Briggs & Stratton ...
Compared to the
weaker 140CC engines,
this gizmo from Briggs

and Stratton can rightfully be called a monstrosity. The Briggs and Stratton 675 Series is the type of lawnmower you call in when others can ' t get the job done. To speak in mob terms, the weaker engines would be Ray Liotta, while the 675 Series would be Joe Pesci.

This is exactly what you want for most consumer

pressure washers. For example, this fits my Briggs and Stratton Elite Series 675 (2.3 gpm, 2550 psi) pressure washer the same as the original hose.
