When Jim Stiles moved west in the 1970s to make Moab, Utah, his home, that corner of the rural West had already endured decades of obscurity, a uranium boom and then a bust, and was facing an identity crisis. What kind of economy would prevent Moab from becoming yet another ghost town? Bringing insight based on decades of residence in Moab, he makes a compelling argument that the amenities economy most environmentalists hail as the solution to the woes of the rural West is in fact creating an unprecedented impact of its own.
