Brian Jones was a very complicated person. Paul covers his ups, his downs and all the turmoil in his life. This will probably be the last book that will effectively cover the life and times of Brian Jones. I highly recommend it. Brian Jones left his mark on the world because of his passion for R&B.

Brian Jones, the founder of the Rolling Stones and a major figure in the Swinging London scene of the mid-1960s, finally steps into the

spotlight. Most Stones history takes a revisionist approach and virtually erases his significance--history is written by the victors, and Mick and Keith have done a good job burying the legend around Jones (even Scorsese skated over Jones' significance in his ...
