For fans of Jeff Zentner and Katie Henry comes a thrilling and funny debut about a teen raised in a doomsday community who plots her escape with the boy from the bunker

next door. Always be ready for the worst day of your life. This is the mantra that Becca Aldaine has grown up with. They're even arranging Becca's marriage with Roy Kang, the only eligible boy in their community. Roy is a nice guy, but he's so enthusiastic about prepping that Becca

doesn't have the heart to tell him she's planning to leave as soon as she can earn a full ride to a college far, far away. Then a devastating accident rocks Becca's family and pushes the entire community, including Becca's usually cynical little sister, deeper into the doomsday ideology. With her getaway plans thrown into jeopardy, the only person Becca can turn to is Roy, who reveals that he's not nearly as clueless as he's been

Weston College freshman Leesa Nyland has been fascinated by vampires since she was three years old. That's when her mom started acting weird, refusing to go outside during the day and insisting the sunlight hurt her skin because she'd been bitten by a one-fanged vampire. But fascinated doesn't mean Leesa believes. Any more than she believes in blue fire, people who live for centuries, and kisses that

can kill. When her beloved older brother suddenly disappears, she is forced to confront all these and more. She also has to figure out what to do about her mysterious new boyfriend. She knows Rave likes her a lot--so why won't he kiss her? As Leesa draws closer to finding her brother, she faces some gut-wrenching decisions. Should she risk her mom's life trying to "cure" her? Should she continue seeing Rave, after he reveals his

dangerous secret? And most terrifying of all, should she make the ultimate sacrifice--give up her humanity--to save her brother?

Breathless Harper Collins Everything about Sarah Bernhardt is fascinating, from her obscure birth to her glorious career--redefining the very nature of her art--to her amazing (and highly public) romantic life, to her indomitable spirit. Well into her seventies, after the amputation of her leg,

she was performing under bombardment for soldiers during World War I and toured America for the ninth time. Though the Bernhardt literature is vast, this is the first English-language biography to appear in decades, tracking the trajectory through which an illegitimate--and scandalous--daughter of a Jewish courtesan transformed herself into the most famous actress who ever lived, and into a national icon, a symbol of

France.--From publisher description.
