pages. Yet I hope, mighty conflict. The

book, unsatisfactory as it is to me now that it is finished, at least holds my honest and long considered opinions. It was not written until I could view my experiences objectively, until I was sure in my own mind that the judgments I had formed were sane and sound. I give it to the public now, hoping that something new will be found in it, despite the many personal narratives that have gone before, and confident that out of that public the many friends I have made while lecturing over the country will look on it with a lenient and a kindly eye." This book is part of the World War One Centenary series; creating, collating and reprinting new and old works of poetry,

fiction, autobiography and analysis. The series forms a commemorative tribute to mark the passing of one of the world's bloodiest wars, offering new perspectives on this tragic yet fascinating period of human history. Each publication also includes brand new introductory essays and a timeline to help the reader place the work in its historical context. The Maid of Orleans; The Bride of Messina; Wilhelm Tell; Demetrius; The Piccolomini; The Death of Wallenstein; Wallenstein's Camp Anvil Publishing, Inc. A moving and tragic cross-cultural love story for readers of Dilly Court and Kitty Neale. Oxfordshire, 1917 Ellen is growing

up in the Oxfordshire countryside. The granddaughter of a Methodist preacher and intending to marry Charlie, a boy from the local village, Ellen's life is mapped out for her. When Charlie is killed on the battlefields of the First World War, Ellen is left heart-broken and lost. But then she meets Sam Loveridge. Mysterious and unruly, Sam is from a local Gypsy community, and unlike anyone Ellen has ever met before. Before she knows what's hit her, Ellen is swept off her feet and shown a world of passion, excitement - and true love. But the conservative world that Ellen is from can't possibly understand or approve of their relationship, and

Ellen and Sam are torn apart. Is their love strong enough to overcome their cultural distances, or will the hostility and prejudice they face destroy their chance at happiness? The Gypsy Bride is a dramatic new saga for readers of The Country Bride. Don't miss Katie Hutton's brand-new book, The Gypsy's Daughter. Available to pre-order now. - - - - - 'The history is meticulous and fascinating and the character of Sam Loveridge is absolutely captivating - I can still hear his voice perfectly, months after finishing.' Julie Cohen, bestselling author of The Two Lives of Louis and Louise 'A family saga that had me hooked from the first page.'

Lynn Johnson, author of The Girl from the Workhouse 'A richly evoked, completely involving story of love, loss and redemption. So satisfying.' Elizabeth Woodcraft, author of The Saturday Girls and The Girls from Greenway 'Katie Hutton transports you to a forgotten England in this poignant story of star-crossed lovers. A triumph!' Catherine Kullman, author of The Gracechurch Trilogy 'A moving love story, brilliantly depicting the dynamic between settled communities and gypsies.' Patricia O'Reilly, author of The First Rose of Tralee '[A] moving and well-wrought tale' Historical Novel Society 'An enthralling and well-researched saga.'

Lancashire Evening Post 'The characters and storyline were fantastic.' Netgalley reviewer 'A powerful saga full of tragedy and such sadness.' Netgalley reviewer Finding Jasper W. W. Norton & Company 'This is a collection of fifteen love stories of war heroes. Each story depicts the greatest example of patriotism and bravery with its characters drawing strength from their women. The book is an experiment to prove that the biggest source of energy that makes daring war heroes is actually love. It is a testimony of the existence of the

most sensitive minds inside tough bodies. Certain delicate issues are addressed and natural solutions offered. The stories are replete with profound emotions and the smooth flow of events that touch the hearts of the readers.

While fighting land disputes, helping neighbors, and tackling the challenges of nature the homesteaders are placed in the path of other dreamers with whom romance sparks. And God has His hand in

orchestrating each unique meeting. The Cotillion Brigade St. Martin's Press In 1939 the lives of five women are about to collide in the sleepy little village of Crowmarsh Priors. Evangeline has eloped from New Orleans with a naval captain, Alice is resigned to life as the parish spinster, Elsie is evacuated from the East End to be a maid for Lady Marchmont, Tanni has fled from Vienna with her newborn son, and high-spirited Frances is to see out the war with her godmother. Together these five women face hardship, passion

and danger, and form a bond that sees them through their darkest hours, and lasts for the rest of their lives. *The Ship of Brides* Algonquin Books A look at love during World War II that “celebrates not only the personal sacrifices these couples made to serve their country, but also their devotion to one another” (San Francisco Book Review). America’s World War II is most often told through the stories of its great battles, when an entire generation of our young men was suddenly thrust across the oceans to represent the New World in deadly combat against the great

powers of the Old. On sea, in the air, and on land our boys fought against totalitarian powers that threatened to overturn the American ideal of liberty for every individual, even civilization itself. But while often forgotten, America's women participated too. On the home front they were more than willing to share in the hardships of wartime, and in countless cases they fairly lived and breathed with support for our troops overseas. Whether working in factories or taking care of families, rationing or volunteering, their unflagging support contributed more to our victories than

has ever been told. Young people have been falling in love since time began, but romance during a global conflagration brought a unique set of challenges. The uncertainty of the time led to an abundance of couples marrying quickly, after brief courtships. Others grew closer through intermittent correspondence, in which the soldier was often censored by officers, yet true longing from both sides invariably came through. It was the worst time of all to try to have a relationship, yet amazingly, thousands of couples created lifelong bonds. From blind dates to whirlwind romances

to long separations, War Bonds highlights stories of couples who met or married during WWII. Each of the thirty stories begins with a World War II-era song title and concludes with a look at wartime couples in their twilight, as well as when they were so hopeful and young and determined to save the world. Illustrated with photographs from the 1940s as well as current ones of each couple, War Bonds offers readers a glimpse of bygone days, as well as a poignant glimpse of our own. During history's greatest war it was no time to start a relationship. But many among our young men and

women did so regardless, and in this book we see how amazingly the “war bonds” of that World War II generation so frequently endured. November: Poems in War Time Barbour Publishing Hearts Are Forged by the Flames of Gentle Love in 4 Historical Stories Worth Fighting For (1774—Philadelphia, Pennsylvania) by Pegg Thomas Talk of war has surrounded Meg McCracken, including her father and four brothers. Alexander Ogilvie doesn't care about the coming

war; his plans are to head west. When Meg comes to his smithy, sparks fly off more than the forge. But can they build anything during unstable times? Forging Forever (1798—Cornwall, England) by Amanda Barratt When the actions of Elowyn Brody's father force her into a marriage of convenience with blacksmith Josiah Hendrick, she consigns love to a bygone dream. But as Elowyn comes to know her new husband, her flame of hope begins to burn again. Until heartache threatens to sever

the future forged between them. A Tempered Heart (1861—Charlottesville, Virginia) By Angela K. Couch Buried under a debt that is not his own, Thomas Flynn's only focus is gaining his freedom. He has learned to keep his head low and not pay attention to the troubles of others, until a peculiar boy and his widowed mother show him how empty his life has become. After years of protecting her son from slights and neglect of the people closest them, Esther Mathews is not sure how to trust the local

blacksmith with herguerilla units in child...or her heart.

Espionage in

British Fiction

and Film Since

1900 traces the

history and

development of

the British spy

novel from its

emergence in

the early

twentieth

century, through

its growth as a

popular genre

during the Cold

War, to its resurgence in the early twenty-first century. Using an innovative structure, the chapters focus on specific categories of fictional spying (such as the accidental spy or the professional) and identify each type with a vital period in the evolution of the spy novel and film. A central section of the book considers how, with the creation of James Bond by Ian Fleming in the 1950s, the professional spy was launched on a new career of global popularity, enhanced by the Bond film franchise. In the realm of fiction, a glance at the fiction bestseller list will reveal the continuing appeal of novelists such as John le Carré, Frederick Forsyth, Charles Cumming, Stella Rimington, Daniel Silva, Alec Berenson, Christopher Reich—to name but a few—and illustrates the continued fascination with the spy novel into the twenty-first century, decades after the end of the Cold War. There is also a burgeoning critical interest in spy fiction, with a number of new studies appearing in recent years. A genre that many believed would falter and disappear after the fall of the Berlin Wall and the collapse of the Soviet empire has shown, if anything, increased signs of vitality. While exploring the origins of the British spy, tracing it through

cultural and historical events, Espionage in British Fiction and Film Since 1900 also keeps in focus the essential role of the “changing enemy”—the chief adversary of and threat to Britain and its allies—in the evolution of spy fiction and cinema. The book concludes by analyzing examples of the enduring vitality of the British spy novel and film in the decades since the end of the Cold War. The Second Mrs. Hockaday

Harper Collins Born in a mission in China, Lucy Waring now finds herself with 15 small children to feed. How she tackles this task gets her thrown into the grim prison of Chengfu, where she meets a man about to die. He asks her a cryptic riddle, and its mystery echoes through all that befalls Lucy in the months that follow, even when she is brought to England, trying to make a new life with the

Gresham family. Unused to English ways, she is constantly in disgrace and is soon involved in the long and bitter feud between the Greshams and the family who live across the valley in the house called Moonrakers. In England Lucy discovers danger, romance, heartache, and mystery as strange events lead her to doubt her own senses. It is only when Lucy returns to China that she finds the

answers to the mysteries of her past. It is there, at the moment when all seems lost, that she finally finds where her heart belongs.

The Unravished

Bride NavPress

The riveting, untold story of George Creel and the Committee on Public Information -- the first and only propaganda initiative sanctioned by the U.S. government. When the people of the United States were reluctant to enter World War I, maverick journalist George Creel created a committee at President Woodrow Wilson's request to

sway the tide of public opinion. The Committee on Public Information monopolized every medium and avenue of communication with the goal of creating a nation of enthusiastic warriors for democracy. Forging a path that would later be studied and reread by such characters as Adolf Hitler, the Committee revolutionized the techniques of governmental persuasion, changing the course of history. Selling the War is the story of George Creel and the epoch-making agency he built and led. It will tell how he came to build the and how he ran it, using the

emerging industries of mass advertising and public relations to convince isolationist Americans to go to war. It was a force whose effects were felt throughout the twentieth century and continue to be felt, perhaps even more strongly, today. In this compelling and original account, Alan Axelrod offers a fascinating portrait of America on the cusp of becoming a world power and how its first and most extensive propaganda machine attained unprecedented results.

Garden of Her Heart Barbour Publishing
SHORTLISTED FOR THE CENTER FOR FICTION

FIRST NOVEL PRIZE “Taut, almost unbearable suspense . . . This galvanizing historical portrait of courage, determination, and abiding love mesmerizes and shocks.” —Booklist (starred review) “All I had known for certain when I came around the hen house that first evening in July and saw my husband trudging into the yard after lifetimes spent away from us, a borrowed bag in his hand and the shadow of grief on his face, was that he had to be protected at all costs from knowing what had happened in his absence. I did not believe he could survive it.” When Major Gryffth

Hockaday is called to the front lines of the Civil War, his new bride is left to care for her husband's three-hundred-acre farm and infant son. Placidia, a mere teenager herself living far from her family and completely unprepared to run a farm or raise a child, must endure the darkest days of the war on her own. By the time Major Hockaday returns two years later, Placidia is bound for jail, accused of having borne a child in his absence and murdering it. What really transpired in the two years he was away? Inspired by a true incident, this saga conjures the era with uncanny

immediacy. Amid the desperation of wartime, Placidia sees the social order of her Southern homeland unravel as her views on race and family are transformed. A love story, a story of racial divide, and a story of the South as it fell in the war, *The Second Mrs. Hockaday* reveals how that generation--and the next--began to see their world anew.

Five Brides
Harper Collins
A Christmas Collection to Warm the Heart
Grab a warm cup of tea and watch as romance is kindled and joy is restored to

broken lives during six bygone era Christmas celebrations. A Christmas Castle by Cynthia Hickey Married by proxy in Missouri, Annie Morgan sets off for Tombstone, Arizona, to join her new husband as a cattle rancher. But too soon she finds herself a widow with an unexpected daughter and butting heads with her handsome neighbor. A Star in the Night by Liz Johnson Wounded within

Confederate territory, Union officer Jedediah Harrington finds refuge at the tiny cabin of Cora Sinclair and her grandfather. Still haunted by what she saw as a battlefield hospital volunteer, Cora finds that only Jed can understand. But, though she longs to give him her heart, the risks to both of them are too great. An Irish Bride for Christmas by Vickie McDonough When Jackson Lancaster's brother and wife

die, he takes his three-year-old niece home. But a meddling busy-body makes the judge give her custody "because an unmarried man shouldn't raise a little girl." Now Jackson has until Christmas to find a bride or lose his niece forever. Larkin Doyle is grateful her employer took in the orphan and believes Jackson abandoned his niece. When her heart says otherwise, will romance blossom? Under His Wings by Liz Tolsma Adie

O'Connell, orphaned and left alone in a dangerous Wisconsin logging camp, seeks the stability she once knew when both her parents lived. Despite the compassion and friendship offered by Noah "Preacher Man" Mitchell, she refuses to consider marriage to a man always drifting from one job to another for God. Shelter in the Storm by Carrie Turansky
The daughter of a wealthy Tennessee

doctor, Rachel Thornton begins nursing James Galloway, a wounded artist-war correspondent. As James recovers, their hearts draw closer together. Having already lost one sweetheart to the war, Rachel is hesitant to reveal her feelings for James, who insists on returning to the front lines. Would she be safer in the arms of another man?
Christmas Service by Erica Vetsch Beth Sorensen has

been put in charge of the Christmas pageant at the little log church, and this year she wants something different. But she didn't count on a Minnesota blizzard paralyzing the whole town. Can the blacksmith teach this preacher's daughter about what it means to serve one another in love through the storm?
The Works of Friedrich Schiller: Maid of Orleans. Bride of Messina.

William Tell. Demetrius. The Robbers. Fiesco. Love and Intrigue. Tr. by T. Martin, A. Swanwick, A. Lodge and others Read Books Ltd Shortlisted 2013 for the Dobbie Award for first-time published Australian female author. Set in Perth and Margaret River Region, 1945-1965, the novel shows the impact of war on family. As the story shifts back and forth in time and place through three different

perspectives, the dislocating effects build into the 1960s with devastating results. **Moonraker's Bride** Barbour Publishing EXILE HUNTER, the third book in the Kamas Trilogy, begins in 2023, one year before the Kamas revolt, in a dystopian America ruled by a tyrannical President-for-Life who turns America's military and intelligence assets against his domestic enemies. The protagonist, an undercover officer specializing in targeting exiled

political opponents, becomes the scapegoat for a failed operation and is sent to die in a corrective labor camp near the Arctic Circle. But, defying all odds, he survives, escapes and devotes his remaining energies to finding and aiding a woman whose family he has ruined. **SYNOPSIS:** Beirut, 2023: When undercover intelligence officer Warren Linder agrees to lure an exiled opponent of the President-for-Life back to impoverished, low-tech, post-Civil War II America,

Linder is unaware that the target is his childhood sweetheart's father. On learning this, he ignores his better instincts and plunges ahead. But a surprise encounter with the woman who rejected him years before triggers a change in Linder that derails the operation. His bosses, suspecting treachery, capture Linder along with the target and his daughter and spirit them back to the U.S. aboard a secret rendition flight. Linder's ensuing journey takes him from Beirut to a Virginia interrogation center and on to an Arctic labor camp; then, after a nearly impossible winter escape, on a 2000-mile trek to the Utah Security Zone, where his onetime love was last held. Though he finds her, their respective ordeals have changed them. The story reaches a climax in the couple's home town of Cleveland, where Linder aims to recover his former target's last cache of rebel funds and use it to take his loved ones beyond the regime's reach. EXILE HUNTER is a tragic yet life-affirming saga of a man who risks everything to set right past wrongs, regain lost love and resist the tyranny he once served. In EXILE HUNTER, author Preston Fleming offers his most richly imagined vision yet of the future American dystopia introduced in FORTY DAYS AT KAMAS, while endowing the story's characters with complexity and a remarkable capacity for growth. Warren Linder's epic journey crackles with excitement at every step and leads to a deeply satisfying conclusion.

Devoted Fleming readers will likely consider EXILE HUNTER the author's best work by far.

The Gypsy

Bride Bonnier
Zaffre Ltd.

Once a month, the refinery workers of the Tropical Oil Company descend upon Tora, a city in the Colombian forest. They journey down from the mountains searching for earthly bliss and hoping to encounter Sayonara, the legendary Indian prostitute who

rules their squalid paradise like a queen. Beautiful, exotic, and mysterious, Sayonara, the undisputed barrio angel, captivates whoever crosses her path. Then, one day, she violates the unwritten rules of her profession and falls in love with a man she can never have. Sayonara's unrequited passion has tragic consequences not only for her, but for all those whose lives ultimately depend on the Tropical Oil

Company. A slyly humorous yet poignant love story, *The Dark Bride* lovingly recreates the lusty, heartrending world of Colombian prostitutes and the men of the oil fields who are entranced by them. Full of wit and intelligence, tragedy and compassion, *The Dark Bride* is luminous and unforgettable.
