British Defence Minister Robert Greeves - vanished without a trace. In a luxury private safari lodge in Kruger National Park, Detective Sergeant and Protection Officer Tom Furey can't believe this happened on his watch, when he had his eye on a pretty girl rather than on the job. Knowing his career is on the line, Furey vows not to stop until Greeves is found - dead or alive. He and his South African counterpart, the attractive Inspector Sannie Van Rensburg, go against official orders and start the search for the suspected band of terrorists through the outer limits of the National Park to the coastal waters of Mozambique. Tom must assume nothing and trust no one, as the silent predator is about to pounce.

Small Engine and Equipment Maintenance Write Stuff Enterprises Incorporated

Small Engine and Equipment Maintenance is a comprehensive compilation of small engines and the maintenance practices that are required to maintain the efficiencies and durability of residential and commercial power equipment. The materials have been designed to support an entry-level small engines program and a small engines owner looking to prolong their power equipment investment. Quick response code technology is incorporated throughout that references easy-to-understand procedures and identifies critical operation components. The learner will reference this well after they leave the classroom.
