Discover untold secrets with this extraordinary memoir of drama and tragedy by Anne

Glenconner—a close member of the royal circle and lady-in-waiting to Princess Margaret.

Anne Glenconner has been at the center of the royal circle from childhood, when she met and befriended the future Queen Elizabeth II and her sister, the Princess Margaret. Though the firstborn child of the 5th Earl of Leicester, who controlled one of the largest estates in England, as a daughter she was deemed "the greatest disappointment" and unable to inherit. Since then she has needed all her resilience to survive court life with her sense of humor intact. A unique witness to landmark moments in royal history, Maid of Honor at

Queen Elizabeth's coronation, and a lady in waiting to Princess Margaret until her death in 2002, Anne's life has encompassed extraordinary drama and tragedy. In *Lady in Waiting*, she will share many intimate royal stories from her time as Princess Margaret's closest confidante as well as her own battle for survival: her broken-off first engagement on the basis of her "mad blood"; her 54-year marriage to the volatile, unfaithful Colin Tennant, Lord Glenconner, who left his fortune to a former servant; the death in adulthood of two of her sons; a third son she nursed back from a six-month coma following a horrific motorcycle accident. Through it all, Anne has carried on, traveling the world with the royal family, including visiting the White House, and developing the Caribbean island of Mustique as a safe harbor for the rich and famous—hosting Mick Jagger, David Bowie, Raquel Welch, and many other politicians, aristocrats, and celebrities. With unprecedented insight into the royal family, *Lady in Waiting* is a witty, candid, dramatic, at times

heart-breaking personal story capturing life in a golden cage for a woman with no inheritance. A modern-day classic." —Jeffery Deaver, New York Times bestselling author "A gripping story about family dynamics and the nature of human psychology." —Good Housekeeping She thought she had escaped her past. But there are some things you can't outrun. Lex Gracie doesn't want to think about her family. She doesn't want to think about growing up in her parents' House of Horrors. And she doesn't want to think about her identity as Girl A: the girl who escaped, the eldest sister who freed her older brother and four younger

siblings. It's been easy enough to avoid her parents--her father never made it out of the House of Horrors he created, and her mother spent the rest of her life behind bars. But when her mother dies in prison and leaves Lex and her siblings the family home, she can't run from her past any longer. Together with her sister, Evie, Lex intends to turn the home into a force for good. But first she must come to terms with her siblings--and with the childhood they shared. What begins as a propulsive tale of escape and survival becomes a gripping psychological family story about the shifting alliances and betrayals of sibling relationships--about the secrets our siblings keep, from themselves and each other. Who have each of these siblings become? How do their memories defy or galvanize Lex's own? As Lex pins each sibling down to agree to her family's final act, she discovers how potent the spell of their shared family mythology is, and who among them remains in its thrall and who has truly broken free.
