The Breitling Emergency was originally design for pilots and aircrews. It is a watch with a built-in micro-transmitter broadcasting on the 121.5 MHz aircraft emergency frequency and is designed to complement the distress signalling equipment of any aircraft. Following a crash the 'Emergency' will broadcast a signal on which rescuers can home in.

I'm considering a used Breitling Emergency watch, but the seller does not have the instruction manual. I contacted BUSA, and they said they cannot provide a copy or even sell me one. I believe I've seen a link on WUS to the manual for the Aerospace and was wondering if anybody knows of a link to the Emergency manual. Thanks!-FLX

User manuals. Your Breitling watch is a complex instrument. While we recommend that you have it serviced regularly by an authorized service center, the Breitling user manual for your watch has been created to help you understand your watch and all its functions, ensuring that it will deliver high level performance for many years.

#### Breitling Aerospace User Manual

The Emergency Mission is the second variation on the Emergency, the survival instrument synonymous with safety for pilots around the world. Thanks to its design which is more similar to that of a traditional chronograph, the Emergency Mission affirms its character as a more civilian version than the original.
