Bridge Checklists | Officer of the Watch

What is the bridge procedures guide . The Bridge Procedures Guide (BPG) is an International Chamber of Shipping (ICS)

publication that aims to reflect Best Practice aboard Merchant Ships embracing standards and recommendations promoted by the IMO. This includes the concept of ‘ continuous improvement ’ as described in the ISM Code and the watchkeeping requirements of STCW Chapter VIII.

Bridge Procedures - Maritimeknowhow

A passage appraisal checklist is included in this Guide as bridge checklist B5. 2.3.2 Charts and publications Only official nautical charts and publications should be used for passage planning, and they

should be fully corrected to the latest available notices to mariners and radio navigation warnings.

Bridge Procedures Guide - Witherby Digital

Operators should consider the importance of the vessel ’ s proper preparation for departure and supply vessels with the appropriate bridge procedures checklist, taking into account national and international guidance. This checklist has to be completed by the Officer on the Watch and it may be used after vessel ’ s

preparation, to ensure that all mentioned actions have been performed before the working phases.

BRIDGE PROCEDURES

Introduction. A perfect knowledge of the Bridge Procedures Guide published by the ICS Organisation, is of paramount importance. This booklet has to be carefully read and understood by all deck officers.

Special attention has been focussed on few important points and procedures. Generalities
