Bridge Checklists. 05/02/2016 by J-Knight. Checklists form an integral part of any Merchant Vessels Safety Management System (SMS). You should familiarise yourself with your vessels SMS manual to determine the checklist that need to be followed for any given task or situation. The Bridge Procedures Guide (BPG) also contains a number of standard bridge checklists and is an excellent reference should you need to produce a new checklist on your vessel.

Operators should consider the importance of the vessel ' s proper

preparation for departure and supply vessels with the appropriate bridge

procedures checklist, taking into account national and international

guidance. This checklist has to be completed by the Officer on the

Watch and it may be used after vessel ' s preparation, to ensure that all

mentioned actions have been performed before the working phases.
