our straight counterparts that we have it all figured out. But we have just as much growth to do as anybody else. We need to figure out how to have healthy relationships with few representations of what that might look like, and at the same time, we have to figure out how to leave relationships that aren't working. Steering away from the superficial, we felt it was important to document queer breakups to show how nuanced they can be. You'll laugh, you'll cry, you might call your ex. Just... think about it first.

Devil's Slew Open Road + Grove/Atlantic

Armed with a hilariously on-target understanding of any girl's breakup experience and just the right words of advice, this book battles heartache and, before long, will have any girl who finds herself single loving it - with oil the pieces put back together... but better than before.

Seduced by Stratton Revell

Syd Barrett was an English composer and purveyor of some of the most intriguing music ever written. Famous before his twentieth birthday, Barrett led the charge of psychedelia onstage at London's famed UFO club. With a Fender Telecaster and a primitive Binson echo unit, Barrett liberated the guitar from being, in critic Simon Reynolds' words, 'a riff machine, and turned it into a texture and timbre generator.' His inspired celestial flights of improvisation, and his more structured and whimsical short songs indicated a mind of unusual inventiveness. Chief in Barrett's mind was a Zen-like insistence on spontaneity; each performance had to be unique, and Barrett strived to push his music farther and farther out into the zone of complete abstraction. This in-depth analysis of Pink Floyd founding member Syd Barrett's life and work is the product of years of extensive research. Lost in the Woods traces Syd's swift evolution from precocious young art student to acid-fueled psychedelic rock star, and examines the myriad musical and literary influences that he utilized in composing his hypnotic, groundbreaking songs. A never-forgotten casualty of the excesses, innovations, and idealism of the 1960s, Syd Barrett is one of the most heavily mythologized men in rock, and *Lost in the Woods* offers a rare portrayal of a unique spirit in freefall.

BreakUp and BreakOut Ukiyoto Publishing

Relationships are like road trips. Sometimes they're an exciting adventure. But sometimes they're like a traffic jam going nowhere. Or even worse, they're a wrong turn that's taken you hundreds of miles off your course. With much-needed humor and honest advice, bestselling author and speaker Chad Eastham helps you think through tough but necessary relationship issues such as: · Why some people find happiness, while others find heartache · Why pain hurts so much · When to break up · When to make up Chad's conversational tone, facts, and advice encourage young people to rethink life's conversations, even the difficult stuff like heartbreak. There is nothing in life that is too big, too painful, or too difficult that God cannot make better and use to teach us about love. Nothing.

Breaking Down Breakups Turner Publishing Company

Sometimes you can't pull yourself together until you let yourself fall apart. When Brook Ogden's therapy practice collapses she reinvents herself as the Breakup Doctor: on call to help you shape up after a breakup. But when her boyfriend dumps her, by-the-book Brook helplessly engages in some spectacularly bad breakup behavior of her own.

Getting to Good Riddance Graywolf Press

Breaking Up with Barrett is the first book about the Philadelphia-based, wildly handsome English brothers who are all on the look-out for love. (Except Alex. He's a womanizing manwhore. And maybe Stratton, because he's wicked hot, but super awkward around girls.) Barrett English, aka the Shark, is the fair-haired, first-born of the English brothers, and the CEO of the oldest, most prestigious investment

banking firm in Philadelphia. He rules the boardroom with an iron fist, refusing to take no for an answer and always getting his way. Emily Edwards, a first-year doctoral student at the University of Pennsylvania, grew up in the gatehouse on the outskirts of Barrett's childhood estate. The daughter of his family's gardener and housekeeper, she was always looking through the window of privilege, but forced to remember her place at the very periphery of the kingdom. When business partners suggest that a fiancée might soften Barrett's image over business dinners, he approaches Emily for the job of fiancée. And while love wasn't necessarily on Barrett's radar, he begins to realize that Emily always has been. But will his take-no-prisoners boardroom tactics work on the heart of the woman he loves?

If We Ever Break Up, This Is My Book Plexus Publishing

They say 'time' heals all wounds, but who wants to wait for time? Screw father time! I say it's what you do with your time that makes all the difference. In this step-by-step guide, you'll discover how to tap into your inner strength and how to use this 'alone time' to excel in your personal life instead of wallowing over that loser! [Law of the Jungle](#) Harmony

Hooters, Hatters, and menacing evil Even in a mystical world where centuries ago animals were magically changed into humans, the land of Makasar us considered strange. Its two major religions are Hatters and Hooters. During the day, Hatters, wearing hats of course, wander about jabbing pointy sticks into bystanders. The night is ruled by the Hooters, who hoot and set fire to people and things. Hospitality is considered a capital crime. And Newlies, the humanize animals, are treated lower than scum. So when Finn, the Master Lizard Maker, finds himself stranded in Makasar-along with his lover, an attractive Newlies named Letitia, and the grandest, most magical creation of his illustrious career, a talking, thinking, rather cantankerous mechanical lizard named Julia Jessica Slagg-his first thought is a quick exit. But the Nuccis-strongman son, mad father, and ever madder grandfather-have other plans for Finn and his loyal companions. There's an odd machine in their basement that needs fixing, and who better to do it than a Master Lizard Maker? There's more here than meets the eye, however, and Finn soon realizes that the future he faces could be very dark indeed.

The Breakup Doctor Independently Published

The emotional significance a breakup can have on an individual is vastly downplayed by modern society. Breakups are viewed as a "bummer" that need to be endured but rarely talked about. Some couples get back together and some don't, but rarely do we gain insight into the reasons why or even how. *Dating Guy* (aka "DG") is a dating advisor on YouTube who has helped thousands of people through the mysterious winding maze of breakups. Whether you want to understand your breakup more clearly, gain closure and move on, or re-attract and reconcile with your ex, DG outlines his observations and insights from years of advising clients. Whatever stage of the breakup you are in, DG has designed this book so that you can expand your mind and have a resource of useful tips to turn to. If you read this book from cover to cover you will likely feel differently about your situation and yourself by the end. It's important to remember that although you are in the middle of a traumatic transition period of your life, that you will get through this... and you're going to be fine.

Winner of the Gold Nautilus Award for Fiction | A Lambda Literary Award Finalist | A

Barbara Gittings Literature Award Finalist | One of Bustle's and Paste's Most Anticipated Fiction Books of the Year "Speak No Evil is the rarest of novels: the one you start out just to read, then end up sinking so deeply into it, seeing yourself so clearly in it, that the novel starts reading you." — Marlon James, Booker Award-winning author of *A Brief History of Seven Killings* In the tradition of Junot Diaz's *The Brief Wondrous Life of Oscar Wao* and Chimamanda Ngozi Adichie's *Americanah*, *Speak No Evil* explores what it means to be different in a fundamentally conformist society and how that difference plays out in our inner and outer struggles. It is a novel about the power of words and self-identification, about who gets to speak and who has the power to speak for other people. As heart-wrenching and timely as his breakout debut, *Beasts of No Nation*, Uzodinma Iweala's second novel cuts to the core of our humanity and leaves us reeling in its wake. On the surface, Niru leads a charmed life. Raised by two attentive parents in Washington, D.C., he's a top student and a track star at his prestigious private high school. Bound for Harvard in the fall, his prospects are bright. But Niru has a painful secret: he is queer—an abominable sin to his conservative Nigerian parents. No one knows except Meredith, his best friend, the daughter of prominent Washington insiders—and the one person who seems not to judge him. When his father accidentally discovers Niru is gay, the fallout is brutal and swift. Coping with troubles of her own, however, Meredith finds that she has little left emotionally to offer him. As the two friends struggle to reconcile their desires against the expectations and institutions that seek to define them, they find themselves speeding toward a future more violent and senseless than they can imagine. Neither will escape unscathed.

Jayne Bartett, the feng shui consultant to the rich and powerful of Beverly Hills, has written the most comprehensive and life changing book on the subject.

Think Like a Breadwinner Penguin

Seduced by Stratton is the fourth book about the Philadelphia-based, wildly-handsome English brothers who are all on the look-out for love. (Except for Barrett, Fitz and Alex, because they're taken. And Weston, who is still riding the ugly-love roller coaster with one of the Atwell sisters....) Stratton English, the hottest, youngest, most devastatingly handsome CFO in Philadelphia, has a problem: women make him nervous. Really nervous. Catastrophically nervous. Socially awkward to an extreme, he's apt to blurt out the first thing that comes to mind, and it's rarely something a woman wants to hear. Quietly in love with his neighbor, Amy, he has no idea how to make his move, but he is committed to figuring out a way to seduce her. Valeria Campanile, who Stratton knows through one of his four brothers, is a PhD candidate who moonlights as a dance instructor on the side. Ironically, even though Val studies *Courtship Rituals*, she can't seem to find herself courted. Pursued by boys from the old neighborhood who promise to overlook the fact that she's so smart, she longs to meet someone who romances her mind as well as her heart. When Stratton helps Valeria with a financial problem, she is anxious to return the favor. But will Stratton, who needs Val's expertise to win Amy, find himself seducing Val instead?

The Truth about Breaking Up, Making Up, and Moving on Spencer Hill

Contemporary

Furo Wariboko, a young Nigerian, awakes the morning before a job interview to find that he's been transformed into a white man. In this condition he plunges into the bustle of Lagos to make his fortune. With his red hair, green eyes, and pale skin, it seems he's been completely changed. Well, almost. There is the matter of his family, his accent, his name. Oh, and his black ass. Furo must quickly learn to navigate a world made unfamiliar and deal with those who would use him for their own purposes. Taken in by a young woman called Syreeta and pursued by a writer named Igoni, Furo lands his first-ever job, adopts a new name, and soon finds himself evolving in unanticipated ways. A. Igoni Barrett's *Blackass* is a fierce comic satire that touches on everything from race to social media while at the same time questioning the values society places on us simply by virtue of the way we look. As he did in *Love Is Power*, or *Something Like That*, Barrett brilliantly depicts life in contemporary Nigeria and details the double-dealing and code-switching that are implicit in everyday business. But it's Furo's search for an identity—one deeper than skin—that leads to the final unraveling of his own carefully constructed story.

"An intoxicating blend of wholesome sweetness and tear-off-your-clothes steam...Ruby Barrett's writing leaves me breathless." —Rosie Danan, author of *The Roommate* "Sexy, smart, and fiercely feminist." —Helen Hoang, author of *The Kiss*

Quotient and The Bride Test A meet-cute gone wrong is the start of a surprising courtship in this fresh, modern take on the workplace romance from debut author Ruby Barrett Corrine Blunt knows what people think of her—she's an icy, unapproachable executive. It's the price she's had to pay to get to the top. But there's knowing you have a reputation in the office, and there's hearing your new intern laugh when someone calls you "Blunt the C*nt" in the elevator on his first day. She'd hoped to finally find an ally in Wesley Chambers, but she's not about to let him off the hook for joining the office boys' club. Taking refuge in the professional boundaries between them, she relegates Wes to assistant work—which would do the trick, if he weren't so eager to prove he's a decent human being. Wes is sincerely apologetic, insisting it was a misunderstanding, and to her surprise, Corrine believes him. Being forced to work together was one thing, but long hours at the office with what turns out to be a kind, thoughtful man soon has their business relationship turning personal, and things get complicated—fast. Could this be something more serious than either of them dared to hope for? Or is their relationship just playing into the harmful power dynamics Corrine's had to endure her entire career?
