**The Rotarian**

With this book, you can handle all of the maintenance needs of your four-stroke small engine, whatever the brand, and take on virtually any repair project. It guides you through each procedure in clear, concise steps, with more than 325 color photographs and illustrations. Small Engine Care & Repair

---

provides more than just detailed instructions and glossy photos. It teaches you the principles of small engine operation, so you can broaden your knowledge, whether you're performing maintenance or repairs or just want to understand your equipment better. This book is a resource for beginners and seasoned home mechanics alike, with a wealth of information on specialty tools, safety and other issues affecting your small engine. This new, expanded edition has been revised to include an important section on seasonal maintenance, and updated to include the latest engines, maintenance products, and tools.
